DAY

GEN. OTIS' REPORT OF THE DAY'S WORK
Washington, April 26.—A despatch from Otis this evening, dated Manila, April 26, says:
"Lawton is at Norzagaray and Augat; his two columns united have driven the enemy north and west; slight casualties; names not reported; only means of communication cut. MacArthur has taken a portion of Calumpit, south of the river. Movement attended with difficulties on account of the jungle, heat and strong entrenchments. His casualties yesterday three killed, eleven wounded. Developments thus far satisfactory."

WILL VOLUNTEERS BE CALLED OUT
Washington, April 26.—On the result of the present Filipino campaign will depend a settlement of the question of calling for the 35,000 volunteers authorized by congress. This statement was made today by a high official. If Lawton succeeds in getting between the insurgents and the mountains there will be every reason to expect Aguinaldo's forces will be crushed.

COGHLAN'S SENTENCE
Will Be Reprimanded and Relieved of Command.
The International Aspect of Case Amicably Adjusted.
Letter of Reprimand Now on Its Way to the Captain.

He will be detached from the Raleigh as soon as the Grant celebration at Philadelphia is ended.

Washington, April 26.—Captain Coghlan is not only to be officially reprimanded for remarks on the German meddler at Manila, but after the Grant monument ceremonies at Philadelphia he will be relieved of command of the Raleigh. A letter of reprimand was mailed this afternoon, and the international aspect of the case was amicably adjusted during a brief conference between the German ambassador and the president.

The letter of reprimand was read to the ambassador and after some explanations he expressed himself satisfied. No apology has been made, however, and there is no prospect that one will be demanded. It is known, however, that von Holsten was informed that Coghlan would be detached from the Raleigh.

McKinley and Long will meet Coghlan at Philadelphia tomorrow, where they go for the Grant celebration. It is expected that no reference will be made to the letter of reprimand or to the intention to detach him. Coghlan will be detached before the Raleigh leaves Philadelphia.

Half A GLASS
Is better than none. No glass is better than the wrong one. Come buy some of our eye knowledge and see, as the years roll by, if it isn't a good investment. You can buy glasses over a case or off some counter for much less than you will pay us. You may get too-stools for nothing, you pay for mushrooms. They look alike. Eat them and you'll know the difference. This method is too often followed in buying spectacles. We learn the bad effects of the wrong ones by dearly boughten experience.

WIDOW AND FOUR CHILDREN KILLED
Supposed Murderer Her Stepson--Guarded in a Missouri Jail.
Dexter, Mo., April 26.—Mrs. Jane Teeston, widow, and four small children were last night murdered in their home near Malden, seventeen miles south of here, and to hide the deed the dwelling was set on fire and the bodies partly incinerated. The supposed murderer, J. H. Teeston, the woman's stepson, is under arrest, and all the circumstances point to his guilt. A strong guard has been collected and placed over the jail, for feeling runs high against him and an attempt at lynching is probable.

NEGRO BISHOP'S PREDICTION
Incited by the Lynching Lawlessness in Georgia.
Jersey City, April 26.—Bishop Alexander Williams, who presided today at the New Jersey conference of African Methodists, talked about the recent lynchings in Georgia, and predicted that if good white people of the north do not put a stop to the sweeping tide of lawlessness it will not be long before they will be called on again by the "God of Justice to give their best blood to pay the penalties of the crimes of the south."

The real cause of trouble and all movements against the negro in the south, he said, was race hatred. He saw nothing for the negro to do but to fight or die.

COMPANY F BANQUETED
A Gala Night for the Soldiers at Swannanoa Hall.
More Than Two Thousand People Present to Join in the Welcome.
A Feast of Music After the Tables Were Cleared Away.
Enthusiastic Greeting Accorded to Captain Patton—Patriotic Songs Stir the Large Gathering.

The welcome to the returned volunteers was a sincere and generous one. The big hall adjoining the Swannanoa hotel was decorated with patriotic colors and "welcome home" appeared in two conspicuous places.

The banquet was served at 7:30 and made the soldiers feel how substantial the welcome was. The ladies made an effort to please them and succeeded. A great deal of credit is due the ladies who have worked earnestly, and their efforts were fully appreciated. After the volunteers had finished supper, the tables were reset for the home companies.

At 8:45 the public was admitted. For an hour the crowd had been gathering in front of the Swannanoa hall, and at once they began pouring in, and within half an hour one of the largest audiences ever gathered together under roof had congregated to participate in the welcome to the returned soldiers. Over 2,500 people are estimated to have been present.

The tables were cleared away and chairs placed and fully three quarters of an hour were consumed in handshaking and general greeting.

When the crowd had been seated, that is all that could get seats, Lieutenant Arch Nichols, the master of ceremonies, announced that the Symphony club would begin the program. "Ah, I Have Sighed to Rest Me," from Il Trovatore, was rendered, the beautiful music filling the hall with its harmony.

Dr. Byrd delivered a short, earnest prayer.

Miss Daisy Sawyer sang "The Star Spangled Banner" with feeling and a sweetly melodious voice.

Frank Carter next made the speech of welcome. In prefatory he announced that the manager of the opera house, J. D. Plummer, invited all members of the First and Second regiments, who appear in uniform, to attend the play tonight. The boxes will be tendered to the use of the officers and their ladies. He announced also that Rev. Dr. Swepe invited the members of Company F to attend the afternoon services at All Souls' church next Sunday. Those that are at the postoffice at 4:30 o'clock will find the Baltimore cars there to take them to Baltimore. The address was full of glowing tributes to the soldiers. He recalled the scenes of a
