

CITY NEWS.

Miss Ora Mitchell died last evening about half past nine o'clock at her home on Central avenue.

The regular meeting of the Daughters of the Confederacy will be held at Trinity church at 4 o'clock this afternoon.

The lecture at the Asheville college to-night promises to be very interesting. It is hoped it will be largely attended; the proceeds go to the free kindergarten.

The regimental ball to be given in the Swan hotel on Friday night will undoubtedly be well attended. Tickets must be secured during the day as no tickets will be sold at the door.

The Asheville and Bingham ball will play at the Swan grounds this afternoon at 3.30. No admission will be charged. Cars will run from the square every 20 minutes after 2 o'clock.

There will be a dinner given in honor of the returned A. L. I. by the Misses Coffin at the C. L. U. hall tomorrow night. Mrs. Thomas W. Patton and Mrs. Ellen Coffin will be the chaperones.

The veterans going to the Charlotte reunion, who expect a fine entertainment, are advised to take with them lunch for three days as the committee on arrangements advises that the first meal for 10 o'clock Wednesday, the 10th.

The commencement exercises of the Sylva college school will be held May 11 and 12. Dr. Charles W. Bird of this city will deliver the annual sermon at 11 o'clock, May 11. Mrs. Locke Craig will deliver a literary address at 11 o'clock May 12. Miss Jessie Paris is the only graduate.

Those who leave Asheville next Tuesday to attend the Confederate Veterans' reunion at Charleston should find the journey a pleasant one. A special train will be run from Knoxville or Chattanooga for the occasion, and four special cars will be attached to the Asheville party. The cars will be in charge of C. A. Berger, a regular passenger agent.

A large party of students and several members of the faculty of the Asheville College for Young Women were guests of Mr. C. A. Rayson last evening at his pharmacy on Patton avenue. The many products of Mr. Rayson's soda water fountain and arolley car ride were the topics provided for the guests. Mr. Love and Mr. Packer had supervision of the affair. The party was in a gala day frame of mind and the young ladies frequently gave evidence of the fact by giving their college "yell."

Some complaint has been made with reference to the character of the service that is being derived from the lines on the roads of the Southern railway company. A business man of the city went before the board of county commissioners yesterday with the intention of bringing the matter to the attention of the board, but the local official subject prevented his giving a formal hearing. At the next regular meeting of the board a request will probably be made to have the board appoint some one whose duty it will be to make regular tests of the scales, so as to leave no doubt as to their accuracy. The business man referred to said that he had sustained some losses as a result of some inaccuracies in weighing on scales of the Southern railway.

Operations to Be Resumed in the Old Shaft Near Jupiter.

Dr. I. A. Harris was in the city recently from his home in Jupiter, and gave a reporter of the Gazette the information that the old Heck iron mine located in his section, will soon be worked again. The mine, said Dr. Harris, was an unusually rich one, the work of taking out the ore having been suspended because of the financial panic several years ago.

It is understood that W. B. Ellis, the prime mover in the Ivy power scheme, will be directly interested in operating the mine and that the Ivy power will be utilized in the work.

Mr. Ellis, it is said, was associated with Colonel Heck at the time the mine was first operated.

Those who have been waiting for the oldest refrigerators, can get them now at Mrs. L. A. Johnson's 27 North Main Street. 65-24

Kansas has 7,500,000 apple trees in bearing, 4,000,000 peach trees, 1,200,000 cherry trees and 630,000 plum trees. Kansas has fifty fruit trees for each of its inhabitants.

LOOK OUT for the first signs of impure blood—Hood's Sarsaparilla is your safeguard. It will purify, enrich and vitalize your BLOOD.

It makes no difference how bad the wound if you use De Witt's Witch Hazel Salve; it will quickly heal and leave no scar.
