. The great dam across the river whereby Lake McDonald is formed remains firm, but the city's electric power house and waterworks below the dam is threatened with destruction. Advices have been received here today from various points along the river, saying that many hundreds of thousands of acres of growing corn and cotton have been swept away, and hundreds of

horses and cattle drowned on the farms below here. Twenty residences in the town of Menardville have been washed away. Two persons were drowned at San Saba.

THIRTY MEN BURIED **BY DIRT IN ARKANSAS**

* Loose Earth is Dislodged Onto Them in Railroad Cut.

Livile Rock, June 8 .- Reports have reached here that a landslide has occurred on the Choctaw and Memphis railroad, and thirty men, engaged in grading the road through a pass, were buried. The accident occurred near Ross Hollow, and was the result of the earth above where the men were working, which had become loosened by recent rains, falling on the men.

LEFT A "DEAD" SWITCH ENGINE ON MAIN TRACK

Highwaymen Expected a Wreck to

Follow, Bit Were Mistaken.

Birmingham, Ala., June 8 .- A large switch engine of the Southern railway was stolen fast night at Blossburg by three highwaymen and left "dead" between two stations on the main track. The highwaymen took to the woods, expecting a wreck to follow, but telegrams to the dispatcher's office caused men to be sent in pursuit, who found the engine before any wrecks had taken place.

ANOTHER BLOW TO THUSTS.

Indianapolis, Ind., June 8 .- The Inliana Supreme court holds that a public corporation which enters into a combination with other corporations to destroy competition and therepy increase the price at which an article is sold to the inhabitants of the state becomes liable to a forfeiture of its corporate franchise. The decision is in the case of the state, on the relation of a prosecuting attorney, against the Portland Natural Gas and Oil-company. Judge Jordan, of the Supreme court, who wrote the decision, says: "When the state seeks to destroy the
