I am a farmer located near Stony Brook, one of the most malarious so I could not work, and was alwared with malaria for years, at times constipated as well. For
years I had malaria so bad in the spring, when engaged in plowing years I had malaria so bad in the spring, when enigaged in plowing,
that I could do nothing but shake. I must have taken about a barrel that I could do nothing but shake. I must have taken about a barrel
of quinine pills besides dozenss of other remedies, but never obtained attack of chills and then commenced to take Ripans Tabules, upon a
friend's advice and the first box made me all right and I have never friend's advice, and the first box made mee all nght and I have never
been without them since. I take one Tabule each momning and night
and sometimes when I feel more than usually exhausted I take three in day. They have kept my stomach sweet, my bowels regular and I
nave not had the least touch of malaria nor splitting headache since I commenced using them. I know also that I sleep better and wake up Ripans Tabules will help, but I do know they will cure any one in the
condition I was and I would not be without them at any price. I condition I was and I would not be without them at any price. I
honestly consider them the cheapest-priced medicine in the world, as they are also the most beneficial and the most convenient to take. ame as most farmers, both early and late and in all kinds of weather, I I have never enjoyed such good health as I have since last fal; in
act, my neighbors have all remarked my improved condition and have
