

....THE.... BIG BALTIMORE

10 and 12 Patton Avenue.

OUR JULY CLEARING SALE IS A RECORD BREAKER.

To carry over or not to carry over is the question, and we have decided not to carry over a dollar's worth of Spring and Summer Goods for next season. We put the knife deep into the prices, and the public was not slow in finding it out. This accounts for it that we have sold more goods this month than any previous July in our business experience. With our large stock on hand, our New York buyer keeps on sending us lots of seasonable goods which he secures from manufacturers needing money, sheriffs' sales etc. The stock must be sold to make room for our Fall goods, and here they go. We shall continue this sale until every dollar's worth of Spring and Summer goods is sold.

Dr. Smith dressed the wound and the little fellow is now doing as well as could be expected.
