## SPLENDID ATHLETICS

Englishmen Win by  
One Event the  
University Games.

The Three Mile Run Was  
the Fiercest Ever  
Witnessed.

Prince of Wales and Duke of  
York Witness the Con-  
test of the Collegians.

Americans Numerous Among the  
Spectators—Summary of the  
Day's Events.

London, July 22.—The English ath-  
letes won the international university  
athletic games at Kensington today by  
one event. Rain fell in the morning  
but the weather cleared in the after-  
noon and the heat of the sun was mo-  
derated by a cool breeze from the south-  
east. The grounds were well filled and  
the Americans were everywhere in evi-  
dence, carrying American, Yale and  
Harvard flags and colors. The Prince  
of Wales witnessed the contests and as  
he entered the royal box accompanied  
by Ambassador Choate, the Duke and  
Duchess of York, A. J. Balfour and a  
number of other prominent persons the  
band played "God Save the Queen."  
The following is a summary of the events:

Broad jump—Won by Vassel, Oriel,  
Oxford, 23 feet; Daily, Harvard, second,  
22 feet 3 inches.

100 yard dash—Won by Quinlan, Har-  
vard; C. R. Thomas, Jesus, Oxford,  
second. Time, 10 seconds.

Throwing the 16-pound hammer—  
Won by Boal, Harvard, 130 feet 1  
inch; Brown, Harvard, second, 120 feet  
8 inches.

One mile run—Won by Hunter, Trinity  
Cambridge; Damsen, Balliol, Oxford,  
second. Time, 4.24.

120 yard hurdles—Won by Fox, Har-  
vard; Paget-Tomlinson, Trinity Hall,  
Cambridge, second. Time, 15 3-5 seconds.

Half mile run—Won by Graham,  
Jesus, Cambridge; Struben, University  
of Oxford, second. Time 1.57 1-5.

Quarter mile run—Won by Davidson,  
Sidney, Cambridge; Boardman, Yale,  
second. Time, 49 2-5 seconds.

Three mile run—Won by Workman,  
Pembroke, Cambridge; Palmer, Yale,  
second. Time 15.24 2-5.

High jump—Won by Rice Harvard, 6  
feet; Adair, Oxford, 5 feet 11 inches.

The showing made by Burke, of Har-  
vard, in the quarter mile was a great  
disappointment. He was thought to  
have a good chance to win but finish-  
ed fourth. Quinlan's time in the hun-  
dred yards equals the English record  
held by Thomas and several oth-  
ers. Davidson's time in the quarter  
mile run is one second faster than his  
best previous performance, and equals  
the best time ever made in an Oxford-  
Cambridge contest. The Americans ac-  
cepted defeat philosophically. All agree  
that the three-mile run was the fiercest  
contest ever seen. Workman, the win-  
ner, was the hero of the hour.

The Swiftest Vessel  
in American Navy.

The Dahlgren Moves a Mile in One  
Minute and 45 Seconds.

Bath, Me., July 22.—The torpedo boat  
Dahlgren, in a trial on the Kennebec  
today, developed the highest speed ever  
attained by a vessel in the American  
navy. While the contract calls for  
20 1-2 knots an hour on the official trial,  
she made 23.76 knots, nearly reaching  
the government's requirement. She  
made one mile in one minute and forty-  
five seconds. The trial was made on a  
course where the water was less than  
thirty-five feet deep. Experts claim to  
get the best results the water should  
not be less than seventy feet deep.

## STRONG ARGUMENT FOR VENEZUELA

If Accepted by Tribunal En-  
gland's Contention is  
Defeated.

Paris, July 22.—Mallet Prevost contin-  
ued his argument today before the  
Venezuelan tribunal in favor of Ven-  
ezuela. He proved Spain's right of oc-  
cupation of the Essequibo prior to the  
first lodgment of the Dutch in 1665. If  
the tribunal accepts today's argument  
the Schomburg line, which England  
contends is the correct boundary, is de-  
feated. His argument was delivered  
with great clearness and force and held  
the closest attention. Lord Chief Jus-  
tice Rebell highly complimented him.

## FLOOD REFUGEES SUPPLIED WITH FOOD

Negroes Holding Camp Meet-  
ings—Blame a Preacher  
for Floods.

Austin, July 22.—Captain Selker,  
quartermaster of the Texas Rangers,  
who has been at Richmond, Texas, for  
the past two weeks directing the dis-  
tribution of food supplies and clothing  
among the destitute flood sufferers at  
Fort Bend and Brazoria counties, re-  
turned to Austin today. He reports  
that the negro refugees have enough  
food supplies to last them an indefi-  
nite period and no more should be sent  
as long as kept by charity. The South-  
ern Pacific road wanted two hundred  
men to work on that line and offered  
the refugees at Richmond fourteen  
cents per hour, but were able to get  
only about twenty men.

Captain Selker states that the ne-  
groes are holding camp meetings at all  
of the refugee camps and that day and  
night is spent by them in returning  
thanks to the Lord for their deliv-  
rance from death by drowning. The ig-  
norant negroes of that section claim  
that the recent great flood was caused  
by two negro preachers who prayed in-  
cessantly for rain just before the deluge  
came. These two preachers have  
had to leave that part of the country to  
save themselves from bodily harm.

## CORPORATION FORBIDDEN TO DO BUSINESS IN TEXAS.

Because Incorporated under Laws of  
Another State.

Austin, July 22.—The secretary  
state today refused to grant a permit to  
the Texas Planters' company to do  
business in Texas. This company was  
incorporated under the laws of West  
Virginia. The secretary refuses on the  
ground that the laws of Texas, as he  
considers them, do not permit foreign  
corporations to operate in the state  
whose existence and formation in an-  
other state is a clear contravention of  
principles. This new rule will have a  
far reaching effect and will shut out  
many foreign corporations that other-  
wise would bring capital into the state.  
It is expected that the Texas Planters'  
company will bring mandamus pro-  
ceedings against the secretary of state  
to compel him to grant a permit.

## AIM OF CUBAN LEAGUE ABSOLUTE INDEPENDENCE.

Colonel Garcia Talks With President  
—Wants to Hold Elections.

Washington, July 22.—Colonel Carlos  
Garcia, son of the late General Garcia,  
representing the Cuban republican  
league, explained to President McKin-  
ley today the purpose of that organiza-  
tion. The league, he said, desired the  
complete independence of Cuba at the  
earliest possible moment. At present,  
however, it aimed to secure authority  
for holding conventions and elections  
for municipal officers, with a view to  
demonstrate their capacity for local  
self-government.  
They wish to hold these elections the  
coming fall. Colonel Garcia says the  
present military government is unsat-  
isfactory to the people, because it is  
not in touch with the people and had  
not given close attention to public needs  
which their best interests demanded.

## CLEVELAND MOBS' FURY

Fifth Regiment Called  
Out by Mayor to  
Aid Police.

Cavalry Escort the Cars  
Through the Dangerous  
Part of City.

Troops Removing Obstruc-  
tions From Tracks  
Fired Upon

Rioting in Many Sections of the City  
and Threats to Blow Up Of-  
ficer's Residence.

Cleveland, July 22.—The city is under  
martial law tonight. The strikers have  
warned President Everell of the rail-  
road company that they will blow up  
his residence. The strikers are froni-  
zied beyond bounds because the com-  
pany has secured sufficient new hands  
to operate the lines. They issued a  
statement today justifying their violent  
methods.

The situation is so grave that the  
mayor this afternoon called out the  
Fifth regiment, which saw camp ser-  
vice during the Spanish war. A large  
military force is now on duty.

The mayor emphatically instructed  
the officers in command of the troops  
to protect life and property and to use  
their rifles if necessary. Forty rounds  
of ammunition were issued to each sol-  
dier.

A crowd held up a car on Case ave-  
nue today, partly wrecking it. The  
policeman on the car fired into the crowd  
and shot one of the rioters in the arm.

Cars were held up at various points  
and more or less wrecked. Some cars  
were escorted by cavalry through the  
dangerous parts of the city. The cav-  
alrymen were rotten egged and fired  
some shots, but there were no casual-  
ties. The tracks tonight are strewn  
with obstructions and a number of feed  
wires have been cut.

A west bound car on Euclid avenue  
was fired upon tonight, several bullets  
striking the car. No one was injured.  
Troops endeavoring to remove the ob-  
structions and allow the car to pass  
were attacked by the mob. The con-  
ductor and motorman fired seven shots  
into the crowd. Three persons are re-  
ported shot.

## BRYAN SAYS A WORD IN BEHALF OF GOEBEL

But Engagements Will Pre-  
vent Him Taking Active  
Part in Campaign.

St. Louis, July 22.—Bryan arrived this  
evening from the Chicago conference  
and gave out a letter he had written to  
Mr. Eurey Woodson, of Owensboro,  
Ky., national democratic commit-  
teeman from that state, stating that  
pending engagements made it impossible  
for him to speak in Kentucky or to take  
any part in the gubernatorial cam-  
paign. He expressed regret over the bit-  
terness engendered by the nomination  
of Senator Goebel for governor. He  
says he is entitled to and should receive  
the support of all democrats; that he  
has ever been a consistent and persist-  
ent advocate of the Chicago platform.  
He adds: "If the republican state tick-  
et is elected, the republicans of Ken-  
tucky will be encouraged and the fight  
of 1900 will be made harder. I cannot  
look with unconcern upon the possi-  
ble defeat of Blackburn. He has been loy-  
al and devoted to the principles of de-  
mocracy."

## TRAIN FELL 60 FEET THOUGH A TRESTLE

Serious Accident on the  
Nashville and Ches-  
apeake.

Nashville, July 22.—The Chesapeake  
and Nashville train which left Gallatin  
for Scottsville this evening was wreck-  
ed near Gallatin. Two persons were  
killed and several injured. The ac-  
cident was caused by the collapsing of  
a portion of the trestle between Bir-  
dsoe and Westmoreland. The train  
with the exception of the engine fell  
sixty feet to the ground.  
A special train with physicians left  
here for the scene.  
The cars caught fire after going  
through the trestle and were destroyed.

## CAPTAINCY FOR J. A. WAGNER

Appointment by President  
Yesterday—E. L. Gil-  
mer Also.

Special to the Gazette.  
Washington, July 22.—Senator J. C.  
Pritchard called on the president this  
morning and obtained two good ap-  
pointments in the provisional army.  
John A. Wagner, of the late First  
North Carolina, received a captaincy.  
E. L. Gilmer, of the Second regiment,  
was also given a captaincy. The sen-  
ator was cordially received at the  
white house, the president holding a  
warm friendship for the North Caro-  
linian, whom he considers one of the  
ablest men in public life. R. M.

Mr. Wagner was last night given the  
information concerning his appointment  
and he authorized the statement that he  
would accept, should the telegram prove  
correct. He has had no notification of  
the appointment from the war depart-  
ment, and has made no formal applica-  
tion for the office. The appointment has  
doubtless been made as Mr. Wagner has  
a record as shown by the records of the  
war department which for general effi-  
ciency is not excelled by any officer either  
in the First or Second regiments.

Several days ago Senator Pritchard  
was notified by the war department at  
Washington that the records of the de-  
partment showed that Captain Wagner  
and Capt. Beavers of the First regiment  
and Captain Gray of the Second reg-  
iment were entitled to commissions.  
While the department stated at first that  
North Carolina would only get three  
appointments, Senator Pritchard has  
secured twice that number.

A few days ago Captain Wagner de-  
clined a commission to a lieutenantcy.

## FEARS OF FEUD TROUBLE AT MANCHESTER.

Howards and Whites Gathering—  
Philpot's Trial Monday.

Manchester, Ky., July 22.—Fear of im-  
pending trouble possess the residents of  
this town. Armed men, friends of the  
Howards and Whites, are arriving  
hourly. It looks as though they are  
preparing to attack the Philpots Mon-  
day when the latter come in for trial  
for the killing of Aaron Morris and  
the Griffins last Monday. The Philpots  
and their friends number sixty. They  
are heavily armed. They are confident  
of being able to protect themselves  
against any force their enemies can  
muster.

## HEAVY EARTHQUAKE AT LOS ANGELES.

Caused Tall Buildings to Rock—No  
Serious Damage Reported.

Los Angeles, Cal., July 22.—The heav-  
iest earthquake in years occurred at  
noon today. It lasted ten seconds. Tall  
buildings rocked. Pieces of stone work  
in the ornamental facade in front of  
the city hall were dislodged and fell to  
the pavement. Several passers-by had  
narrow escapes. No serious damage  
was done.

## ITALY MAY DEMAND REPARATION FOR LYNCHINGS.

Count Vinchi Makes Representation  
to State Department.

Washington, July 22.—The lynching  
of five Italians in Louisiana yesterday  
promises to assume an international as-  
pect through the action of the Italian  
government. Count Vinchi, Italian  
charge d' affaires, called at the state  
department at an early hour this morn-  
ing and made representations to the of-  
ficials concerning the atrocity in  
Louisiana. In order to get full infor-  
mation as a basis for action by this  
government, Secretary Hay thereupon  
telegraphed the governor of Louisiana  
requesting all the facts in the case.

## GOVERNOR MAKES INQUIRY

New Orleans, July 22.—The governor  
received a request from Secretary Hay  
today for the facts of the lynching of  
five Italians at Teuliah. The governor  
was visiting here, but left at once for the  
capitol at Baton Rouge, where he made  
an official demand on the authorities of  
the parish where the lynching occurred  
for full accounts. The indications are  
that all the victims are still Italian sub-  
jects, although they have been in this  
country for a number of years.

It developed today that two Italians  
were lynched first, and then the other  
three, and that many persons protested  
against the second lynching.  
Dr. Hodges, for whom the five were  
lynched, is better today. The grand jury  
of Madison parish, where the men were  
lynched, in their report declare the vic-  
tims a bad lot. Two of them are de-  
clared to be murderers.

## ALASKAN BOUNDARY

Dispute Discussed in  
House of Commons  
Yesterday.

Only Alternative Pronounced  
to be Arbitration  
or War.

Arbitration of Dispute, Pre-  
mier Laurier Says,  
Must Come.

Sir Charles Tupper Advocates Refus-  
ing Licenses to Any but Brit-  
ish Miners.

Ottawa, July 22.—In the house of  
commons today Sir Charles Tupper said  
the United States, in refusing to submit  
the Alaskan boundary to arbitration,  
justified the decision of England and  
Canada in refusing to allow the ques-  
tion to go before the joint high com-  
mittee. He believed the United States  
had lost confidence in their claims to  
the disputed territory. He suggested  
that a bill be introduced in parliament  
providing no license to a mine in Yukon  
be granted to any other than British  
subjects.

Premier Laurier said he sympathized  
with much that Sir Charles Tupper  
said. He had little hope of a compro-  
mise on the boundary and was sorry to  
say that the negotiations had not ad-  
vanced the position one iota since Jan-  
uary. The alternatives, he gravely stat-  
ed, were arbitration or war, but no-  
body for a moment seriously entertain  
that the latter was among the possi-  
bilities. Arbitration, he emphatically  
declared, must come. He advocated as  
the wisest course for Canada to be pa-  
tient and forbear. He promised seri-  
ously to consider Tupper's suggestion.
