ANARCHY IN THE AIR

Yesterday Most Se-
rious Day in Cleve-
land Strike.

One Man Was Killed Out-
right and Others
Wounded.

Five Thousand Soldiers are
Needed to Handle the
Situation.

One Car Blown Up Yesterday and An-
other Riddled With Bullets by
Strikers Hidden in Barn.

Cleveland, O., July 24.—The strike
situation is growing more anarchical.
This day's events were the most serious
during the strike. One man was killed
outright and others wounded. Many
arrests were made. Another car was
blown up. Mobs gathered all over the
city and used every device to make
trouble. Barricades were erected on
the tracks at more than fifty places.
From the center of the city every now
and then tonight can be heard the
firing of guns and pistols. Soldiers
are patrolling the streets but are wholly
inadequate to cope with the situation.
At least five thousand troops are necessary.
The state board of arbitration
today practically abandoned all
attempts to settle the strike. All the
soldiers are instructed not to hesitate
to use their bayonets and bullets. The
car blown up tonight was a Pearl
street car. Dynamite was used
and the car was completely wrecked.
There were no passengers aboard. The
motorman and conductor are badly
bruised and cut. Police rushed to the
scene but no trace of the perpetrators
can be found. In half a dozen places
dynamite was placed on the tracks and
was exploded by the cars in passing
over. A party of rioters, hidden in a barn,
riddled a Pearl street car with bullets.
No one was hit.

lowed.

Washington, July 24.—An agreement
on the disputed points in the reciprocal
negotiations between France and the
United States was reached this after-
noon, and the treaty signed by the
French ambassador and Kauson. This
was the last day under the Dingley law
with which a reciprocal agreement
with foreign countries could be made.

A NEGRO LYNCHED IN LOUISIANA

Outraged a White Woman—His Body
Riddled With Bullets.

New Orleans, July 24.—An unknown
negro was lynched near Perkinston,
Miss., this morning for having outraged
Miss Rosaline Davis, a white
woman, on the outskirts of the town. She
was knocked down and when found
was unconscious in a neighboring
swamp. A posse of citizens started in
pursuit and captured the negro at day-
break at Pond. They brought him
back and he was identified by the wo-
man. He was immediately taken to a
swamp near the place of the crime and
riddled with bullets.

er Wants to Send
Them Home.

has received a telegram signed by
United States Commissioner Tustin
and others, dated Fort Wrangle, Alas-
ka, July 20, stating that forty miners
from the Edmondson trails are in town
destitute. Over a hundred others are
expected. Many are sick, frozen and
scorvy-stricken. The commissioner
asks authorization to defray their
transportation to their native states.
Secretary Gage will consult the sec-
retaries of the interior and war de-
partments in regard to means of af-
fording them relief. There are no
funds available for the transportation
requested.

TO FORCE SECRETARY OF STATE TO FILE CHARTER

Texas Elevator Company Want to
Begin Business.

Austin, Tex., July 24.—A petition for
mandamus was presented to the su-
preme court today to compel the sec-
retary of state to file for record the
charter of the Ardmore Mill and Ele-
vator company, which propose to main-
tain their principal offices at Paris,
Tex., and conduct an elevator business
at Ardmore, I. T. It is contended that
the law provides for chartering cor-
porations which maintain general of-
fices in Texas.
Hardy, in refusing to file the charter,
stated that it would be against the
public policy. The plaintiff's position
scores the secretary of state for his
stand in this respect.
The supreme court took the matter
of receiving the application under ad-
visement.

ADMIRAL DEWEY ACCEPTS NEW YORK'S INVITATION

Olympia Will Remain at Trete Ten
Days More.

New York, July 24.—Mayor Van
Wyck today received the following

and were shown over her by the sailors,
who explained everything about her to
the visitors.

AMERICAN SHOPLIFTER IN PARIS.

Paris, July 24.—A sensational case,
which recalls that of Mrs. Castle, of
San Francisco, in London about two
years ago, is agitating Americans here.
A lady described in some papers as
"Mrs. A.," an American millionaire's
well known in New York society, but
whom the consulate here says is Miss
Hobbes, was caught shoplifting in the
Louvre. The woman was arrested out-
side the Louvre and taken to the police
station. A policeman who searched her
rooms at the Hotel Continental found a
number of stolen objects. On paying
for the property the woman was re-
leased.

GOLD FROM THE KLONDIKE.

Vancouver, B. C., July 24.—The
steamer Rosalie arrived from Skaguay
with 200 passengers and \$100,000 in gold
dust aboard. William Braid, a local
merchant, brought \$50,000, and Seattle
men owned the remainder of the gold.
Braid, who is conversant with govern-
ment affairs, said that nearly \$1,000,-
000 had been collected in royalties, and
he placed the total output of the coun-
try at \$20,000,000.

GENERAL WHEELER FOR MANILA.

San Francisco, July 24.—The army
transport Tartar, in command of Gen-
eral Joseph Wheeler, and carrying two
battalions of the Nineteenth infantry,
and over a million dollars in coin was
still at her dock at 10 o'clock tonight,
but the officials expected her to get
away at midnight.

REPUBLICANS TO BEGIN CAMPAIGN

Leaders of Kentucky are
Gathering--Trouble
in the Ranks.

Louisville, Ky., July 24.—The repub-
lican leaders of Kentucky are gather-
ing here for the conference to be held
tomorrow at which the campaign com-
mittee will be selected and a plan of
action adopted. A number of republi-
cans, including Governor Bradley, are
not expected to attend or have anything
to do with the campaign. An effort is
to be made at this meeting to bring
about harmony among the warring fac-
tions of the republicans.
The principal problem which the
committee will have to settle is bring-
ing the negro vote into line for Gen-
eral Taylor. They are bitterly opposed
to him and threaten to vote the demo-
cratic ticket. The meeting will contin-
ue two days and immediately after its
close the state headquarters will be
opened here and the campaign will begin
in earnest.

CUBAN OFFICERS WANT PLEDGES FULFILLED

Will Telegraph McKinley That They
Wish Republic Established.

Havana, July 24.—"Assembled Veter-
ans de la Independencia," comprised
of officers participating in the war, at
a meeting yesterday resolved to tele-
graph President McKinley, in the name
of the Cubans, to immediately fulfill
the promise of congress, and establish
the Cuban republic. Despatches from
Washington, received today, stating
that President McKinley has instructed
Secretary of War Root to draft a
scheme of self-government for Cuba
to submit to congress in December have
caused much satisfaction.
Gomez announced today that he will
leave for the United States next week.

NO HOPE FOR CLEMENCY FOR MRS. MAYBRICK

Statement Made by Home Secretary
in House of Commons.

London, July 24.—In the house of
commons today Michael Davitt asked
the government if, in view of the fact
that the conduct of Mrs. Maybrick in
prison had been uniformly good, the
home office would not recommend royal
clemency in her case. Sir Matthew
White Ridley, home secretary, said he
was unable to hold out hope of excep-
tional treatment for Mrs. Maybrick.
The home secretary added he was not
aware of the existence of any reason
for royal clemency.

SANTIAGO CELEBRATING THEIR PATRON SAINT

Recognition of Festival by Americans
Please Cubans.

Santiago, July 24.—The city is cele-
brating the feast of the patron saint of
Santiago today, and business is sus-
pended. The recognition of the relig-
ious festival by the Americans is a new
departure, and the Cubans are showing
their appreciation by a liberal use of
the American flag in decorations and
parades. Public masquerading is
general, and will continue day and
night until Thursday.

Diaz feels highly honored by the many
invitations he has received asking him

is stated that he will probably start on
an extended tour of the United States
about October 1.

MONSTER STEAMSHIPS.

Shipbuilding company has secured con-
tracts for building three immense ves-
sels, one of which is the largest ever

long and larger than the Oceanic. The
others are to be 610 feet long. The ves-
sels are for the Transatlantic line.

naces in the Chattanooga district today

A VIRGINIA MAN- SHOT HIS RIVAL

Who Was Riding With the
Girl Whom He
Loved.

Richmond, July 24.—Howard San-
dridge and L. V. Parr, two well known
young men living near Towleville,
Amherst county, were rivals for the
hand of Miss Bowles. Yesterday San-
dridge took the girl buggy riding. This
offended Parr, who mounted his horse,
pursued and overtook the couple, firing
three shots at Sandridge, probably fat-
tally wounding him. After Parr shot
Sandridge he forced the young lady to
enter the buggy with him and drove to
the church. Parr was arrested and
lodged in the Lynchburg jail. There are
fears of lynching.

FIRST REGIMENT BAND GOES TO THE 29TH

Chief Musician Coe and Three Playe
Enlisted Yesterday.

There are now at the local recruiting
offices six officers who are kept busy re-
ceiving recruits for the volunteers.
Lieutenant F. F. Colten, of the Twen-
ty-seventh, arrived in Asheville Satur-
day to recruit men for his regiment.
His headquarters for the present will
be at the regular station in the Max-
wellton building.
Lieutenant Holmes Conrad, of the
Twenty-ninth, arrived yesterday to as-
sist Lieutenant R. O. Patterson. Lieut-
enant Patterson, Lieutenant Conrad
and Corporal Gage will leave tomorrow
for Waynesville, where they will re-
main until Saturday enlisting men for
the Twenty-ninth. They will then go
to Bryson City, where they will remain
about a month in the same work.
Corporal Clarke, of the Tenth infan-
try, will arrive in a few days from Ma-
tanzas, to assist Recruiting officer Lev-
enson in enlisting for the regular army.
All the men now received are for the
volunteer regiments.
Yesterday Charles Coe, director of
the First regiment band; Evaristo Da-
gado, J. G. Sims and R. E. Frazier,
members of the band, enlisted as mus-
icians in the Twenty-ninth volunteer in-
fantry.
Last Friday the recruiting station
received a telegram authorizing the en-
listment of all possible members of the
First regiment band for the Twenty-
ninth, and offering Mr. Coe the position
as chief musician. As the band is un-
der contract to play at Greensboro at
the firemen's tournament, the war de-
partment was wired that the men could
not leave for Fort McPherson until af-
ter that date. The reply was received
yesterday stating that the men can en-
list now, and be allowed to complete
their engagements here, leaving for
their camp August 10. With this un-
derstanding the four men named enlisted
yesterday. Mr. Coe says he will enlist
at least three-fourths of the present
band.
William R. Blankenship, of this city,
has enlisted in the Twenty-ninth and
gone to Fort McPherson.
Those who enlisted in the Twenty-
ninth yesterday were T. E. Hughey, A.
Cordell and G. Cordell, of this city; W.
Owen, F. L. Harris, J. Cole and E.
Thomas, of Madison county, and H.
Honeycutt, of Macon.
J. Hill, of Greenville, Tenn., enlisted
in the Twenty-seventh yesterday.
These men all leave to join their regi-
ments today.

OFFICIALS HOPEFUL

Tupper's Threatening
Speech Has No Ef-
fect at Washington.

A Temporary Understanding
Will Shortly be
Reached.

Some Talk of Concessions to
Canada, But Not
Credited.

As United States Owns the Property
Canada Has Nothing to Lose
in Arbitration.

Washington, July 24.—Despite the
threatening speech of Tupper a very
hopeful feeling in regard to the Alas-
kan boundary negotiations prevailed in
official diplomatic circles today. It was
said by an official who was familiar
with every stage of the negotiations
that he was hopeful that a temporary
understanding concerning the bound-
ary would be reached shortly. Can-
ada as showing a more reasonable spir-
it, he said, and has signified her will-
ingness to make concessions. There is
some talk today about compromising
the dispute by an offer on the part of
the United States to grant England
harbor privileges on the Lynn canal,
but it is not likely that the United
States will make additional concessions
in this respect. Officials here are dis-
posed to laugh at the statements of
Laurier and Tupper that the United
States is afraid to submit the dispute
to arbitration because its case is weak.
It is contended by Washington author-
ities that this very claim of Canada
shows her case is weak, for the United
States hold most of the territory in
dispute, and in the decision of an ar-
bitrator, Canada would have nothing to
lose if the decision was against her,
and everything to gain if in her favor.

ROOT, NEW SECRETARY OF WAR, IN WASHINGTON

Held a Conference With the President
Until After Midnight.

Washington, July 24.—Elihu Root,
the new secretary of war, arrived in
Washington at 10:30 tonight, and drove
to the Arlington, where he was met by
Cortellejo, acting secretary of war.
Presently he was escorted to the white
house. He remained with President
McKinley until after midnight. He
will have a further conference tomor-
row.

A LATE CAR.

Regular Trips on Depot Line Until
One O'Clock.

Beginning with last night the Ashe-
ville Street Railway company put on a
late car, making regular trips from
Patton avenue to the passenger depot
from 11 o'clock until the 1:10 train ar-
rives from Salisbury and the east,
which it will meet.
The car will leave the square at 11
o'clock for the depot and will make two
regular forty-five minute trips. Then
the crew will take the Battery Park
special and get passengers from the
Battery Park and also take the ex-
press car down to the depot, making
the regular run of the special on the
same schedule.
When the new trains were recently
put on the Southern it greatly increased
the work of the crew of the Battery
Park special, and they could only get
about three hours of sleep at one time.
To alleviate this one of the late crews
of the regular cars will run later, re-
lieving them of that train.
