THE URDENETA IS RESCUED

The Wrecked Gunboat Floated and Brought to Cavite For Repairs.

Insurgents' Fruitless Efforts to Prevent Rescue.

Orani Shelled by the Warships and Set on Fire.

Otis Reports a Number of Sharp Engagements.

INFANTRY ATTACK ON ENTRENCHED BAND OF ROBBERS IN NEGROS-SIXTY FILIPINOS KILLED WHILE THEY WERE ATTACKING CALAMBO.

Manila, Wednesday Evening, Oct. 4.—Commander Cornwall's expedition sent to destroy the town of Orani in retaliation for the sinking of the gunboat Urdaneta, has returned to Cavite. On Monday the expedition, which comprised the gunboats Callac, Petrel, Helena and Mindora, ascended the Orani river, on which Orani is situated, as far as navigable, and a party, under Captain Franklin, was sent to the wreck of the Urdaneta, protected by the fire of the war ships.

An examination of the Urdaneta revealed the fact that she was riddled by the insurgents, and the mast, smokestacks and deck destroyed. Her hull, however, was intact, and it was decided to raise her.

THE WRECK FLOATED.

A detachment of two hundred sailors and marines was landed and the insurgents were driven out of the town. The work of raising the Urdaneta then began. The insurgents tried to prevent it but the opposition was weak and they soon withdrew beyond range.

The holes in the gunboat were plugged and the vessel finally floated to Cavite for repairs. Yesterday the warships bombarded Orani, the shells setting it on fire. The expedition suffered no casualties.

MARINES ATTACKED.

Last night a small party of blue-jackets from the Baltimore, while crossing the Bacoor river, were found on by the insurgents from the river bank. Three were wounded. Two others swam ashore and alarmed the troops at Bacoor. A detachment was sent to the scene but the insurgents had fled. The wounded men were rescued.

During a cavalry reconnaissance near Mexico, it was learned that two privates of the Twenty-fifth infantry are prisoners at Magalang.

REPORT FROM OTIS.

INSURGENTS FIERCELY ATTACK OUR OUTPOSTS AT TWO POINTS.

Washington, Oct. 4.—The war department received the following cablegram from General Otis today:

"Manila, Oct. 4.—Captain Poore, of the Sixth infantry, attacked an entrenched robber band at Negros on the first instant. Lieutenant Grubbs, Sixth infantry, was killed; Dr. Sillcock and three enlisted men slightly wounded. Twenty of the enemy were killed, including two leading robbers, and twelve rifles and a large supply of ammunition and stores were captured. Poore's action is highly commended.

"The insurgents west of Bacoor and Imus, Luzon, attacked the line of communication. Captain Eldridge, Fourteenth infantry, was killed; Lieutenant Burgess, Fifth artillery, wounded. A number of enlisted men were killed. A number of wounded men were killed. Full report is not yet received. The enemy was driven west and south with reported heavy loss.

Yesterday the enemy attacked Calamba and were driven off some distance into the country; our casualties two enlisted men killed, seven wounded. Sixty insurgents were killed and number of wounded unknown.

The Fourth cavalry made a reconnaissance yesterday from San Antonio and Arayat. One man was killed. The insurgents were driven back with considerable loss. On an advanced picket post, three men from San Antonio Santa Rita, west of San Fernando, were killed yesterday by Bolomen. It was the result of carelessness or overconfidence in the natives. (Signed) Otis."

CHICAGO'S FALL FESTIVAL OPENS IN SPLENDOR

A Great Display Last Night in the Court of Honor.

Chicago, Oct. 4.—The city was brilliantly illuminated tonight, marking the formal opening of the fall festival. The streets were crowded with visitors. This evening the cords binding the banners lining both sides of the court of honor on State street were cut and 25,000 yards of red, white and blue bunting were released. Shortly after this the festoons connecting the Venetian masts and triumphal arch pylons were alight with 12,000 electric lights. The scenes on State street from Lake street to Van Buren resembled the splendor of the world's fair. The public decorations have been greatly augmented by profuse displays of bunting.

Aside from the illumination and band concert in the court of honor there was no further program today. It is estimated that half a million visitors will attend the festival.

NEWS OF THE LOSS OF A WILMINGTON VESSEL

The Edna and Emma Towed Into St. Pierre Bottom Upward.

It said the schooner had been towed into St. Pierre bottom upward and sold by the French government. The schooner left Wilmington, N. C., April 14, for Baltimore with a cargo. It is supposed the vessel was caught in the big storm last spring and capsized. Nothing was ever heard of the crew.

Unless they do, it is stated, Gage will not be disposed to select any one bank to which to send the silver.

Why So Many Wear Glasses?

The advance of civilization imposes increased labors upon our eyes.

Peddlers and reckless methods employed by people in fitting their own eyes cause much of the trouble.

Eye defects that were once thought to be incurable are now entirely relieved by the timely use of glasses. Examination free.

ADMIRAL DEWEY'S PLANS FOR FUTURE WORK

Will be Occupied in Washington for Some Months.

Washington, Oct. 4.—Admiral Dewey took luncheon at the McLean residence and this evening was a guest at the dinner of Mrs. Washington McLean and Mrs. Hazen, her daughter, at the country residence of John R. McLean.

After the Boston ceremonies Dewey is expected in Washington to meet his colleagues of the Philippine commission. When the details were arranged the admiral walked to the white house to keep an appointment with the president to discuss the Philippine situation.

KENTUCKY'S REGISTRATION

Frankfort, Ky., Oct. 4.—The registration figures show a falling off from the McKinley-Bryan vote. Goebel men claim gains in a majority of the towns.

To the Public:

I desire to inform my patrons and public generally that I have sold to Mr. Clarence Sawyer my grocery business at No. 6 Court Square. I also want to extend my most grateful thanks to the kind and generous citizens of Asheville for their liberal patronage which for the past 18 years has made my business a success.

Mr. Sawyer was born and raised in this community, and I can safely say has the confidence of all. I am sure his greatest endeavor will be to maintain the business at its present high standard. He will have many advantages that should commend him to the thoughtful buyer, his own business experience, experienced help, buying in large quantities, buying for cash, and in many instances direct from the manufacturer. I trust my friends will favor him with their patronage.

Again thanking you most cordially for all past favors, I am gratefully,
W. F. SNIDER.
