CLOSING DAY OF FALL FESTIVAL

Grand Banquet in Auditorium Marks the End of Chicago Day.

Speeches Were Made by McKinley, Long and Others.

President Laid Cornerstone of New Federal Building.

Also Received Delegations From Canada and Mexico.

PRESIDENT REVIEWS PROGRESS OF THE NATION, AND SAYS GRAND TRIUMPHAL MARCH OF HUMAN LIBERTY HAS NEVER PAUSED FROM PLYMOUTH ROCK TO THE PHILIPPINES.

Chicago, Oct. 9.—The closing of Chicago day of the Fall festival was celebrated tonight by a grand banquet at the Auditorium. A thousand sat down to the feast. The banquet hall was beautifully decorated. Speeches were made by President McKinley, Secretary Long and Premier Laurier, of Canada, Vice-President Mariscal, of Mexico, and others.

President McKinley, replying to the toast, "The Nation," reviewed its progress and said that freedom was more universal under the flag than when the union was formed, and that the grand triumphal march of human liberty had never paused from the Plymouth Rock to the Philippines.

He paid a glowing tribute to American patriotism and heroism, and predicted that Providence would never relax His hand until the Americans had completed the mission He had assigned them. He was enthusiastically applauded.

Secretary Long responded to the toast, "The Navy." It was a busy day for President McKinley. He held receptions at the Auditorium and at the Union League.

DELEGATES RECEIVED.

Chicago, Oct. 9.—The Mexican delegation, headed by Vice-President Mariscal, and the Canadian delegation, under the leadership of Premier Laurier, were received by President McKinley in the Auditorium annex this morning.

Senator Mariscal was presented by Ambassador D'Aspiroz, of Mexico, who in turn presented the other members of the party. The Canadian party was then received. General McKibbin presented Premier Laurier and the latter in introduced the remainder of the party.

CORNERSTONE CEREMONIES.

Surrounded by men who guide the diplomatic relations of the three governments, Mexico, Canada and the United States, and in the presence of thousands of spectators, President McKinley formally laid the cornerstone of the new Federal building of Chicago. The event was the crowning feature of the week's celebration, marking the annual observance of Chicago day. When President McKinley threw the first trowel full of mortar under the uplifted block of limestone and pronounced the cornerstone set, one of the most notable gatherings ever in Chicago looked on.

THE PARADE.

The military, naval and civil parade this afternoon was reviewed by President McKinley, Don Ignacio Mariscal, minister of foreign affairs of Mexico, Premier Laurier of Canada, and other distinguished guests of the city. The day was fine and the line of march was jammed with spectators. The parade began to form as the ceremonies of laying the cornerstone of the federal building concluded. The parade was led by the chief of police and staff with a battalion of police. Following came the Mexican band of 48 pieces and an American band of 60 pieces, preceding Chief Marshal General Westy Merritt and staff, of which General M. V. Sherridan acted as chief. Next came Colonel Edward C. Young and staff, followed by the First Illinois cavalry, under command of Major Frank E. Alsop, Assistant Chief Marshal Joseph B. Stockton and staff and Colonel C. W. Lains, adjutant general, with over 200 aides de camp, followed. Nine divisions of the parade followed consecutively.

BRIGADIER GENERALS

GENERAL LAWTON AND GENERAL M'ARTHUR WILL BE APPOINTED.

Washington, Oct. 9.—Six officers of the regular army will be promoted to the grade of brigadier general on the retirement of Brigadier General Shafter on October 16th. Among those to be promoted will be Colonel Owenshine, and either General Lawton or General MacArthur will be another one of the new brigadiers. It has not been definitely decided which of the latter two will be appointed, but the one not promoted this time will be promoted on the retirement of General Anderson on January 21st. The promotions of Generals Lawton and MacArthur are to be made on account of their services during the war with Spain and the Philippines.

NEWARK TO GO TO PHILIPPINES

THE SQUADRON FOR BLOCKADE OF LUZON WILL NUMBER TEN VESSELS.

A Lack of Seamen Embarrassing the Department.

Congress Failed to Provide an Adequate Increase, and Several Ships Out of Commission Cannot be Used—Dewey's Plan Will be Carried Out by Watson.

Washington, Oct. 9.—The navy department today assigned the Newark to the squadron that will be sent to reinforce the fleet in the Philippines. With the addition of the Newark, the reinforcements will number ten ships. More vessels will probably be selected very soon. The greatest difficulty the department has to contend with is the lack of seamen. Congress failed to give an adequate increase in the enlisted personnel, and as a consequence the department is seriously embarrassed. If the men were available, several ships now out of commission could be called into service and sent.

Admiral Dewey's plan for tightly blockading Luzon will doubtless be successfully carried out by Admiral Watson with the increased force provided.

VOLUNTEER REGIMENTS

TWO WILL PROCEED TO PLACE OF EMBARKATION.

Washington, Oct. 9.—Nearly fifteen thousand recruits have been secured for the twelve volunteer regiments. Exclusive of the two colored regiments, one of which has 1,148 men and the other 575, there are enough volunteers now on hand to compose the ten regiments. Five of the regiments have more than their quota, but the recruiting will continue until each regiment has been filled. Everything is being done to get these twelve regiments in shape for their departure for Manila at the earliest date. Two of the regiments have already received orders to proceed to their places of embarkation.

FEELING GROWING BETWEEN SPANIARDS AND CUBANS

Spaniards Want Order Repealed Forbidding Display of Their Flag.

Havana, Oct. 9.—The mayor's order forbidding the display of Spanish flags, is intensifying the feeling between the Spaniards and Cubans. The order is bringing the Spaniards and Americans closer together. The Americans are not blamed or it. They know that General Ludlow approved the order, but are confident General Brooke did not, and they are urging him to make it apply to all foreign flags.

BRYAN'S SICKNESS REFUTED BY TELEGRAM

OUTSKIRTS OF MANILA ATTACKED

Insurgents Speedily Repulsed, Three Americans Wounded.

Residents of Tond District Knew of Attack.

Created Some Disturbance, but Patrols Quieted Them.

The Marines Have Been Remarkably Brave in all the Fighting.

NUMBER OF ENEMY ESTIMATED AT FOUR THOUSAND—ADVANCE WILL BE MADE TODAY ON SAN FRANCISCO DE MALBON—INSURGENTS REPORTED SHORT OF AMMUNITION.

Manila, Monday Evening, Oct. 9.—The insurgents attacked the American lines near Laloma, on the outskirts of Manila, today, but were speedily repulsed. Three Americans were wounded. When the news of the attack reached Manila the Filipino residents of the Tond district, who have been restless for some time, and were evidently aware that the attack was to be made, created a disturbance, which was quickly suppressed. Strong patrols are patrolling the affected district.

At 10:30 p. m. everything was quiet. The Thirtieth regiment, which is operating south and southwest of Bacoor, is encamped at Santa Cruz. General Schwan has established his headquarters at Malabon. There have been frequent skirmishes between the Filipinos and American outposts. The number of the enemy is estimated at two thousand. An advance will be made tomorrow morning on San Francisco de Malabon.

An escaped Spanish prisoner has arrived in the American lines. He says the insurgents have some artillery, but lack ammunition, and their evacuation of Cavite, Viejo and Novalata yesterday was due to the latter.

The brigade of marines, who participated in yesterday's operations against Novalata, is composed of men who so distinguished themselves at Calmanera, where they fought the first American battle on Cuban soil, and brilliantly held their position for many days against a superior force.

They did the principal fighting yesterday. They were ambushed at one point of their march against the town but did not hesitate. They routed the Filipinos and kept steadily on to Novalata. In the engagement they lost three killed and thirteen wounded.

SUNDAY'S FIGHTING.

GENERAL OTIS' REPORT TO THE WAR DEPARTMENT.

Washington, Oct. 9.—The war department received the following from General Otis yesterday:

"Schwan, with a column of 1,726 men, the Thirtieth infantry and a battalion of the Fourteenth infantry with cavalry and artillery, left Bacoor yesterday morning and proceeded to Novalata. He encountered heavy opposition at Old Cavite and beyond, but drove the enemy, capturing two guns and inflicting damage. His casualties, Captain Saffold, Thirtieth infantry, killed; Captain McGarth, Fourth cavalry, seriously wounded, ten enlisted men wounded. The column in entering Rosario this morning, meeting slight opposition. The naval vessels and marines at Cavite made a demonstration on Novalata yesterday while Schwan advanced at the same time. The troops at Imus attacked the insurgents at San Nicholas, two miles east of the city, and drove them from the road intersecting there. Four men were slightly wounded. The enemy left six bodies on the field."

To the Public:

I desire to inform my patrons and public generally that I have sold to Mr. Clarice Sawyer my grocery business at No. 6 Court Square. I also want to extend my most grateful thanks to the kind and generous citizens of Asheville for their liberal patronage which for the past 13 years has made my business a success.

Mr. Sawyer was born and raised in this community, and I can safely say has the confidence of all. I am sure his greatest endeavor will be to maintain the business at its present high standard. He will have many advantages that should commend him to the thoughtful buyer, his own business experience, experienced help, buying in large quantities, buying for cash, and in many instances direct from the manufacturer. I trust my friends will favor him with their patronage.

Again thanking you most cordially for all past favors, I am, gratefully,

W. F. SNIDER.

Why So Many Wear Glasses?

The advance of civilization imposes increased labors upon our eyes.

Peddlers and reckless methods employed by people in fitting their own eyes cause much of the trouble.

Eye defects that were once thought to be incurable are now entirely relieved by the timely use of glasses. Examination free.

ABOLISH PRESS CENSORSHIP

REPORTED THAT OTIS DIDN'T GIVE MARINES FULL CREDIT SUNDAY.

Navy Department Resented Such an Action.

Censorship has Been Abolished Since September 9th, and Correspondents Now Only Have to File a Duplicate Copy of Reports for Reference.

Washington, Oct. 9.—The announcement was made today that General Otis had abolished the censorship of press despatches. It was made in connection with the complaints made that newspaper reports from Manila about the attack on Novalata yesterday minimized the part taken by the marines. There was some feeling over this matter by the navy department, and there was a disposition to accuse General Otis of having applied the blue pencil. General Otis removed the censorship September 9, last, after some correspondence with the war department. All that is required now of correspondents is to file duplicate copies of their reports for reference.
