Attorney General Walser has been invited by President Winston to deliver an address before the A. & M. College, Raleigh, on the subject of the three departments of the state government, and the practical workings thereof.

In the case of McGowan, of Wilmington, who was charged with contempt of court by Judge Purnell, at Raleigh, his honor held that McGowan was clearly guilty of contempt, but on account of his advanced age he suspended judgment and dismissed him.

The population of Stokes county in 1860 was 10,402, of whom 2,469 were slaves.' The productions were 16.004 bushels of wheat, 225,000 of Indian corn and 42,636 of oats. There were six iron forges, nineteen tobacco manufactories and 1,035 pupils attending the public schools. Germanton was the' county seat .- Danbury Reporter. .

Mr. Mage Smith, who lived near Peachland, Anson county, was found dead in the woods near the depot at Wadesboro Tuesday morning. He has been attending court and the last seen of him alive he was going to the depot to take the train for home. The dead man's pockets had been rifled and his watch was gone, and it is therefore assumed that he was murdered and robbed.

The Lexington Dispatch says that parties from Silver Hill bring news of a rich discovery of ore at the mines at that place last week. Workmen struck a new vein about one hundred feet deep from the top of the earth and over fifty pounds of pure, native silver was taken out last week. Besides the silver quite a quantity of gold was found. The find is a very rich one and interest in this well known mine is greatly revived by the discovery.

medical man can move with success outside his experience and training. For that reason the local doctor, often gives up as hopeless a case which is quite curable when greater skill and experience are brought to bear.

It is the so-called "incurable" and "hopeless" cases, which come in such numbers to Dr. R. V. Pierce, of Buffalo, N. Y., for treatment. Men and women with weak lungs, obstinate coughs, emaciated bodies and fevered cheeks have found in Dr. Pierce's Golden Medical Discovery the true elixir of life. "The blood is the life " and the " Discovery " by increasing the activity of the blood making glands, and restoring to healthy action the digestive and nutritive organs, places the entire system in a condition to throw off disease. There is no alcohol, opium, or other narcotic, in "Golden Medical Discovery."

Mr. Chas. Hunwick, of Lenox, Macomb Co., Mich., writes. "I have never felt better in my life than I do now. I have taken Dr. Pierce's Golden Medical Discovery right along. I think I am doing finely. I do not cough now and I can sleep like a school boy. I think I will have to change my mind about 'Patent Medicines,' as I never had much faith in them; but you must know that I have been treated in two hospitals and by three doctors besides, and received ro benefit; so I think your medicine is the only medicine for me."
