A man like that should be sentenced to live for thirty d_vs in a room where all the walls were mirrors. He would then get sick of his own unwholesomeness, just as other people do. Such a man should have an honest protrait that did not flatter him always before his eyes. When a man's stomach is right and his digestion is right, his blood will be pure and rich and he will be wholesome and healthy physically. Dr. Pierce's Golden Medical Discovery makes a man right in every way by making his stomach, liver and digestion right.
