CHRISTIAN ENDEAVOR.
The State Convention Occurs From April 26 to 29.

Everything is in readiness for the Christian Endeavor State convention to be held in Raleigh next week, April 26-29, and every indication is that this will be in every way an interesting and helpful convention.

It was my privilege to be in Raleigh last week in the interest of the convention. Many of the merchants, all whom I had time to see, willingly consented to use the Christian Endeavor state colors in the decoration of their places of business during the convention so we look for an elaborate display of green, yellow and white during those days.

Rev. Dr. Ivey of Raleigh, and other speakers have been added to the list of those who will take part in the program. The "Quiet hour" prayer meeting on Sunday morning will be held with the Prison C. E. society at the penitentiary. Let us have a large attendance at the convention.

ROBERT LYTLE DEAD
His Body Found in Cherokee County—Indians Arrested on Suspicion.

It was learned from a brother of the deceased who was in the city Thursday that Robert Lytle, of Fairview, was killed several days ago. He was in the logging business near the Tennessee line. It was known that he was on his way home for a visit, riding horseback. Some persons found a horse grazing with a saddle on near the Cherokee county line, and on further search found the dead body of Lytle lying hidden in a thicket with brush piled over him. His clothing was all gone. He had about \$300 in money, a gold watch and two revolvers when he started. Two Indians have been arrested on suspicion.

It is said that the deed was committed by men at the camp, who knew Lytle started out with this money and that they are arousing suspicion against the Indians to divert it from themselves.
