DOES IT PAY TO BUY CHEA? A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but always inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. TRY ONE bottle. Recommended many years by all druggists in the world. For sale by W. C. Carmichael.

CAROLINA NEWS.

The wheat harvest is now on. There is a large crop in Burke and the wheat is the best in years.

Rev. W. A. Lutz has accepted the presidency of the North Carolina college to which place he was elected recently.

At the request of the state board of health, the agricultural department will provide its biological laboratory with the necessary equipment so that it will be able to discover the elusive typhoid bacillus in drinking water.

Blanton Bros. received an order this week from a lady in Porto Rico for a pair of shoes. The lady formerly resided in Asheville and was a patron of J. D. Blanton, senior member of the firm of Blanton Bros., while he was in business there.—Marion Democrat.

A correspondent of the Charlotte Observer says that last Friday a little child of Mr. Hampton Fowler, who lives three or four miles north of Monroe, was swinging in a common swing, when, in some manner, the child got the rope around its neck, lost its hold on the seat and was strangled to death.

Something over a year ago there moved into Burnsville township, this county, two men of the name of Anderson. The men seemed very peculiar and resented any effort on the part of their neighbors to make their acquaintance. They came to this county from Virginia, and we are told by several who have had some conversation with them that they are evidently well educated and intelligent. They will not allow a woman about them, doing all their own cooking, sewing, etc., themselves. When they first settled in Burnsville township they had a good horse which was given them by a brother, who is said to be a well to do traveling man. Recently the horse died, since which time they have been cultivating their small crop with a milk cow. We are told that one of their neighbors assisted them in breaking the cow to a plow on a Sunday, and that now she is a very good work animal. They continue to milk the cow, both night and morning, just as they did before putting her to the plow.—Wadesboro Messenger-Intelligencer.

STRINGFIELD NOMINATED.

At Senatorial Convention Yesterday at Waynesville.

Waynesville, June 16.—Mr. T. L. Green went to Canton today, returning on the afternoon train. Hon. W. T. Crawford left this morning for Jackson county.

Mr. J. M. Gudger, Jr., of Asheville, was here today attending the latter half of the democratic senatorial convention, which nominated Major W. W. Stringfield. Mr. Gudger, in the course of a speech, said that the democrats had given the colored people of this state insane asylums, schools, etc., but the negroes had gone to the polls in a solid phalanx and voted against them and now they intended that these negroes should be disfranchised. Only about seventy-five people attended the convention.

Mr. J. L. Lindsley arrived from Sanford, Fla., yesterday, and will run the book department and soda fountain in McIntosh & Co.'s drug store. Summer visitors continue to come in and the indications are that an immense crowd will be here this season.

Mrs. D. C. Morgan, of Anniston, Ala., is in the city visiting her parents, Mr. and Mrs. D. L. Boyd.

Mr. Sam White, of Mebane, N. C., is spending several days in town.

Mrs. J. C. Calhoun and daughter, Miss Mary, and Miss Canty Reed are stopping at the Ratcliff house.

STILLS CAPTURED.

Number of Seizures of Registered Distilleries in June Large.

The revenue agents in Collector Harkins' district have been particularly busy during this month. More distilleries have been seized than for some time previous. Most of them were registered distilleries, too. The largest one in the district, belonging to Mr. Taylor, near Salisbury, was seized but released from bond later and has returned to work.

W. H. Reneger's distillery in Yodkin county was seized, with thirty barrels of spirits, one pair fine mules, a large still and complete equipment. There have been illicit stills and other seizures made this month, but less than usual. The total number of registered distilleries captured since June 1 is seven, all for irregularities.

CONFIDENCE.

Can be established with very little effort in proving our claim to the lowest prices. You have bought goods before; turn back and see what they cost you; compare them with these quotations and figure the saving. We never buy a thing that we submit to you without employing these safeguards; that is what gives us confidence in ourselves. The same method will give you increased confidence in the I X L Grocery Store. Arm in arm with your confidence will come your patronage; compare quality with quality, price with price; it will show you where we lead. See the ad on page 8.

THE GREAT REMEDY of the day is unquestionably Pain-Killer, for the instant relief of all burns, scalds, bruises, etc., and for pains in the stomach and bowels as well as in sudden attacks of cholera morbus. No family should pretend to keep house without it always by them. Avoid substitutes; there is but one Pain-Killer, Perry Davis'. Price, 25c. and 50c.

Senator Marion Butler will address the people's party mass-meeting at Wentworth, N. C., June 23d.

BREVARD EPWORTH SCHOOL.

Plans Finished and Forwarded to the Building Committee.

Architect Melton has finished the plans for the new Epworth school building at Brevard, which will begin at once, and the fall term opened in the building. The plans were sent to the building committee at Brevard yesterday.

The building is well adapted to the purpose for which it is intended and contains 58 rooms with halls and vestibules. It is of frame, three stories high, with a basement of stone. A large veranda is on the front.

STREET INCIDENT.

"My dear sir," exclaimed Lawyer Bartholomew Livingston, meeting the Rev. Dr. Archibald Windham on the village street, "what does this mean? I thought you were laid up with all sorts of bad diseases!"

"And I was," replied the reverend gentleman, "I had an attack of indigestion and from that time on my whole system has been in a disordered condition until I began taking Hood's Sarsaparilla which has put me on my feet and cured all my stomach troubles."

"I don't doubt it," said the lawyer. "This same medicine cured my wife of rheumatism and my little girl of scrofula. When they say it's the best medicine money can buy they only tell the truth."

"Yes, yes, so they do," replied the minister, and the two passed on.

CASTORIA.

The Kind You Have Always Bought

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. Babcock, Erie, Pa. It is for sale by C. A. Raysor.

Ivy poisoning, poison wounds and all other accidental injuries may be quickly cured by using DeWitt's Witch Hazel Salve. It is also a certain cure for piles and skin disease. Take no other. Dr. T. C. Smith.
