She only weighed 90 pounds when her doctor in Yorktown said she must soon die Then she began to use Dr. King's New Discovery and gained 37 pounds in weight and was completely cured. It has cured thousands of hopeless cases and is positively guaranteed to cure all Throat, Chest and Lung diseases. 50c. and \$1.00. Trial bottles free at all drug stores.

A vast amount of misery is caused at this season, however, by impoverished blood, poor appetite and general debility. These conditions may be remedied by enriching the blood and toning the stomach with Hood's Sarsaparilla. This medicine seems to put new life into the whole physical system, simply because of its wonderful power to purify, enrich and vitalize the blood, create an appetite and invigorate the digestive functions. We advise you to get a bottle and try it if you are not feeling just right. It will do you more good than a six weeks' vacation. It is the best medicine money can buy.

If some people were not in debt they would have nothing to worry about.

"We have sold many different cough remedies, but none has given better sat-isfaction than Chamberlain's," says Mr. Charles Holzhauer, Druggist, Newark, N. J. "It is perfectly safe and can be relied upon in all cases of coughs, colds or hourseness. Sold by C. A. Raysor.
