Labor Commissioner Lacy tried to get the sentiment of the people of this state on compulsory education. "Do you favor compulsory education?" was asked, and 274 farmers answer "Yes," 86 "No" and 18 do not answer. In the trade, 290 answer "Yes," 41 "No" and 33 do not answer. In the miscellaneous factories, 133 answer "Yes," 10 "No" and 20 do not answer. The decision of Judge Purnell that the Craig domestication law amounts to nothing will certainly cause no loss to the insurance department, for the insurance companies which withdrew from the state after the enactment of that law paid to it some \$12,000 or \$15,000 yearly. As they will probably now return the state will be a gainer.—Raleigh correspondence Charlotte Observer.

Chicago News. Weeping willows should be planted in tiers. If a lazy man is comfortable he is happy. Hope is the dream a man has when awake. It is a sober truth that intemperance is a vice. The plainer a woman is the more she moralizes. A dog may have fleas, but a flea never has dogs. A clear conscience is the trump card in the game of life. Better do a little well than attempt more than you can do. Some men say worse than they mean and some mean worse than they say. An egotist is a man who is too full of himself to hold anything else. A Wonderful Cure of Diarrhoea

A Prominent Virginia Editor Had Almost Given up, but was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Read His Editorial. From the Times, Hillsville, Va. I suffered with diarrhoea for a long time, and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow sufferers that I am a hale and hearty man today and feel as well as I ever did in my life.—O. R. Moore. Sold by C. A. [unclear] druggist.

QUESTIONS ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower in liquid form to make you satisfied; there is nothing serious the matter with you. For sale at W. C. Carmichael's.

WHAT NOT TO SAY.

Do not say, "I can't eat." Take Hood's Sarsaparilla and say, "I am hungry all the time, and food never hurts me." Never say to your friends that you are as tired in the morning as at night. If they happen to be sharp they will tell you Hood's Sarsaparilla cures that tired feeling. Do not say, "My face is full of pimples." You are quite likely to be told by some one, "There's no need of that, for Hood's Sarsaparilla cures pimples." It is improper and unnecessary to say, "My health is poor and my blood is bad." Hood's Sarsaparilla will give you good blood, and good health will follow as a natural consequence.
