PRINCE TUAN

A SHARPEGOAT

Chinese Representatives to Express Their Horror at His Crimes

But Persecutions of Christians Do Not Cease.

Some of the Russian Troops Mistake Frenchmen for Boxers

Braves Leave Canton to Suppress Rebellion Instigated by Triads.

GERMANS DEMAND THE POSSESSION OF THE RAILROAD FROM TIEN TSIN TO PEKIN—RUSSIA AGREES TO SURRENDER IT TO THEM.

The Paris correspondent of the Morning Post sends the following: "The representatives of China, I hear, are about to issue a collective manifesto to the powers expressing their horror at the crimes of Prince Tuan."

A despatch to the Daily Express from Hong Kong reports a serious rising of "triads" in Canton, and the whole country to the south is said to be in a ferment.

The Hong Kong correspondent of the Times writes Wednesday, says: "A thousand braves have left Canton to suppress a rebellion instigated by triads at Wai Chau, in the Sa Non district. There is the gravest unrest in the two Kwang provinces and precautions have been taken at Kow Loon."

The Times, discussing the latest German note, says: "Probably all the powers will agree with Germany's proposal, which shows that Emperor William and Count Von Buelow have known how to conciliate the susceptibilities of certain powers, while adhering to the substance of their original proposal."

MISTOOK FRENCH FOR BOXERS. Rome, Oct. 5.—A Taku despatch to the Tribune says that Russian troops mistook the French for boxers in an attack on Spanhal Kwang and fired on them. The French returned the fire. Six Russians and seven Frenchmen were killed.

WON'T JOIN LI HUNG CHANG. Tien Tsin, Wednesday, Oct. 3.—The orders given to Yung Lu (the commander in chief of the northern armies) to join Li Hung Chang have been countermanded.

A landing party from the armored cruiser Aurora has occupied Wan Tao. An order has been sent to Shanghai for the immediate delivery of the plant for the construction of a branch railroad from Tang Ho on the Gulf of Liao Tung, to Ching Wan Tao, also for the erection of a pier to which ships may be moored. It is expected that the work will be completed within two months, thus securing facilities for a winter port.

It is reported that the Russians are moving from Shan Hai Kuan towards Chin Chau.

The Germans have demanded possession of the railroad between Tien Tsin and Pekin and the Russians have agreed to let them have it. The Germans will shortly begin to repair the portion of the road between Yang Tsun and Pekin.

ASTONISHED THE CHINESE. Shanghai, Thursday, Oct. 4.—The astonishment of the Chinese was great when today they received official notification from the viceroy to the effect that foreign pressure had necessitated the degradation of prominent members of the court.

The new German cable from Chefoo to Tien Tsin has been opened. It is reported that the allies will demand an indemnity which will aggregate \$200,000,000.

LI NEARING PEKIN. Tien Tsin, Oct. 3, via Shanghai, Oct. 4.—Li Hung Chang and M. De Giers, the Russian minister to China, had a lengthy conference today, after which it was announced that Li Hung Chang

would depart for Pekin tomorrow. Peaceful conditions prevail.

The failure of the Russians to rebuild the railway to Pekin is causing talk among the commanders of the restoration of the line to the English owners for reconstruction and operation.

The sick among the Americans are being sent to the hospital ship Maine, which will sail soon for Nagasaki and Yokohama.

Li Hung Chang will be accompanied by the Russian admiral, a Russian guard and his own body guard. MORE PERSECUTION OF CHRISTIANS.

London, Oct. 5.—A despatch from Tien Tsin, dated October 2, says:

"General Gaselee claims that the British from the gunboat Pigmy were the first to receive the surrender of the Shan Hai Kwan forts."

The Morning Post's correspondent at Taku asserts that the persecution of Christians has been revived in the province of Shanghai Tsin.

Shanghai despatches announce the dismissal of two Tartar generals, who have been defeated by Russians in Manchuria. The head office of the Chinese commissariat has been removed from Chin Kiang Fu, on the Yang Tse Kiang, to Han Kow, and the viceroys have been ordered to establish branch offices between Han Kow and the province of Shen Si.

By imperial orders, by Chinese troops, artillery stores, which would regularly follow the Grand canal, are now diverted to Shen Si province by way of Han Kow.

CLAIMS OF THE GERMAN PRESS.

Berlin, Oct. 5.—Following the cue of the foreign office the semi-official papers are endeavoring to represent the policy of Germany as triumphant and consistent and to conceal the fact that Germany has been forced by the reservations in the answers of the powers to her proposal to abandon her demand for the giving up of the guilty. These journals are now adopting the usual plan. The Berliner Post and the others represent that Emperor Kwang Su's telegram meets the demands of the German note of September 18. The independent papers, however, freely admit that there has been a transformation in Germany's policy. They point out that the note entirely abandons the proposal as to the surrender of the guilty as a condition precedent to diplomatic intercourse with China.

The Freisinnige Zeitung observes: "Emperor William's telegram is in itself a resumption of intercourse. Punishment by the emperor of China corresponds with the standpoint which the United States government took from the beginning in contrast with Count Von Bulow's note."

Despite the utterances of the inspired press official circles are unable to conceal the logical hiatus between the two notes. A high official of the foreign office remarked today that Great Britain's answer was no longer essential inasmuch as Germany's later note superseded the former one.

The Berliner Tageblatt developing this idea says: "England is no longer forced to choose between the United States and Germany."

GOLF CHAMPIONSHIP.

Wheaton, Ill., Oct. 5.—Vardon, of England, won the open golf championship of the United States here this afternoon, finishing two strokes ahead of his nearest opponent, J. H. Taylor, also of England, after taking 313 strokes for 72 holes. He finished ten strokes ahead of David Bell of Chicago, who won the first place accorded to a resident professional. In addition to winning the open championship, Vardon received \$150 offered by the United States Golf association and a fifty dollar gold medal.

THE INDICTED REGISTRARS

FIRST CASE WILL BE CALLED FOR TRIAL ON NEXT MONDAY.

Majority of Grand Jury That Rendered the True Bills are Democrats.

At Least One Member was a Registrar in the August Election—The Government Ready for Trial of all the Cases.

Special to the Gazette. Greensboro, N. C., Oct. 5.—The indicted registrars of election will be tried in the federal court here next week unless the cases are continued by the defendants. The case against J. T. Thompson, of Forsythe, will be called for trial Monday. The government is ready and demands a speedy trial.

The composition of the grand jury answers the democratic charge that this is a partisan prosecution. Of the entire number of fifty there were twenty-six democrats and four populists. Of the twenty-one selected eleven are democrats. One or more of this number were registrars in the August election. It is a jury of uncommon intelligence.

GOLD DEMOCRATS AGAINST BRYAN

A Strong Appeal to Voters to Save the Country From the Perils That Would Follow His Election.

Indianapolis, Oct. 5.—The executive committee of the national gold standard democrats tonight issued an appeal to the voters of the country urging them to defeat Bryan and save the country from the perils that would follow his election. The address refers to Bryan's seeking the presidency on an appeal to the anti-expansion and anti-trust sentiment of the people and says: "Without minimizing the perils of either we affirm no greater evil can befall our country than the impairment of its vigor, the destruction of its credit and the ruin of our industries, which Bryan is specifically pledged to effect if he should get the power."

A TERRIBLE CRIME.

Woman Commits Suicide After Shooting Three Children.

New York, Oct. 5.—Mrs. Lillian Smith shot her three children, killing two, and then with the same pistol committed suicide at Kingsbridge today. Temporary insanity due to nervous trouble drove her to the deed. Andrew, one of the children shot, who was eight years old, died instantly; Mabel, another, died in the hospital to-night. The eldest daughter, Ethel, 13 years old, is in the hospital severely wounded. After shooting the children the mother attempted to force carbolic acid into their mouths.

YOUTSEY'S TRIAL.

Motion to Discharge Defendant on a Technicality Overruled.

Georgetown, Ky., Oct. 5.—When the Youlse case was called this morning in the circuit list of witnesses that the sheriff of Breathitt county had failed to summon was called but none answered present, though the returns showed that all had been summoned since Wednesday. Mr. Crawford reported that the sheriff of Knox county had made no response at all to the rule and said that the defendant wished to await a response. Judge Cantrill said the defense had been given ample time to prepare for trial and must now proceed if the commonwealth was ready.

The commonwealth insisted on trial, and the judge ordered the regular panel of jurors to be called. Colonel Nelson moved to discharge the defendant because the indictment filed in this county was only a copy. Overruled. A motion for postponement was then filed and overruled.

ANOTHER GOLD FIND.

A Sensational Discovery Reported in New South Wales.

Victoria, B. C., Oct. 5.—A newspaper received here today from Sydney, New South Wales, by the steamer Mioweria, says a sensational gold discovery has been made at Long Flat near Gundagai, New South Wales. Pieces of gold covered with oxidized iron have been found, many pieces weighing up to three quarters of a pound troy. Fully 2,000 ounces were obtained. Half a prospecting dish of fine dirt taken out of a shute panned out about 25 ounces of gold.
The gold shows quite as good in the roof drive, there being apparently a seam of almost pure gold.

CHARGED WITH FORGERY.

Two Men Arrested for Simulating a Millionaire's Signature.

New York, Oct. 5.—Albert T. Patrick, the New York attorney, and Charles F. Jones, private secretary of the late William March Rice, were held in \$10,000 bail this afternoon on a charge of forgery in the second degree in simulating the signature of Rice to two checks for \$65,000 and \$25,000 respectively. The examination was set down for Monday. No attempt was made to secure bail for the accused and they spent the night in the Tombs.

THE PROHIBITION CAMPAIGN.

Chattanooga, Oct. 5.—The prohibition special arrived in this city at 10 o'clock today from Harrison and was met by a large reception committee of prominent citizens. Mr. Van Gilder's brother has been here during his illness, and a sister is expected to the funeral.

A meeting of the Asheville Bar association has been called at 11 o'clock today, at the court house, to take action in regard to the death of Mr. Van Gilder.

The funeral will be held in the First Presbyterian church tomorrow afternoon at 3 o'clock.

CONCESSIONS TO MINERS

Individual Operators Approve of 10 Per Cent. Increase in Wages.

Railroads Believed to Have Granted Lower Rates.

Italian Non-Union Mine Workers Attacked by Women.

Pelted With Stones as They Were Returning From the Colliery.

THE LAST OF THE THIRTY-NINE READING COMPANY MINES CLOSED DOWN YESTERDAY—STRIKERS VERY CONFIDENT.

Scranton, Pa., Oct. 5.—The feature of the day in the strike situation was the meeting of the individual coal operators' association here today. It was a thoroughly representative gathering. The committee representing the association that went to New York recently is supposed to have submitted its report. It was given out that the meeting decided to approve of the 10 per cent advance offered by the larger concerns.

Although members of the association would not admit it there is no doubt the association received concessions with regard to coal rates. Strike Leader Dilcher immediately telegraphed Mitchell apprising him of the news. He said the action of the independent operators meant that the coal carrying roads had awakened to the situation. He thought victory for the strikers was near.

ATTACKED BY WOMEN.

Hazleton, Pa., Oct. 5.—Eight Italians employed on the night shift of the Calvin Pardee and company colliery at Lattimer, were attacked on the public road leading from that place to Hollywood early this morning by twenty-five women who had marched from Milneville. The women waited to attack the men working in the Lattimer mine as they passed along the road which leads to their homes in Hollywood. A few of the women were armed with clubs, but most of them carried stones of all sizes in their aprons. The first non-striking miners to leave the colliery were the little band of eight Italians. They saw the women on the road ahead of them and suspecting an attack crossed the field in an endeavor to avoid them. The women, however, were on the alert, and they also crossed the field and overtaking the men hurled showers of stones at them. The workmen did not attempt to defend themselves but ran away and were soon out of the reach of the fury of the excited women. One man received a severe cut on the head, while several others were struck by pieces of rocks but were not injured. The women returned to their homes, satisfied with their demonstration.

LAST READING MINE CLOSED.

Philadelphia, Oct. 5.—Confirmation is received at the offices of the Reading company in this city today of the closing down of the North Franklin colliery in the north Schuylkill region. This closes every one of the 39 Reading collieries and not a pound of coal is being mined by that company.
