

people treat themselves for the wrong disease. If you will stop and think a moment, you can avoid or correct mistakes. Did your sickness begin in the stomach? Did it then spread to the Liver, Kidneys and Blood ? If that is so, then you can readily see that by taking a medicine that is good for the Stomach, Kidneys, Liver, Bladder and Blood, you are sure to get at the seat of the trouble beyond question. The very best medicine for the purpose is

HUTTEL USTAR Dr. David Kennedy's Favorite Remedy.

It is the pre-eminent cure for the Kidneys and Bladder. By making those vital organs well, it sifts all acids and poisons from the blood. It sets matters right in the stomach, promoting gentle, easy, natural movements of the bowels, and permanently removing the cause of Indigestion and Dyspepsis.

W. I. Miller, of Rhinebeck, N. Y., says he has used Dr. David Kennedy's Favorite Remedy for a number of years, and finds it the best medicine he ever used for Liver and Kidney Troubles. He recommends it highly.

A large bottle of Favorite Remedy is sold by druggists for \$1, or six bottles for \$5.

ROBBED THE GRAVE.

A startling incident is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim. No one should fail to try them. Only 50c, guaranteed, at all druggists.

TRY THIS TEST. Put some urine in a glass tumbler and let it stand 24 hours. A sediment at the bottom or a milky, cloudy appearance indicates that the kidneys are in a dangerous condition, and that Favorite Remedy is badly needed. Healthy urine is clear and does not stain linen.
