## PROPOSITIONS FROM CHINA

### Which She Would Like Nations to Adopt as Basis of Peace Negotiations.

### Forwarded to Our Government by Conger.

### Satisfied With Punishment Promised for Tuan and Others.

### Von Waldersee Received at Peking With Military Honors

### ESCORTED TO DOWAGER EMPRESS' PALACE—PAO TING FU EXPEDITION FINDS THE WALLS OF CHOU CHON DECORATED WITH THE HEADS OF BOXERS.

Washington, Oct. 18.—An important despatch was received at the state department today from Minister Conger which formed the subject of a conference between President McKinley and Secretary Hay. Conger's message contained a list of propositions submitted in behalf of the Chinese government by Li Hung Chang and Prince Chang, which China would like the powers to adopt as a basis of negotiating peace. While proposals are not indulged in it is believed they are fairly satisfactory and will be acceptable, in principle at least, to the nations concerned. Conger said also that the character of the punishment to be inflicted on Prince Tuan and other leaders of the anti-foreign attack was satisfactory to him.

### VON WALTERSEE ARRIVES.

Peking, Oct. 17, via Shanghai, Oct. 18.—The Peking column of the Pao Ting Fu expedition arrived six miles south of Chi Chow yesterday without encountering opposition. They found the heads of fourteen boxers on the walls at Chou Chou and they killed seven of the imperial troops.

Count Von Waldersee has arrived and has been accorded full military honors. He was accompanied by an escort of international troops to the palace of the dowager empress.

### DEMANDS TUAN'S HEAD.

Paris, Oct. 18.—A Peking despatch from the French minister replying to the note of Li Hung Chang and Prince Ching regarding peace negotiations, remarked that China by recognizing she had violated the law of nations had admitted responsibility to these concerned. He therefore demanded punishment of the guilty persons. Prince Tuan, Chwang Kung Yi and Tung Fu Hsiang, and added until the heads of these officials felt hostilities could not cease. The note sent by the minister states that China offers to treat for peace and accepts the principle that indemnity shall be paid for the destroyed legations.

### VICTORY FOR FRENCH TROOPS.

Shanghai, Oct. 18.—A force of French troops numbering a thousand men have captured Teh Chow, south of Pao Ting Fu. The rising in the southern provinces promises to surpass the Taping rebellion. The commander of the Black Flags has been ordered to return to Canton from Shan Si with his troops.

## THE TRIAL OF YOUTSEY STILL GOING ON

### Campbell Tells of a Conversation He Had With the Prisoner.

Georgetown, Ky., Oct. 18.—In the Youtsey trial this morning the defense put H. Gardner Wallace on the stand. He said he was in the assistant attorney general's office when the shots were fired with "Tallow Dick" Combs and others whom he did not know. The defense then closed finally.

Colonel T. C. Campbell, attorney for the prosecution, was put on the stand for the commonwealth. He said:

"Arthur Goebel and I had a conference with Colonel Nelson and Colonel Crawford in the Capitol hotel, as stated by Colonel Nelson. I gave Colonel Nelson a copy of the statement Youtsey made to me and some questions that I wanted Youtsey to answer. I told him that Youtsey made a verbal statement to me corresponding to the written one I gave them, but before any recommendations could be made to the commonwealth's attorney as to immunity, that we would like to have Youtsey answer the questions we filed and make a signed statement. That was the object of that conference. The paper I read from yesterday was an exact copy of the one I gave Colonel Nelson, and it has not been changed or altered one particle since that time."

S. T. Pence, of Frankfort, manager of the Board of Trade hotel, said he was in the hotel office when the shots were fired that killed Goebel and that Jim Howard was not there.

Rev. T. J. Marksbury, of Georgetown, said he had a conversation with Mrs. Mattie Stamper in June in which she wanted to warn her brother, Wharton Golden, that a lawyer named Leu Sinclair had been fooling around her husband, John Stamper, and had hired him to swear against Wharton; that she thought Wharton was the most truthful boy in the world and that if they put her on the stand to swear against Wharton she would make them sorry for it.

Mr. Frankling asked time and was granted time to telephone to Frankfort for several rebuttal witnesses who missed the train this morning.

## LIPTON HOPEFUL OF WINNING THE CUP

### But Admits That it is Hard to Get Ahead of the Herreshoffs.

London, Oct. 18.—In an interview today Lipton said with regard to his challenge for the America's cup that he had challenged for the best three out of five races. He said Watson would design his new yacht, which would be built this time up to the limit of ninety feet. He admitted that it was no easy task to win the cup when such brainy designers as the Herreshoffs had to be contended with, but he added: "I expect to build a boat that will beat Herreshoff's best efforts."

## BAD WRECK ON THE SOUTHERN

### ENGINE AND MAIL CAR ROLL DOWN A 30-FOOT EMBANKMENT.

### Accident Occurred Short Distance From Hall's Station.

"Bad" Poindexter Stood by this Engine—Passengers were Badly Frightened but Sustained no Injuries—Engine and Car a Wreck.

A wreck, almost miraculous in that no lives were lost, occurred late yesterday afternoon near Hall's station on the main line of the Southern. The regular west bound passenger train which leaves Asheville at 3:45, was running at a good rate of speed when the engine and mail car jumped the track and rolled down a thirty-foot embankment. Bad Poindexter was at the throttle, and stood to his post and came out with injuries no more serious than a dislocated shoulder. The fireman and mail agent leaped from their places and escaped without serious injury.

In going down the embankment the engine and mail car made two revolutions, and, according to the best information obtainable last night, landed at the foot of the embankment, a total wreck. The other coaches were not derailed and the passengers escaped with a bad fright.

Last night a wreck train was sent to the scene and the road authorities made a record for getting things into shape again. Necessarily, however, trains were delayed for a time.

Hall station is about 35 miles below Asheville.

## NORTH CAROLINA REPUBLICANS IN WASHINGTON

### Eloquent Addresses by Hon. John W. Langley and Hon. J. W. Crooks.

Special to the Gazette.  
Washington, D. C., Oct. 18.—The North Carolina Republican Association met last night to its hall at 516 Ninth street, N. W., and heard stirring and patriotic addresses by Hon. John W. Langley of Kentucky, the appointment clerk in the census bureau, and Hon. J. W. Crooks of Illinois.

The speakers were presented by President Turner and he paid just tribute to their reputations as public orators. Mr. Crooks was, of course, somewhat at a disadvantage in following an orator of Mr. Langley's ability. Notwithstanding his address was able and eloquent and was given flattering attention by his interested auditors. After a short session of the association, at which a number of new members were enrolled, the meeting adjourned.

The aim of the North Carolina Republican association is to arouse North Carolinians in Washington to a sense of their political duties and to uphold the credit of North Carolina republicanism. The political outlook is entirely satisfactory to republicans and the prevailing opinion of disinterested people here is that McKinley and Roosevelt will "win in a walk."

Mr. Langley confidently predicts that Kentucky's electoral vote will be found in the Republican column. S. B. A.

## MUST PAY INDEMNITY

## BRYAN'S NEW YORK TOUR.

## THE BEETHOVEN CLUB.

### Held its First Public Meeting Yesterday Afternoon.

The Beethoven club of the Asheville College for Young Women held its first public meeting yesterday afternoon at the college. The attendance was good, and included some visitors from Tryon. An interesting paper on "The Piano's Ancestors" was read by Miss Furrington. Mr. Ferdinand Dunkley, the president of the club, read an able paper on "Some Seventeenth and Early Eighteenth Century Music." This was accompanied by musical illustrations rendered by Mr. Dunkley and Miss Mathewson, a Crown piano with a harpsichord attachment being used. This was Miss Mathewson's first public appearance in Asheville. The club will hold public meetings at intervals throughout the winter.

### GROCER, 6 NORTH COURT SQUARE.

## END OF STRIKE AT HAND

### According to Reports of Officers of Nearly all the Local Unions.

### Meeting Held by Heads of Large Coal Corporations.

### Lehigh Valley Company Post Notices Similar to the Pardees'.

### Ten Per Cent. Increase in Wages, and Abolition of Sliding Scale.

### PROPOSED WITHDRAWAL OF THE CLAUSE OF THE RESOLUTION ADOPTED AT SCRANTON CONVENTION PROVIDING THAT ALL THE MEN GO BACK TO WORK IN A BODY.

Scranton, Oct. 18.—The heads of the various large coal corporations held a meeting here today, and at the conclusion issued a statement to the effect that they had agreed to the ten per cent advance in wages and to maintain the same until April 1 and thereafter until further notice, but that the reduction in powder from \$2.75 to \$1.50 would be considered in arriving at the wages to be paid their contract miners.

## LOCAL UNIONS MEET.

Wilkesbarre, Oct. 18.—Nearly all of the local unions held meetings yesterday and received reports from their officers that the ending of the strike is close at hand. They were assured that work would probably be resumed on Monday if all the operators acceded to the executive board of the union will probably be held tomorrow, and the question will then be discussed of withdrawing the clause of the resolution adopted at the Scranton convention which provides that all the men go back to work in a body.

Hazleton, Oct. 15.—The issuance of the notice of the Reading company acceding to the demands of the strikers was followed today in this region by the posting of similar notices by several individual operators and the Lehigh Valley company. These notices differ from the Reading's in that reference is made to the reduction of powder from \$2.75 to \$1.50 per keg. Markle & Co. have not yet posted notices.

## LEHIGH COMPANY AGREES.

Hazleton, Pa., Oct. 18.—The Lehigh Valley Coal company owned by the Lehigh Valley Railroad company, this morning posted notices exactly similar to those of the Pardees'. The notices abolish the sliding scale, agree to a 10 per cent increase until April, 1901, and thereafter until otherwise notified, and fixes the price of powder at \$1.50 a keg instead of \$2.75. The company has half a dozen mines in this region operated on the sliding scale, the others north of here being on a fixed basis.

There is some interest here regarding the further action of the Lackawanna company on the question of agreeing to maintain the 10 per cent increase for the next six months. It is believed, however, that it will fall in line with the action of the independent operators who meet at Scranton today to agree on a form of notification to the striking employees.
