CAROLINA NEWS.

Bishop Morrison, who will hold the North Carolina conference of the Methodists at New Bern, will preach in Raleigh on Thanksgiving day.

The grand jury made a presentment in the New Bern Christian science case. The presentment is against Miss Hatchie Harrison for employing the "healing art" or practicing medicine without a license, contrary to the laws of North Carolina.

Manson J. McCracken was in town yesterday and tells us he has the finest calf in the county. It is a "short horn," is seven months old and weighs 650 pounds. He has another four months old weighing 415 pounds.—Waynesville Courier.

That farming pays is the opinion of Mr. W. B. Hood since computing the cash receipts from his two horse farm. From his tobacco, cotton and strawberries he has realized about \$1,250, and when he estimates the value of his corn, forage, meat, etc., the figures will not only convince the most skeptical that farmers in the Mount Olive section are the most prosperous in the country.—Mount Olive Advertiser.

Mr. J. M. Brown, aged 21, and Miss Janie Deviney, aged 14, of Bostic, having pledged their faith to each other, by misrepresentation obtained a license to marry three weeks ago. By close watching and a return of the license it was thought that the match was called off, but last Thursday night, during the absence of the father at church, the happy pair hid themselves away to South Carolina and married. This is the third couple in that vicinity that have gone contrary to parental advice lately.—Rutherfordton Press.

A shocking tragedy occurred Saturday at Clinton, Sampson county, in which Mr. Lee Murrill was killed by his brother-in-law, Mr. Lee Kirby. Kirby was drinking and Murrill was trying to get him home when, in a drunken frenzy, he cut Murrill on both arms, severing an artery in one arm. The wounded man died in a short while. He was beyond hope when the surgeons got to him. The dead man leaves a wife and one child. Kirby was unmarried. Both were men of good family. Kirby is in jail, and will be tried at the February term of court. He is overwhelmed with a realization of the enormity of his crime.

Dr. J. R. Reitzel, a practicing physician here, came very near losing his life this morning. In crossing the railroad at the High Point furniture company, on Factory street, the shifting engine ran into his buggy, smashing it to pieces and crushing the horse's leg, and otherwise injuring it so that it had to be killed. Dr. Reitzel himself was knocked several feet down the railway track, but came out without injury. His escape seemed nothing short of a miracle, as he was in the buggy with the top up, which was splintered. Dr. Reitzel says that no alarm was given for the crossing, and the first thing he knew was someone yelling at him the minute he was struck.—High Point Cor. Greensboro Telegram.

This is the season when mothers are alarmed on account of croup. It is quickly cured by One Minute Cough Cure, which children like to take. Dr. C. Smith.

Grand Old Men
Some men seem to defy old age. They walk erect. Their eyes are bright. Their laugh is hearty. They are men of to-day—not men of yesterday. They are also men who have kept themselves in good physical condition in the past. As we grow older waste matter accumulates in the system. The body cannot throw it off without assistance. So, little by little the machinery of the body is clogged, vitality is lowered, and enjoyment of life ceases. Dr. Pierce's Golden Medical Discovery cannot make old men young, but it does make them strong and healthy. By removing the waste accumulations, by increasing the blood supply, by strengthening the stomach and organs of digestion and nutrition, and thus increasing the assimilative and nutritive powers, "Golden Medical Discovery" makes grand old men.
"I suffered for six years with constipation and indigestion, during which time I employed several physicians, but they could not reach my case," writes Mr. G. Poppell, of Bureka Springs, Carroll Co., Ark. "I felt that there was no help for me, could not retain food on my stomach; had vertigo and would fall helpless to the floor. I commenced taking Dr. Pierce's Golden Medical Discovery and little 'Pellets.' I am now in good health for one of my age—60 years. I owe it all to Dr. Pierce's medicine. Dr. Pierce's Pellets greatly benefit old men by keeping the bowels in activity."

A New Comer Expected

Sold by all Druggists, or sent by express paid on receipt of price, \$1 per bottle.
