LITTLE HINTS FOR HOME-MAKERS.

Points for the Housewife.

To clean a felt hat use spirits of ammonia, which should be applied with a hard brush.

Leather chair seats may be revived by rubbing them with the well-beaten white of an egg.

Fuller's earth will remove grease and soot marks from clothes. Benzoin will often remove spots; but care must be taken to rub towards the centre of the spot, and not outwards, or the clean material will be spoiled.

Soak three quarters of an ounce of gelatin in a pint and a half of milk for twenty minutes; then put it in a stewpan and stir until it boils.

Velvet Cream.

The Children's Bath.

It is a prevalent error to suppose that the constitutions of children are fortified by early exposure to cold, whence arises the inexplicably absurd practice of bathing infants in cold water, even in midst of winter.

Grape Preserves.

Wash the fruit and then separate the pulp from the skin, putting the pulp into one saucapan and the skins into a preserving kettle. Cook the pulp until it is soft, and then put it through a colander to remove the seeds.

Danger of Damp Sheets.

Few people pay sufficient attention to the proper airing of bed-linen. Damp sheets are responsible for far more illnesses than is generally supposed.

Horseradish Sauce.

Grate a stick of horseradish as finely as possible. To three tablespoonfuls add half a teaspoonful of salt, two tablespoonfuls of vinegar, a salt-spoonful each of mustard and of sugar, a dust of cayenne, and four table-spoonfuls of cream.

A Handy Hint.

Everybody almost has their own special pet way of cleaning brass, but when it has been allowed to get very dirty, the following will be found to yield good results.

A Very Nice Pie.

An apple pie that isn't altogether like a pie is made in Kentucky. Here it is called a pudding and is made by the following directions: Pare, core, then grate half a dozen tart apples.

Plum Tea.

Fill a pie-dish with canned plums, adding sugar to taste. Cover with good short crust. Brush over with white of egg or cold water, sprinkle with castor sugar, and bake for three-quarters-of-an-hour.

The Double Boiler.

Often in the use of the double boiler the water in the outside vessel refuses to boil. When this happens fill the outer saucapan with strong salt water, and it will boil much sooner.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys.

If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble.

This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy.

The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling of thousands of testimonials received from sufferers cured.

In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

commenced in the Superior Court of Buncombe County, before the Clerk of said court, by the plaintiff, J. E. Brown, as administrator of the estate of W. F. Parris, deceased, intestate.

The defendants will further take notice that they are required to appear at the office of the Clerk of the Superior Court for the county of Buncombe, on the 8th day of December, 1900, and answer or demur to the complaint or petition of the plaintiff, or the relief there-in demanded will be granted.
