A GREAT REPUBLICAN VICTORY.

A MCKINLEY LANDSLIDE.

"Doubtful" States Swing Into Line With Vast Majorities For the National Ticket of the Republican Party.

McKinley's Majority in the Electoral College Will be Two Hundred and Eighty-five and Possibly Three Hundred and Five.

New York, Nov. 7, 1 a. m.—McKinley has been re-elected and by a vote in the electoral college probably exceeding 300. The Sun's estimate at this is he is certain of 308 out of a total of 447, and will probably have 306, as Utah, where the returns are late, gives evidence of going republican.

New York gives at least 125, plurality for the national ticket; Illinois, 100,000; New Jersey over 40,000; Maryland from 8,000 to 10,000.

Evidence of a republican landslide were so manifest in the early returns that Bryan, reading them at Lincoln, conceded his defeat at 8 o'clock. By 11 McKinley was being deluged with congratulations at Canton. Excepting Colorado, which is close, and Idaho, McKinley seems to have carried every northern state.

Late returns this morning indicate that McKinley's plurality over Bryan in the entire state of New York to be 153,445.

New Hampshire is republican by 30,000. Utah is carried by McKinley by a small majority.

The republican plurality in Indiana will probably be 30,000. The vote in South Carolina is smaller than usual. Bryan's majority will be between 25,000 and 30,000.

Republican majority in Iowa, 100,000. North Dakota republican, 8,000. Connecticut republican, 30,000. Pennsylvania, McKinley's plurality 250,000.

Delaware, republican by about 1,200. Ohio gives McKinley over 60,000 plurality. Congressman Lantz is also defeated.

Wisconsin goes republican by 100,000. New Jersey gives McKinley 50,000. The democrats have carried Mississippi by 40,000.

The republicans have carried Minnesota by 25,000. McKinley carried Maryland by 12,000. McKinley carries Massachusetts by largely reduced plurality.

Returns from Kentucky indicate that the republicans have carried the state by 10,000 to 15,000. According to the latest returns Yerkes, republican candidate for governor, will have a larger majority than the national ticket.

Bryan's plurality in Louisiana will be 20,000 less than in 1896. North Carolina gives Bryan about 30,000.

Illinois will give a republican plurality between 80,000 and 100,000.

GAIN IN CONGRESSMEN. The congressional returns are incomplete, but Congressman Loudenslager, in charge of the republican congressional committee with headquarters in Washington, estimates the republican majority in the next house at 44. His advice showed that the republicans had gained sixteen members east of the Ohio river. The democrats, he said, lost 9 members in New York, 5 in Pennsylvania, and Maryland, the republicans claim, will return a solid republican delegation, a gain of two.

THE SUN'S FIGURES. New York, Nov. 7, 2 a. m.—The Sun's election figures show that both the senate and house will have increased republican majorities. The present senate has 51 republicans, including Stewart; democrats, 26 including Walcott out of a total membership 1 (Teller), independent, 1 (Kyle), and 4 vacancies. In the new senate there will probably be 57 republicans including Walcott out of total membership of 60. In the house the republicans

will gain 20 or 25 seats. New York, Nov. 6.—The World admits that McKinley carries Minnesota by 87,000, a gain of 47,000; Rhode Island by 17,000; Maryland by 11,000.

New York, Nov. 6.—The only serious rioting that occurred throughout the country was at Caryville and Diamond, Ind.; Denver and Philadelphia. In the first named place there was a general shooting affray between a crowd of half drunken foreign miners, the result of a political discussion. As a result two men were killed, six badly wounded and a dozen seriously hurt. At Diamond one man was killed and three wounded in a political row. In Denver policemen and deputy sheriffs indulged in a row over a question of authority at the polls. One deputy was killed and five officers wounded.

A fight occurred in the Fourth ward at Philadelphia over the challenge of some negro voters. A general shooting affray followed. A judge of election was fatally wounded. Half a dozen others were injured.

NATIONAL COMMITTEE'S STATEMENT. New York, Nov. 7, 12:30 a. m.—National Committeemen Manley, Gibbs and Bliss held a conference, at the conclusion of which the following statement was given out: "On the returns received at republican headquarters up to this hour the republican national committee claims to have elected McKinley and Roosevelt by an electoral vote of 284, with the possibility of 21 votes in addition, giving McKinley a total of 305. These 21 votes consist of the 13 votes in Kentucky and 8 in Nebraska. The states we surely claim for Roosevelt and McKinley are California, Connecticut, Delaware, Illinois, Indiana, Iowa, Kansas, Maine, Michigan, Minnesota, New Hampshire, New Jersey, New York, North Dakota, Ohio, Oregon, Pennsylvania, Rhode Island, South Dakota, Utah, Vermont, Washington, West Virginia, Wisconsin and Wyoming." The committeemen then closed their desks and left for their homes.

CONGRATULATIONS FOR MCKINLEY. Canton, Ohio, Nov. 6.—The president's first congratulations from headquarters came from J. H. Manley at New York as follows: "Praise God from whom all blessings flow. Your triumphant re-election is conceded by democratic managers. I tender earnest congratulations. We are very happy at headquarters."

COLORADO. Denver, Colo., Nov. 7.—Returns received up to 9:30 p. m. indicate that Bryan's plurality in this state will be from 30,000 to 40,000.

WILLIAM MCKINLEY.

With only the larger cities and less than a dozen towns missing the returns at 11 o'clock indicate the election of McKinley in Connecticut by a plurality of twenty thousand and the election of the republican state ticket by a majority of 12,000 votes and the return of all four republican congressmen.

DELAWARE. Wilmington, Del., Nov. 6.—Twenty districts out of sixty-five in the city of Wilmington give McKinley 269, Bryan 1885. The Morning News an extra announces the election of the whole republican ticket in the state.

GEORGIA. Atlanta, Nov. 6.—Bryan carried Georgia by a plurality of 40,000. The vote was small compared to the 74,000 majority given on the state ticket a few weeks ago, but it is explained by the fact that much apathy prevailed. There was fair weather and good order throughout the state. Eleven democratic congressmen were re-elected unopposed.

ILLINOIS. Chicago, Ill., Nov. 6.—Chairman Rowe, of the republican state committee, claims Illinois for McKinley by 100,000. Ex-Congressman Henrichsen (democrat) concedes the state to McKinley by 40,000, but claims Alschuler, democratic candidate for governor, is elected by 10,000. The republicans carried Cook county by not less than 15,000 majority.

Chicago, Nov. 6.—Chairman Rowe, of the state republican committee, claims 80,000 republican majority outside of Cook county and 25,000 majority in Cook county, total 105,000.

Chicago, Nov. 6.—743 precincts in Illinois outside of Cook county give McKinley 87,044; Bryan 60,703. The same in 1896 gave McKinley, 85,322; Bryan, 55,507.

McKinley's majority in the city will exceed 50,000.

His Majority in the District Will Probably Reach 1,500.

Blackburn Also Elected and Joyce in the Fifth May Prove a Winner.

The balloting in Asheville passed off quietly. In fact, it was something like a still hunt, and the republicans did most of the hunting. Bright and early the republicans rolled up their sleeves and went about the task before them in a way that could only be productive of results. On the other hand the democrats seemed to realize that they were doomed and many of them left the polling precincts. A number of the democratic workers wore red badges on which were the words, "Right the Wrong," the advice to voters having reference to the contest in which Congressman Pearson and Mr. Crawford were concerned. The effect the badges had on the voters is best shown by the result of the election.

Several hundred men gathered in front of the Gazette office last night and read the bulletins. A very small crowd heard the bulletins read at the opera house. By 10 o'clock democratic headquarters had thrown up the sponge and before midnight democratic tracks had grown cold in the vicinity of Court square. A number of democrats hereabouts grew sick when the returns began coming in, as they expected to hear something different. Friends had vainly tried to open the eyes of these simple souls but they met every argument with quotations from the New York Journal, which held the election last week, copies of which paper they carried in every pocket.

Moody's gain in the city of Asheville over the vote in the election last August is 515. (We use the figures of the vote on the judicial ticket as giving the fairest average vote.) The majority in each of the six precincts with Moody's gain in each, follows:

No.	M'd'y	C'd'd	Gain
No. 1	98	183	85
No. 2	139	96	43
No. 3	98	44	54
No. 4	23	227	204
No. 5	110	23	87
No. 6	9	42	33

This gives Moody a majority in the city of Asheville of 43. It went democratic in August by 562.

In Buncombe county outside of Asheville we give the following results as accurately as possible at this time

	M'd'y	C'd'd	Gain
Hazel	12	10	2
Avery's Creek	2	30	28
Reems Creek	50	124	74

STEPS TO PROSPERITY

Stop and think. Doesn't a man who owns real estate always command a year's respect? Don't you think, "Oh he's all right." Aren't you a little more willing to listen to him than to the man who is unattached to any earth? It's natural to feel thus, and it may be right. Surely respect is due to the man who sits down and intelligently thinks about his position, how to get along in the world, and who turns his thoughts into action.

There is no reason why you should not do the same. We do not care if you get six dollars a week or six hundred dollars. We can help you to prosperity, and it won't take us long to tell you how we'll do it.
