THANKSGIVING FOOTBALL

State Library
Pennsylvania Defeats Cornell By Score of Twenty-Seven To Nothing.

Columbia Gains an Unexpected Victory Over the Carlisle Indians.

GEORGETOWN VS. U. N. C. RESULTS IN A TIE

NEITHER THE CHAPEL HILL BOYS NOR THEIR OPPONENTS MADE ANY SCORE—THIS VIRTUALLY TIES THE TWO TEAMS FOR THE SOUTHERN CHAMPIONSHIP.

Philadelphia, Nov. 29.—The University of Pennsylvania and the Cornell university football teams met on Franklin field this afternoon for their annual contest. Each year the game between these teams is the feature of Thanksgiving day in this city, and a great crowd is always on hand to see them battle for victory. Probably the largest crowd that has ever looked upon the two elevens on Franklin field was present when the ball was kicked off. Weather conditions were rather disappointing, the sky being dull and the air raw in the morning, but as the day wore on the sun made gratifying attempts to break through the clouds. Before the game began the home team, of course, ruled favorite at odds of 2 to 1, but there was very little Cornell money in sight.

Following is the line-up:
Pennsylvania Positions Cornell
Hodge ... L. E. ... Taustig
Hornor ... L. E. ... Leuder
Hare (captain) ... L. G. ... Warnor
McCloskey ... C. ... Hamack
Teas ... R. G. ... Dorier
Walker ... R. T. ... Alexander
W. Gardner ... R. B. ... Cross
J. Gardner ... Q. E. ... Brewster
Potter ... L. H. B. ... Purcell
Davidson ... R. H. B. ... Morrison
McCracken ... F. B. Starbuck (capt)
Umpire—Paul Dashiell.
Referee—Matthew McClung.

The game was easily won by Pennsylvania by a score of 27 to 0. The most sensational incident of the game was a fifty-five yard run for a touchdown by Potter, Pennsylvania's half back, just before the game closed.

THE INDIANS LOSE.
New York, Nov. 29.—The football season was brought to a close here this afternoon in a game between Columbia university and the Carlisle Indians. The latter were vanquished by a score of 17 to 6. More than 12,000 persons witnessed the game. The victory of Columbia was due to her superb playing from the start. But for a blunder committed by Captain Morley of Columbia the Indians would have been easily whitewashed. The Indians, who had a lighter team than usual, were subjected to a severe hammering.

GEORGETOWN-NORTH CAROLINA
Special to the Gazette.
Washington, Nov. 29.—The University of North Carolina football team met the wearers of the gray of Georgetown college this afternoon in a game of football, the first one in several years, and the meeting between the two giants in southern football was one long to be remembered. Neither side was able to score, and the game was one of the most desperate ever played in the District of Columbia. The backers of the team from Georgetown thought that North Carolina would be vanquished in an easy manner owing to their inability to do anything with Virginia last Saturday, and to say that they were surprised at the magnificent game put up by the Tar Heels only expresses it mildly. Two weeks ago the wearers of the gray outplayed the team from Charlottesville at every stage of the game, winning handsily by a score of 10 to 0. Taking this as a criterion it was thought that the Chapel Hill students would fall easy victims to the home team.

Both teams played brilliantly but so splendid was their defensive playing that it was impossible for either one to do anything in the way of scoring, and the game wound up 0 to 0. This virtually ties the two teams for the southern championship, each one sustaining one defeat this season, Georgetown having been vanquished by the middies of the naval academy and North Carolina losing to Virginia last Saturday. A large crowd witnessed the contest which was played on the Georgetown campus.

STARTLING RESULTS OF EXAMINATION.

The Accounts of the Late Clerk of the Cincinnati Board of Education.

INVESTIGATION SO FAR MADE SAID TO SHOW SHORTAGE OF \$100,000—GOOD REPUTATION OF THE LATE CLERK.

Cincinnati, Nov. 29.—The discovery of a supposed error of \$1,600 in the books of George Griffiths, deceased, late clerk of the board of education of Cincinnati, led to an examination of his books with startling results. A special meeting of the board has been called for tomorrow to take action in the matter. The investigation so far made is said to show that Griffiths was a delinquent to the amount of about \$100,000. The discovery is all the more startling from the fact that Griffiths had been a clerk for 13 years and had always had the entire confidence of the whole community. It is with great pain that this revelation has been made as no city officer had a better reputation than the deceased. His estate is said to be worth not more than one-fifth of the shortage and his bondsmen will have to make up the remainder.

OATH OF OFFICE ADMINISTERED TO SAMFORD.

His Duties to be Attended to By His Son For the Present.

Birmingham, Ala., Nov. 29.—A special to the News from Opelika says that the oath of office as governor of Alabama was administered to Colonel W. J. Samford in his sick room at that place at 9:30 o'clock this morning by his son, T. D. Samford, who is a notary public. It was made possible to do this under the provisions of the new law enacted by the legislature which permits the governor to qualify at any time or place after his election has been officially declared. Colonel Samford was able to sit up this morning and surrounded only by the members of his family and physicians he took the oath. The program now is for T. D. Samford to go to Montgomery on Monday in the capacity of private secretary to his father and take charge of the executive office, which it is understood Governor Johnston is willing to deliver to him. Governor Johnston's term is out at noon Saturday. The younger Samford will keep in close communication with his father at Opelika until the latter is physically able to go to the capital. Colonel Samford is now recovering rapidly.

WAR IN SOUTH AFRICA STILL GOING ON

Dispatch From Roberts Announces Surrender of Dewetsdorp to the Boers.

BURGHERS CAPTURE FOUR HUNDRED MEN AND TWO GUNS—KNOX PURSUES BOERS AND FIGHTS SUCCESSFUL ENGAGEMENT.

London, Nov. 29.—The most startling proof that the war in South Africa is still full of vigor was contained in a despatch from General Roberts to the war office saying that Dewetsdorp surrendered to the Boers on the 23d. Four hundred men and two guns were captured by the burghers after the British lost fifteen killed and forty-two wounded. The Boers were 2,500 strong. A British force was sent from Edenburg to relieve Dewetsdorp, which was joined by General Knox on the 26th and he entered Dewetsdorp on that day only to find the place evacuated, seventy-five sick and wounded being left in the town. Knox pursued the Boers and fought a successful engagement yesterday near Vaal Bank with Steyn and Dewet, who retreated west and southwest. Roberts also reports a skirmish on the 27th at Bultfontein. Three hundred Boers were dislodged and pursued, losing several men.

Cape Town, Nov. 28.—Gen. Knox, by a rapid march of 26 miles, succeeded in getting in front of Gen. Dewet, placing himself between the Boers and the Orange River. Dewet is now believed to be going westward to join Hertzog at Boomplaat.

Col. Plicher had a smart skirmish Tuesday, November 27, with part of Gen. Dewet's command which was conveying loot captured at DeWet's camp. The Boers retreated, abandoning a portion of the loot and a large number of horses. Flomier, president Steyn and Gen. Dewet were in close proximity to the scene of the fighting but they eluded the British.

DE WET'S DORP RECAPTURED.
London, Nov. 29.—In connection with the movements of Gen. Knox, reported in the despatch from Cape Town, Lord Roberts in a message from Johannesburg, dated Wednesday, November 28, says that Gen. Knox recaptured DeWet's camp, Nov. 26. The Boers, he adds, had attacked the place November 21, and the town had surrendered November 24. Gen. Knox at last accounts was pursuing the federal command.

Lord Roberts also reports that various columns found the Boers holding strong positions in the vicinity of Harrismith, Philippolis (both in the Orange river colony) and other widely separated points. The fighting, however, was of little importance.

FUNERAL OF SENATOR DAVIS.

Arranged to Take Place Tomorrow Morning at Eleven O'clock.

St. Paul, Nov. 29.—The stream of sympathetic messages and callers is uninterrupted today at the late home of Cushman K. Davis. All arrangements have been completed for the funeral which will be a quiet one at 11 o'clock Sunday morning at the family residence. James J. Hill, Judge Walter D. Sanborn, Judge Charles E. Flannery, former Gov. John S. Pillsbury, former Senator W. D. Washburn, Hon. Samuel R. Thayer, Minneapolis; E. W. Peet and United States District Attorney Robert C. Evans will act as pallbearers. Gov. Lind has issued a proclamation, asking all business houses to close during the funeral.

The committees from the two houses of congress will reach the city early Saturday morning. The following are among the additional messages that have been received by Mrs. Davis:

All Ferrouh, Turkish minister: "Permit me to express my deepest sorrow and sympathy with your great loss and please accept on this crucial occasion, my highest respect and consideration."

Other despatches were received during the day from Melville E. Stone, New York, Ex-Secretary Redfield Proctor, Senators Aldrich, Boies, Penrose, Howland, Nelson, Wellington, Hale, Thurston, Elikins and many others.

DESTRUCTIVE TYPHOON

Victoria, Nov. 29.—The steamer Idzund Haru, which arrived here this afternoon, brought news from Hong Kong of a destructive typhoon which visited Touraine in the early part of the month. It lasted forty-eight hours, during which time several villages were destroyed and immense damage done to rice fields. Shipping also suffered, the harbor being laid bare. The loss of life is estimated at between 1,500 and 1,800, and the remainder of the population, numbering about 4,500, are without food.

STEP-FATHER'S HORRIBLE CRIME.

Louisville, Nov. 29.—A special to the Times from Ashland, Ky., says: William Gibson ran a red hot poker down the throat of his two-year-old step daughter, in Callettsburg. The child died. Gibson then set fire to an adjoining building, after which he made his escape. Officers are in pursuit.

Dr. McQuinn, Eye, Ear, Throat and Nose Specialist, will see patients at his rooms in the Berkeley Hotel while offices are being fitted up. Old friends and former patients are cordially invited to call.

MORAL EFFECT OF A BIG BATTLESHIP.

Indications That Turkey is More Inclined to Hasten a Satisfactory Settlement.

TRADE ISSUED FOR PURCHASE OF CRUISER, THE PRICE TO INCLUDE THE \$90,000 ARMENIAN INDEMNITY.

Constantinople, Nov. 29.—The arrival of the United States battleship Kentucky at Smyrna has so shaken up palace and porte that indications are accumulating of a desire to hasten a settlement to the satisfaction of the United States.

An trade has been issued calling for the purchase of a cruiser at Philadelphia, the price for which is to include the \$90,000 Armenian indemnity. This is regarded as a subterfuge designed for local consumption in order to save the face of the porte. Nevertheless it is now believed that Turkey will find the money and order the cruiser in the hope of propitiating the United States. Despite the dispute, relations between the United States legation and the porte continue cordial.

THE YOSEMITE DISASTER CONFIRMED BY REMY.

Cablegram From the Admiral Received By the Navy Department Yesterday.

Washington, Nov. 29.—The navy department today received a cablegram from Admiral Remy confirming the report of the disaster to the auxiliary cruiser Yosemite at Guam. The cablegram does not go into details but states that a boat's crew was lost in the typhoon and that Admiral Kemoff will be sent to Guam to ascertain the extent of the damage.

Following is the text of Admiral Remy's cablegram:

Cavite, Nov. 29.—Bureau of Navigation, Washington: Captain of the transport Sherman reports total loss of Yosemite November 13. Chains parted in typhoon, drifted to sea and sank seventy miles. Justin (a collier) came to rescue. Steam launch crew of five lost. Shall send Kemoff to Guam tomorrow to ascertain extent of disaster and transport Yosemite crew to Cavite. REMY.

FILIPINO SAVAGERY.

New York, Nov. 29.—Rev. William D. McKinnon, a California priest who had been made a chaplain in the United States army by President McKinley, and now stationed in the Philippines, in a letter to the Catholic chaplain of Fort Sheridan, tells of the savage treatment of priests by the Filipinos. He says they tortured 400 and kept them prisoners for two years and also made them work in chain gangs on the road. He tells also of a bishop being flayed alive and of nuns being forced to lead lives of shame.

BRYAN AGAIN.

Lincoln, Neb., Nov. 29.—In a letter acknowledging a congratulatory address, presented to the Bryan Home Guards, W. J. Bryan says:

"When a political party meets with reverses, the greatest consolation a candidate has, aside from the approval of conscience, is the knowledge that he retains the confidence of those with whom he was associated, and I thank the Guards for this assurance. The contest between democracy and plutocracy will go on and those who believe in the declaration of independence and the doctrine of equality before the law must still demand human rights from the encroachment of greed."

INTO A WHITE HOT FURNACE

Fell Fifty Persons Who Were Watching Football Game.

Roof of the Glassworks on Which One Hundred Stood Collapsed.

ELEVEN REPORTED DEAD; OVER FORTY INJURED

TIMELY AID SAVED MANY FROM THE HORRIBLE DEATH—SCENE WAS LIKE A SLAUGHTER HOUSE

San Francisco, Nov. 29.—While 16,000 people were watching the football game between the Stanford and Berkeley teams today the roof of the San Francisco and Pacific Glass works, on which several hundred men were congregated for the purpose of obtaining a free view, collapsed, carrying more than a hundred men and boys down upon the white hot furnace below. Eleven are reported dead and more than forty injured, fifteen of whom will die.

The furnace was directly underneath the portion of the roof which gave way. It is a brick structure, and the top is a curved surface. The exterior heat on the top of this furnace at the time of the accident is said to have been 500 degrees Fahrenheit. This is where at least fifty fell when the roof caved. When the alarm of the disaster was sounded many of the employees and outsiders ran to the scene. On the top of this glowing furnace lay two score of men and boys writhing in agony. Some were stunned after striking the iron girders, others had fallen headlong and were either dead or unconscious. Those not seriously injured hurried to the aid of friends. But for the timely aid of these the death list would have been tripled. The scene that was presented looked like a slaughter house. In the hurry of the relief forces men were dragged from the furnace and left on the floor. Others came along and extinguished the flames that threatened to burn them alive.

THANKSGIVING DAY OBSERVED IN WASHINGTON.

Many Government Employees Left to Spend the Holiday Elsewhere.
Washington, Nov. 29.—Thanksgiving day was generally observed in Washington. All the executive departments of the government were closed and deserted except by only a few officials who came to attend to the mail. Many of the government employees left the city to spend the day in other states. The municipal offices and most of the stores were closed. The white house bore a deserted appearance. President McKinley spent a little time in the morning in his office and at 11 o'clock entered his carriage and was driven to the Metropolitan M. E. church where he attended the Thanksgiving service. Rev. Dr. Frank M. Bristol, pastor of the church conducted the services. The president went alone. Mrs. McKinley took a short drive during the forenoon returning in time to see the carriage for the president. The day was spent quietly by the presidential household.

RIOT IN SAN ANTONIO

San Antonio, Nov. 29.—In a desperate riot this morning between striking electricians and their sympathizers on the one hand, and a batch of non-union linemen under the protection of a squad of police on the other, Martin Wright, president of the brotherhood of electrical workers, was shot through the arm. Sandy Smith, non-union lineman, was beaten almost to death, and several others more or less injured. Smith, non-union lineman, did the killing and wounding with a pistol. He is charged with murder. The fight occurred about noon under the window of Travis Park Methodist church, while a union Thanksgiving sermon was being preached.
