FOR MOTHERS. The period immediately following child-birth is fraught with many dangers. The strength has been used in the painful ordeal through which the mother has passed and she finds herself helpless and weakened. Many mothers, like Mrs. Ford, date the beginning of their illness from the birth of their child. Indeed the frequent spectacle of a healthy young woman becoming a chronic invalid after motherhood is one of the tragedies of life. All this is unnecessary when Wing of Cardel is abtainable. It rehabilitates the sary, when Wine of Cardul is obtainable. It rehabilitates the shattered nervous system, strengthens the organs and ligaments, and re-establishes a healthy, natural condition, saving years of chronic sickness and suffering. Wine of Cardui taken just before confinement will render the ordeal comparatively painless. It will re-enforce and strengthen the organs for their work. For every trying crisis in a woman's life, Wine of Cardui is the medicine to take. Ask your druggist for Wine of Cardui and take no substitute. If one is offered send \$1.00 for a bottle to the Chatta-Medicine Company, Chattanooga Tenn. WINE OF CARDUI Clarkson, Ark., July 20, 1899. After my baby was born I took the whites and falling of the womb, and was in a very dangerous condition. I read one of your home treatment books, and commenced to treat myself with Wine of Cardui and Black-Draught. I am thankful for what the medicine did for me, and I am now in better health than I have been for a long time. Mrs. MARGARET FORD. THE COOKBOOK.

To parboil means to place anything into cold water and bring it to boiling

Mayonnaise and boiled dressings for salads may be made in quantities of a pint or more and kept for some days if put in glasses, covered tightly and kept very cold, but a French dressing must be

made just before it is wanted. In making very delicate light cakes that are not rich with butter it is better to use water in the place of milk, says one giver of advice. And bring children into the world to suffer from an inherited blood taint? People do not realize that foul blood may lurk under a fair skin, and that the fire smoldering in the blood of the parent may break into flame in the flesh of the child. Dr. Pierce's Golden Medical Discovery puts out the smoldering fires of scrofula. It cleanses the blood from disease taints, strengthens the weak lungs, heals the diseased stomach.

"Dr. Pierce's medicine has done wonders for my two sons," writes Mrs. M. Hartrick, of Demster, Oswego Co., N. Y. "Both had scrofula. I have lost two daughters in less than five years with consumption and scrofula. My eldest son with consumption and scrotula. My eldest son was taken two or three years ago with hemorrhage from the lungs. It troubled him for over a year. He took Dr. Pierce's Golden Medical Discovery, and has not had one in over a year. DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the news-

cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and blad-

der specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troi bles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to pur-chase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble.
