CITY NEWS.

The Asheville Hardware Company.

The opening of the golf tournament, to have been played this week at the Swannanoa Country club, has been postponed to next Monday.

The Asheville Steam Laundry has issued very unique advertising blotters, which are the counterfeit presentation of freshly laundered cuffs.

The coal companies were very busy yesterday. Every extra team in town that could be engaged was employed to help the companies meet the unusual demand.

Rev. E. K. McLarty of the North Asheville church, has gone to New Orleans to attend the missionary conference. Mrs. J. E. Ray will leave during the week as a delegate from the Woman's Missionary society of the Methodist churches in Asheville.

Several engineers of the United States Geological survey traveled through in mountain schooners yesterday morning.

A meeting of the board of managers of the Lindsey Training school will be held this afternoon at the residence of Mrs. Hilliard. A full attendance is requested as an election of officers for the ensuing year will be held.

H. F. Hoffman, a former member of the Art Students' league of New York, travels with the Gentry show as a special artist. He makes the illustrations for their advertising and other reading matter and writes the stories that accompany them. As he has every opportunity to study and sketch the animals, and travels all over the country in a special car, it is a fine opportunity for a young man.

At the Swannanoa casino tonight at 8 o'clock a veritable dreamland of fancies, and a gorgeous array of kings, queens and princesses will pose before an admiring public. Music and singing of a high order will add to the attractions, as well as the clever acting of an amusing comedy. Sixty performers will take part and many society young ladies are to grace the final tableaux. As the proceeds will be given to Thompson orphanage and other charity the patronage should be liberal. Admission 25 cents.

Rev. H. L. Dudley, pastor of French Broad Baptist church, has announced that he will preach next Sunday night from a text found in Jer. 5:1. -'Run ye to and fro through the streets of Jerusalem, and see now, and know, and seek in the broad places thereof, if ye can find a man.' The subject for this sermon is, 'A Man.' The following Sunday night Mr. Dudley will preach another sermon from the same text, the subject being, 'How to Find Him.'

J. G. Grant lost his pocket book on the train Sunday evening between Asheville and Hendersonville. The pocketbook contained \$44 in paper money, one American gold dollar, one Bethler gold dollar and a number of notes and due bills, two of the notes had been paid by him as surety to J. B. Bostic & Co., and transferred by Bostic & Co. to him. A number of Confederate bills and old state bank money were also included. Mr. Grant will give as a reward to whoever may return the book to him (or L. A. Grant at the postoffice) the \$44 of paper money.

If Your are Going One Mile to Your Work.....

or twenty miles on a journey you want a bicycle that you are sure will hold up to carry you there. If you buy a cheap bicycle it is liable to break at any moment, of course, they are all guaranteed but that will not help you when you are ten miles from home. The best way to do is to buy an EAGLE, when you are sure you have a wheel you can depend on.

GLORIOUS NEWS.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of soreful, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved, -that Electric Bitters is the best blood-purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kid-

neys, and cures all skin diseases.
