The following were the ruling quotations in the exchange today: By private wire to Murphy & Co.

New York, May 16.—The stock market opened strong and animated this morning, its tendency being derived in part from the London market, where extensive advances were shown in American stocks.

factor in the market was again the feature this morning. Rains fell at Paris, Denison, Fort Worth, Houston, Texas, and Oklahoma and Fort Smith, but these being within the region where the crop has been suffering the bulls were able to maintain control and bears were correspondingly depressed although predicting that the acquisition of moisture was not cutting any important figure except in the minds of people who want to see higher prices.
