M'LAURIN'S CAMPAIGN

He Talks of Its Prospects and
the Policies He is Fighting

Contest Between Two Ele-
ments in South Not Con-
fined to His State.

PAYS HIS RESPECTS
TO CANDIDATE BRYAN

SAYS THE GREAT ANTI-IMPERI-
ALIST HAS TALKED HIMSELF
TO DEATH—NEED OF A STRONG
GOVERNMENT.

New York, June 15.—Senator Mc-
Laurin who has been sojourning in New
York for several days, left for home
today. In an interview he says he has
no doubt as to the outcome of the fight
he is making. He declared the fight
between the two elements in the south
is by no means confined to South Caro-
lina. It is not a fight for the personal
advancement of Tillman or himself but
a struggle between principles. It is a
struggle between the progressive ele-
ment and the retrogressive element.
He declared the fight was no more bit-
ter now than in 1897. As for as resig-
nations go he said he would rather give
up his seat in the senate any day than
keep silent when he thought he could
do the people of his state good. He
would sooner go on with the campaign
of education than take a seat in the
senate. He feels convinced he can
carry on his present campaign and be
re-elected to the senate.

McLaurin denied Tillman's assertion
that if he was allowed to continue his
campaign the state would be turned
over to the republicans and said it
would merely return to the teachings
of the old democracy. He declared
these teachings were bound to triumph.
Old time democrats, McLaurin said, al-
ways favored expansion and ship sub-
sidies. He said Bryan has talked him-
self to death. He characterized Bryan's
speech made in New York, attacking
the increase of the army and asserting
the army was to be used in establish-
ing a fort in every city and to shoot
down the discontented, as the talk of
a wild man. McLaurin declared "the
United States needed a strong govern-
ment and said in a number of the
Southern States besides South Carolina
there had been a change in views with
regard to the policy the democrats
should pursue.

ROLL CALL STOLEN FROM VAULTS

\$3,000 Paid by Colorado Corporations
for the Theft.

Denver, June 15.—The News today
says: The roll call in the senate on the
third reading and final passage of senate
bill No. 87, better known as the em-
ployers' liability bill, has been stolen
from the legislative records in the
vaults of the secretary of state's office.
The stealing of the roll call was ex-
pected to invalidate the bill. The claim
is made that the corporations of the
state paid \$3,000 to abstract the roll call
from the records. The Colorado Fed-
eration of Labor intends to sift the mat-
ter to the bottom and punish all con-
cerned to the fullest extent of the law.

MEN IN SUB-MARINE BOAT UNNERVED

Cherbourg, June 15.—The submarine
boat Narval underwent a twelve hours
submersion test today with the object
of ascertaining the effects upon the
crew. The test proved the strain was
too much. The confinement and lack
of fresh air produced nausea and ex-
haustion after a few hours. The ten-
sion was so intense that the men were
unnerved.

In an interview today referred to the
recent reports from Manila that Datto
Mundi, the famous Moro chieftain of
Zamboanga, had decided to abolish
slavery. He said he had not expected
such favorable action. He thought
something should be paid for the
slaves. He said when he was in Zam-
boanga he agreed to pay the market
value of twenty dollars for slaves.
He declared they could not be really
regarded as slaves, they were more re-
tainers.

He spoke highly of Mundi's fidelity
to the Americans and said he not only
raised the American flag but wanted
to bring his people to fight alongside
the American soldiers.

KITCHENER TELLS OF SEVERE FIGHTING

Boers Lose Heavily in Engagement
with the British.

London, June 15.—Kitchener sends the
following to the war office dated Pretoria
June 15: During march from
Wrede (Orange River Colony) Elliot's
column engaged the enemy under De-
Wet June 6, and after severe fighting
captured a convoy of 71 loaded wagons,
45 pairs of oxen, 58 rifles, ten thousand
rounds of ammunition and 4000 cattle.
The Boers left seventeen killed and
three wounded on the field. Our cas-
ualties were three officers and seven-
teen men killed, one officer and 24 men

CONGER PREPARING TO RETURN TO PEKIN

Is Not An Active Candidate for the
Iowa Governorship.

Washington, June 15.—Minister Conger
took official leave of the state de-
partment today previous to starting on
his return to Pekin. He expects to sail
from San Francisco July 1.

In an interview he said he was not an
active candidate for governor of Iowa.
He is going back to Pekin to remain
indefinitely. If the republican con-
vention nominates him for governor he will
willingly serve the party and resign the
ministership. He expressed the belief
that matters between the powers and
China are now in a fair way for satis-
factory adjustment.

THE PHILIPPINE SITUATION

The Extent of the Disintegration of
the Insurrection Up to April 17,
1901.

Washington, June 14.—The War De-
partment gave out statistics today
showing the extent of the disintegra-
tion of the Philippine insurrection. The
compilation of reports covers the period
up to April 17, 1901. Up to January 1,
1901, the total number of insurgents
captured or surrendered was 21,491, to-
gether with 5048 rifles, 56 field pieces,
something over 3000 shells and balls,
572,860 rounds of ammunition and 10
tons of powder. From January 1st to
April 17th, the number of captures in-
clude 247 officers, 2459 men; the total
number surrendered was 820 officers,
6492 men; making a total of 1067 offi-
cers and 8951 men; or a grand total up
to that date of 31,415 insurgents cap-
tured and surrendered. To this is to be
added 1998 rifles captured, 4800 sur-
rendered, a total of 6298, and 450,000
rounds of ammunition, 408 bolos and 24
pieces of cannon.

The compilation shows surrenders
and captures on nearly every day from
January 2d to the close of the report.
The surrender of Lieutenant-General
Trias in Southern Luzon was of more
importance than almost any other save
that of Aguinaldo, his surrender practi-
cally ending the insurrection in the
section over which he had command.
General Trias since has been made
Governor of Cavite province. All of the
more important captures and sur-
renders were published at the time they
took place.

DIVERS FIND ONLY ONE BODY

Reports of Great Loss of Life
on the Northfield Were
False.

All But Four of These Re-
ported Missing Turn Up
Alive.

CAPTAINS OF THE FERRY
BOATS ARE ARRESTED

A BOY WHOSE BODY WAS FOUND
FLOATING IN THE RIVER BE-
LIEVED TO HAVE BEEN A VIC-
TIM OF THE COLLISION.

New York, June 15.—All but four of
the persons included in the list of miss-
ing as a result of the Northfield-Mauch
Chunk collision have turned up alive.
The only body found up to a late hour
tonight was that of Jerry V. Wright,
of New Brighton, S. I. The body was
recovered from the submerged wreck.
The divers at work in the Northfield
kept up their task until six o'clock
this morning without finding a human
body in the boat's cabins. At nine
o'clock they went back to work again.
The first undertaking of the divers was
to make fast lines to pull the wrecked
boat around so that she would lie
abreast of pier 10, and they were un-
able to search the cabins during the
night. He gave himself up later.
The majority of the passengers who
were rescued were more or less hyster-
ical, and their stories as to the loss
of life were conflicting to a great ex-
tent. Many were of the opinion that
hundreds of lives were lost, while oth-
ers thought that but a few were drown-
ed. The divers are searching all the
cabins, the engine and fire rooms and
other compartments of the ferryboat.
It is known that all the crew got ashore
in safety.

The body of a boy about ten years old
was found floating in the East river.
The body had been in the water but a
short time. The coroner's office attrib-
uted the death to the Northfield collision
and the police so recorded it.

TEN YEARS' SENTENCE FOR SLAYING HUSBAND

Jury Finds Mrs. Kennedy Guilty of
Murder in Second Degree.

Kansas City, June 15.—The jury in
the Kennedy murder case this morning
brought in a verdict of guilty of murder
in the second degree, and fixing Mrs.
eKennedy's punishment at ten years
of the penitentiary.

The murder of eKennedy occurred at
5:40 o'clock in the evening of February
10, last, in the New Ridge building, in
Kennedy, who was contracting agent of
the center of the business district.
The company, was sitting at his desk in
the Merchant's Dispatch Transporta-
tion office when call to the door by
Dr. Cross, the woman's physician. Mrs.
Kennedy followed the physician close-
ly, asked her husband if he intended to
live with her and receiving a negative
answer began shooting. She fired five
shots, all of which took effect and any
one of which would have proved fatal.
Kennedy died almost instantly, the
only words escaping him being "it
was not her gun." Before taken away
by the police the woman, kicked the
prostrate man in the face, remarking:
"You'll never seduce another girl."
Thomas Kennedy a brother of the man,
tried to wrest the revolver from Mrs.
Kennedy's hand when he was struck
down by her brother, Will Prince.
The couple were married in the cir-
cuit court on February 4 and two days

before Kennedy was killed he brought
suit to have the marriage set aside, al-
tering dress and changing W. C.
Prince, the girl's father, and Will
Prince with forcing him to marry her
at the point of a revolver. The three
Princes are now awaiting trial on a
charge of conspiracy to kill Kennedy.
Mrs. Kennedy is 20 years old and
Kennedy was 28.

ALCEDO'S GREAT RECORD IN SUBURBAN HANDICAP

Twenty Thousand Persons Saw Him
Run Mile and Quarter in 2:05 3-5.

New York, June 15.—Ethelbert, 8 to
5 favorite, although he undoubtedly ran
in the best form was outclassed and
outfooted in the suburban handicap
race at Sheepshead bay track this af-
ternoon. Alcedo covered the distance,
a mile and a quarter, in 2:05 3-5, the
second record for the suburban.
Fully 20,000 witnessed the race. The
winner was backed by many of the
crowd. He was the second choice at
4 to 1.

After the first quarter Alcedo set the
pace and put Ethelbert to a severe test.
The latter gamely responded and was
running in splendid form at the upper
turn when he was suddenly cut down
from behind, presumably by Toddy.
This accident virtually ended all chance
for Ethelbert. Alcedo won by two
lengths. Watercure finished second by
half a length ahead of Toddy who fin-
ished third. The betting on Watercure
was ten to one, while Toddy was a
thirty to one chance.

SEARCH SETS AT REST ALL DOUBTS.

Only One Fatality From Accident to
the Transport Ingalls.

New York, June 15.—Search through
the interior of the transport Ingalls to-
day set at rest doubts as to whether
ten men engaged in shifting ballast es-
caped. The police are positive that
there are no casualties except one killed
and thirty-six injured. They say
there has been no inquiries for missing
people and all are accounted for.
Of the injured fourteen are still in
the hospital and all will recover.
