## MAY TRY TO SHUT M'LAURIN OUT

Tillman's Friends Think He  
Has Quietly Arranged a  
Sharp Scheme.

Convention to be Called Up-  
on to Fix a New Oath for  
Candidates.

## A CHICAGO PLATFORM ENDORSEMENT OATH

McSWENEY THINKS THAT A MAN  
WHO CANNOT STAND BY THE  
PLATFORM AND BE GOVERNED  
BY A CAUCUS SHOULD NOT BE A  
CANDIDATE.

Columbia, S. C., June 18.—Senator  
Tillman's friends think he has quietly  
fixed the cards for Senator McLaurin  
to draw a blank next summer without  
even having a chance to win.  
Instead of ruling McLaurin out of  
the party, a method that would raise  
a rumpus in the state and might cause  
serious trouble, the junior senator is  
to be made to rule himself out.

Tillman was opposed to the executive  
committee ruling out McLaurin, on the  
ground that it would give him an ad-  
vantage before the people.  
He could declare himself a democrat  
and say Tillman was afraid to allow them  
to be the judge. It has, therefore, been  
planned to let the convention, that  
meets next May to organize party ma-  
chinery, make a new primary oath that  
can be taken by all the candidates ex-  
cept McLaurin. This oath, heretofore,  
has been designed to cover the state  
matters only, the candidate pledging  
himself to abide the result of a primary  
and support the new ones. For Mc-  
Laurin's benefit it will be amended so  
as to pledge the support of the national  
democratic platform in all of its  
planks, acknowledging the platform as  
the mouthpiece of the party and pledg-  
ing also to abide by the caucus votes.

McLaurin having declared so strongly  
against both these, Tillman supporters  
declare he cannot take the oath, and un-  
less he does he cannot participate in the  
primary or be voted for except at a  
general election. The plan leaked out  
after Senator Tillman and Colonel Wil-  
liam Jones, chairman of the state ex-  
ecutive committee spent a couple of  
days together.

McLaurin's course under these circum-  
stances, has not yet been defined.  
Governor M. B. McSweney was  
asked today whether he endorsed this  
scheme of ruling out McLaurin. He  
would not commit himself, saying that  
he was not a member of the committee  
and did not care to get tangled up in  
the matter. He would say, however,  
that unless a man would stand by the  
platform and be governed by a caucus,  
he could not claim to be in the party.  
State Chairman Jones said he did not  
think the present executive committee  
would take any action about McLaurin.  
The convention and new committee will  
be in control long before the campaign  
is opened for next year.  
"Nothing will be done now," he said,  
"unless McLaurin goes to cutting up  
too much in the state this summer.  
Then any five members of the committee  
can have it called together and take  
what action they see fit."

## GOVERNOR PINGREE REPORTED DYING

Detroit, June 18.—Ex-Governor Pin-  
gree's son, Joe, cables the News today  
from London the following bulletin on  
his father's condition:  
"Much weaker. Doctors do not think  
there is much hope of recovery. Strong-  
est remedies apparently have no ef-  
fect." A special cablegram to the  
Journal from London says of ex-Gov.  
Pingree:  
"Pingree is constantly asking when  
he can start home. Joe (his son)  
evades any answer but he knows that  
there is no hope. The doctors say it is  
foolish for Mrs. Pingree to come. The  
ulceration of the bowels increases. No  
food can be retained. A change is ex-  
pected in twenty-four hours. I am not-  
ifying the ambassador."

## ASHEVILLE AND NEWPORT TODAY

First Game of the Series Will be  
Called Promptly at 4  
O'Clock.

Asheville will line up against New-  
port, Tenn., at Riverside park this af-  
ternoon and a good game is expected.  
The following will be the line up for  
Asheville: Patton, c.; Burnette, p.;  
Matthews, 1b.; Weaver, 2b.; Lynch,  
s. s.; Coggins, 3b.; Tennent, 1. f.; Red-  
wood, c. f.; Reed, r. f. Stephens and  
Harkins, substitutes. Harkins will  
pitch Thursday's game. The game will  
be called promptly at 4 o'clock.

It is hoped that there will be a good  
attendance at these series; the other  
two games to be played Thursday and  
Friday. Asheville has a good team,  
and should have good support. New-  
port has defeated Asheville once, and  
should give a better account of them-  
selves than Knoxville did. Since the  
business men failed to respond as  
heartily as was hoped to the organiza-  
tion of some plan for the aid of the  
team, it has been suggested that the  
Y. M. C. A. take hold of it. In other  
cities in the south there are Y. M. C. A.  
teams, notably New Orleans, At-  
lanta, Augusta, Charleston and other  
cities, and games could undoubtedly be  
arranged with the cities nearest Ashe-  
ville for games, and the part of the  
proceeds beyond the expenses of the  
team could be applied to the Y. M. C. A.  
building fund. Other cities knowing  
the object of this fund would doubtless  
be glad to give Asheville all of the re-  
ceipts for this purpose, and in this way  
quite an amount could be realized for  
Asheville's Y. M. C. A. building. It  
is known that many of the players  
would not be averse to such an ar-  
rangement, and playing under the Y.  
M. C. A. colors and in the interest of  
such a cause, it would add to them an-  
other element of interest and support,  
which would be heartily endorsed by  
business men and citizens.

## THIRD PARTY MOVEMENT BEGUN IN MISSOURI

Silver Republicans and Populists, with  
Bryan for Candidate.  
Kansas City, June 18.—The first  
definite step towards the organization  
of a new "third party," which is pro-  
posed to embrace Missouri, and to form  
the nucleus for a national growth, was  
taken today at Kansas City at a con-  
ference of members of the populist state  
committee and a few silver republicans.  
The movement is said to have the ex-  
pressed sympathy if not the avowed sup-  
port of William J. Bryan, who is fur-  
ther hinted, is to be the new party  
candidate for president in 1904.  
The conference was secret. It will be  
continued tomorrow and end with a  
public meeting when the result of the  
gathering will be embodied in an ad-  
dress to the people of Missouri.

## DESTRUCTIVE FIRE AT BUFFALO

Buffalo, N. Y., June 18.—Fire early  
today destroyed all the buildings of  
Squaw Island, fronting on Niagara river,  
at the foot of Ferry street, to a  
point three-quarters of a mile north.  
The loss is about \$260,000.  
The principal buildings destroyed were  
the Frontier mill, owned by the Scoel-  
kopf estate, valued at \$50,000; Ryan  
elevator, owned by Stephen M. Ryan, \$75,-  
000; Queen City mills, \$100,000; Porterie  
Ferry ticket office, part of docks, \$50,000;  
a dozen naphtha and steam launches,  
canal boats and houses and house  
boats anchored in the harbor, about  
\$15,000; a dock worth \$25,000, and scores  
of charities and boat houses that oc-  
cupied the Squatter's shore river for  
nearly a mile.

## WANT PORTO RICAN TARIFF REMOVED

San Juan, June 18.—Governor Allen  
will issue a proclamation shortly calling  
the legislature to convene in extra ses-  
sion on July 4 to adopt resolutions that  
the present taxation is sufficient for the  
needs of the island, and to request  
President McKinley to remove the tariff  
between the United States and Porto  
Rico.

## O'DELL FOR PRESIDENT.

New York, June 18.—The Journal &

will be re-elected and that he will later  
be president."

## FREE SPEECH IN GEORGIA

Judge Speer Gives a Power-  
ful Specimen of It to Col-  
lege Men.

Advises Them to be Indepen-  
dent in Thought and Ac-  
tion in Politics.

## A STRONG ADVOCATE OF EXPANSION

IMPORTANCE OF AN ANGLO-SAX-  
ON ALLIANCE TO SECURE THIS  
NATION'S POSITION IN THE  
WORLD—THE GROWING POWER  
AND MENACE OF THE SLAVONIC  
RACE.

Savannah, June 18.—United States  
Circuit Judge Speer, of Georgia, deliv-  
ered a stirring patriotic address on the  
hundredth anniversary of the Univer-  
sity of Athens today. He declared  
that the European power which men-  
aced America was Russia and she must  
be crushed by an Anglo-American  
union. He defended expansion and in-  
dorsed the recent decision of the insular  
cases by the supreme court.

Judge Speer called on the young men  
of the south to surrender narrow parti-  
anship and tolerate no longer political  
machines.

In viewing the history of the country  
he pointed out the work of southerners  
who thought for themselves. He eu-  
logized the work of the southern states  
industrially and commercially and in  
a measure defended the incalculable  
benefits for the south accomplished by  
J. P. Morgan.

In referring to the need of the united  
action between England and the United  
States he said the Anglo-Saxon is the  
chief bulwark of civil and religious lib-  
erty on earth, the stars the representa-  
tives of despotism in church and  
state. The Anglo-Saxon bases his civ-  
ilization on development, and Russia,  
in all her history, has relied upon sup-  
pression. He cited a French historian  
as predicting that a hundred years  
hence, leaving China out of the ques-  
tion, there would be two colossal pow-  
ers in the world, besides which Ger-  
many, England, France and Italy  
would be pigmies—the United States  
and Russia, and said that if this pre-  
diction be true, if England, in her isola-  
tion, is to meet her downfall, if our re-  
public is to remain the sole obstacle to  
the even progressing slavonic power it  
will result from trivial jealousies, from  
baseless prejudices and ignoble rancor  
for past differences between the two  
great members of Anglo-Saxon race,  
with common blood, common liberty of  
religion, common liberty of conscience,  
and the spectacle will present the inex-  
plicable crime of the ages.

In appealing to southerners to think  
for themselves Judge Speer asked if  
southerners were forever to vote, with-  
out regard to the character or capacity  
of a candidate, because he has secured  
the party nomination or recur to the  
test of Jefferson, founder of democracy,  
who sought only honesty, competency  
and faithfulness to the constitution in  
candidates for office.

## SAMPLES OF INCOMPETENCY OF FILIPINO JUDGES

Manila, June 19.—Ex-Judge Basa of  
the court of first instance, is implicated  
in frauds connected with the adminis-  
tration of the Enrrique estate, which has  
been dragging through the Filipino  
courts for years. Another judge of the  
same court was recently dismissed for  
aiding in fraudulent transactions. An-  
other judge is charged with malice and  
incompetency. This goes far to demon-  
strate the necessity of placing Ameri-  
cans on the bench.

## BOLD ROBBERY YESTERDAY AFTERNOON

Two Negro Boys Rob a Southside Av-  
enue House in Daylight

Another bold robbery was perpetrated  
yesterday afternoon in the broad light  
of day. Two negro boys of about 18 or  
20 years of age, went to the store of  
Pinkney E. Lingle, 314 Southside ave-  
nue, and asked Mrs. Lingle, who was in  
the store, for a drink of water. She told  
them that there was no water in the  
well, but that they could go to the  
well, which was in the yard. After  
drinking, as she supposed, they came  
to the door and thanked her, and one of  
them bought 6 cents worth of oranges.  
A minute or so after they left the store,  
Mrs. Lingle's little boy ran into the  
store with a playmate and asked his  
mother if she had left her pocket book in  
the house, which is next the store, say-  
ing that they had seen these two boys  
come out of the house while they were  
playing in the street. Mrs. Lingle and  
several others ran into the store and  
found several bureau drawers open and  
an old leather pocket-book, which had  
contained several dollars and some  
change, lying open on the floor. The  
boys were last seen running over the  
hill in the direction of Biltmore.  
Deputy Sheriff Reed was at Mitchell's  
store on South Main street when the rob-  
bery occurred and immediately gave  
chase to the thieves. He was joined by  
Sheriff Lee, Chief Fulmer and Jim  
Haines with his blood hounds. They  
were traced across the hill and were  
last seen going in the direction of Bilt-  
more. Deputy Sheriff Reed took the car  
for Biltmore, where he captured the two  
boys.

They gave their names as Frank Miller  
and James Wallace, hailing from  
Ohio and Tennessee, respectively. Af-  
ter the capture last evening Mrs. Lingle  
saw the two prisoners at the Sheriff's  
office and identified them. They will  
have a hearing before Justice James to-  
morrow morning.

## PRESBYTERIAN CREED COMMITTEE AT WORK

Pittsburg, June 18.—The creed revis-  
ion committee appointed by the last  
general assembly of the Presbyterian  
church at Philadelphia, met here today  
behind closed doors with a full atten-  
dance of members. It is expected that  
the committee will be in session all  
week. The committee decided to get  
down to business at once and make  
every effort to do something at the first  
meeting. Three or four other meetings  
will be held during the year, probably  
in New York, Chicago and Washington  
city.

## MRS. M'KINLEY BELIEVED TO BE OUT OF DANGER

Washington, June 19.—Drs. Johnson  
and Rixey held a consultation at the  
white house this afternoon at the con-  
clusion of which Dr. Johnston pro-  
nounced Mrs. McKinley out of danger  
and convalescent. He said there may  
of course be a recurrence of her trou-  
ble, but for the present the danger is  
past. Dr. Johnston said that the blood  
infection had disappeared entirely.  
Dr. Rixey, although evidently encourag-  
ed by the improvement in Mrs. Mc-  
Kinley's condition, was somewhat more  
conservative in his statement than Dr.  
Johnston. He thought it scarcely safe  
to say that she was entirely out of dan-  
ger, as her extreme weakness might  
precipitate a relapse, but her condition  
was quite satisfactory, her improve-  
ment being steady and seemingly cer-  
tain of continuance. It is expected  
President and Mrs. McKinley will be  
able to leave for Canton July 1.

## CZAR'S FOURTH DAUGHTER.

St. Petersburg, June 18.—The czarina  
today gave birth to a daughter. The  
child will be named Anastasia. The  
other children of the czar and czarina  
are:  
The Grand Duchess Olga, born No-  
vember 15, 1895.

## BOARDS FROM LUMBER PILE DRIVEN INTO HOUSES

CARRIAGES LIFTED AND CAR-

WIRED DOWN AND CASUALTIES  
NOT KNOWN.

Columbus, O., June 18.—Reports reach  
here today of a tornado in Delaware  
county last evening. A funnel shaped  
cloud dipped in the northeastern sec-  
tion of the county, and when it dis-  
appeared \$500,000 damage had been done  
to property of farmers. The path of  
the storm was about 500 yards wide and  
six miles long. The residence of Jerome  
Slough was carried away. County Com-  
missioner George Cleveland's house was  
unroofed, John Griffith's place was con-  
siderably damaged and a Mrs. Steven-  
son also suffered. Aside from damage  
to residences, there was great loss on  
outbuildings, fences and timbers. Wires  
are down and reports are slow coming  
in.

Delaware, O., June 18.—A terrific  
windstorm swept over here today, over-  
turning several buildings and doing  
considerable damage generally. Boards  
from a lumberyard were driven into  
houses and carriages were carried 500  
feet. It is not yet known whether there  
have been casualties.
