WANTED LINCOLN POISONED

James Altman, who died in Washington recently, had long declared that he was once offered \$100,000 to poison President Lincoln. Altman kept the dairy that supplied the White House with milk and cream. This is the way Altman told the story, says the New York World:

"One morning in April, 1865, not two weeks before the president was assassinated, I was driving along in my wagon when two men stopped me, and one of them asked if I didn't want to make \$100,000 easy and quick. I told him I guessed I did if it could be done on the level. He then asked me if I could keep a secret, and I told him I thought I could. Then he got right close up to me, leaning over the side of the wagon, and said:

"Well, my man, here's \$100,000 in good money. Every cent of it is yours if you will take this little box of powder and put it in the cream you serve to President Lincoln this morning. No body will ever suspect anything, and the \$100,000 is yours."

"He showed me a tremendously big roll of money, and it looked mighty nice, but I didn't want any of that kind. If it had been as large as the treasury building, it would not have tempted me. I told the men I wanted and needed the money, but I could have nothing to do with any such business. They tried to argue with me, but I wouldn't budge. They then drove away while they cursed me. At the time I could not believe that the men were in earnest and thought they were simply trying to play off a joke on me. I kept the transaction to myself for a long time."

Children Especially Liable.

Burns, bruises and other external injuries are often extremely painful and if neglected often result in death. Children are especially liable to such mishaps because they are so careless. As a remedy Dewitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of cheap imitations. Save your money. Buy the real Dewitt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up." writes James Mock, N. Webster, Ind. "The sores were so bad she could not get on her feet for a day."

A PROFITABLE INVESTMENT.

"I was troubled for about seven years with my stomach and in bed half my time," says E. Demick, Somerville, Ind. "I spent about \$1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles.
