FILIPINOS HEALTHY AND CONTENT IN RECONCENTRATION CAMPS.

Manila, March 20.—General Smith, in command in the island of Samar, dispatches to the Herald from Berlin. While the papers give much space to all kinds of dull subjects, the prince's arrival is little more than casually noted. Many of the papers have nothing to say at all. The cartoonist is hard at work and almost each day some new caricature comes out minimizing the value of Prince Henry's visit or making fun of it.

REPUBLICAN STATE COMMITTEE TO MEET

SUCCESSFUL CONCERT BY BILTMORE ORCHESTRA

The Biltmore orchestra gave a very enjoyable concert last evening at the parish house. Owing to the rain at the first of the evening the crowd was not as large as expected. The orchestra, composed of about 20 pieces, rendered their music nicely. C. Karson gave a clarinet solo that was well received. C. Weiel rendered an excellent piano solo. Dr. R. R. Swope showed stereopticon views at intervals during the performance, and added interesting descriptions of the pictures. Those present expressed themselves as having enjoyed the evening.

INDICTED FOR LEVYING CAMPAIGN CONTRIBUTIONS

Louisville, March 21.—Indictments against Former Internal Revenue Collector Sapp, Leonard Parsons, assignment clerk under Collector Sapp and Jos. Potoning, were returned to the federal grand jury today. A capias for each of them is in the hands of the United States deputy marshal. The indictment alleges that in November, '99, Sapp, Parsons and Potoning unlawfully conspired to solicit and receive assessments and contributions for political purposes, to wit, to aid and abet the election of certain candidates for public offices on the Republican ticket in Jefferson county.

CUBA READY FOR TRANSFER

WOOD SAYS ONLY A FEW MINOR DETAILS REMAIN TO BE COMPLETED.

Cuba Ready for Self Government and Revenues Equal to Financial Demands.

GOVERNMENT WILL BE ORGANIZED NEXT MONTH

A CRISIS IN ISLAND'S AFFAIRS WILL SOON BE REACHED UNLESS A GREATER TARIFF REDUCTION IS MADE.

Savannah, March 21.—General Wood passed through here today on his way to Washington, where he is to see Roosevelt and President-Elect Palma of Cuba. In an interview he said the island is now ready for transfer, only a few details yet remaining to be completed. He declared he thought the Cubans now prepared for self-government and that the revenue of the island was equal to its financial demands at this time.

He asserted, however, that unless a greater reduction than 20 per cent. in the Cuban tariff was made a crisis in the affairs of Cuba would soon be reached. He further stated that the Cuban government will be organized next month.

Referring to the visit of Miss Roosevelt, he declared she had become a decided favorite on the island and the Havana council had adopted a resolution to present her with a present which she will receive before she leaves for home. She is besieged by friends and relatives of imprisoned men to use her influence to obtain their pardon.

JURY IN THE WILCOX CASE IS NOW OUT

VERDICT OF GUILTY IN EITHER FIRST OR SECOND DEGREE EXPECTED.

Elizabeth City, March 21.—The Wilcox case was given to the jury this afternoon when the reading of the evidence was concluded. Judge Jones charged the jury to bring in a verdict according to the evidence. He declared he had no opinion in the case.

If the jury reaches a verdict tonight it will not be heard till morning when the court convenes. The general impression is that the jury will find the defendant guilty of murder in either the first or second degree.

During the proceedings yesterday soon after E. F. Aydielt, leading counsel for the defense, had begun his speech the incident mentioned in yesterday's despatch to the Gazette occurred when many of the spectators of the trial left the hall. H. E. C. Bryant speaks as follows of his in his report to yesterday's Charlotte Observer: "It was here that the most significant incident of the trial occurred. A hundred or more men filed out of the court house. I had heard that such a move would be made. It was an effort to express the sentiment of the public. ...

"The ill-timed demonstration in the court house this afternoon is calculated to hurt the fair name of the town. It had been worked up but to an extent failed. Something over 100 people marched out. I cannot believe that the better class of people endorse such conduct. A reaction is bound to follow. A boy rang the fire bell soon after the exodus and several hundred more poured out. There was no fire. It seems to have been part of the program. The good men who believe Wilcox guilty and want to see him hanged condemn it.

Of the prisoner Mr. Bryant said: "From day to day the prisoner has sat in court an interested but silent listener. The color and general appearance of his round, cold face plainly show that he is deeply concerned about the result. His hair is well trimmed and carefully parted in the middle. He

Railroad Men

Employes of the Railways in this City

The average railway man works harder for the dollar he earns than most any other class of working men. Few people realize the many dangers and privations undergone by these intelligent, conscientious toilers who each as a cog in a mighty wheel help to perfect and furnish us with the most unparalleled system of railways in the world. Therefore as the largest wage earners they should save money and build homes and practice economy in many things.

For the man who is saving and wishes to lay aside something each week the most practical way open before him is this: He should be careful and buy good bed linens, towels and matings, rugs and materials for his wife and family. The better quality used the longer the service. To combine quality and low prices and have money left to save each month—there is only one answer—Sumner's Department store, where quality is combined with small cost.

GENERAL MILES' CASE NOT DECIDED UPON

PRESIDENT DOES NOT WISH TO ENABLE HIM TO POSE AS A MARTYR.

Washington, March 21.—The cabinet today discussed the case of Gen. Miles. An official statement was subsequently made that the case was under consideration but that no action had been decided on. It is the general opinion in Washington that Miles should be punished for attacking his superior officers before the senate committee.

Roosevelt and Root are embarrassed at dealing with Miles, because they do not, it is understood, want to enable him to pose as a martyr.

Whether Miles will be placed upon the retired list or some other means found to discipline him has not yet been determined.

Washington, March 21.—The statements made yesterday by General Miles before the senate committee on military affairs were discussed by the President today with a number of his callers. There is little doubt that these statements will ultimately lead to General Miles' retirement by the President. In discussing the matter today with callers, among whom were Senators and representatives, the President took the position that the lieutenant general of the army should entertain toward his superiors the same respect that he would expect and demand from his subordinates.
