

THE HOME GOLD CURE

An Ingenious Treatment by which Drunkards can be cured Daily in Spite of Themselves

No Noxious Doses—No Weakening of the Nerves—A Pleasant and Positive Cure for the Liqueur Habit

It is now generally known and understood that drunkenness is a disease and not weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison and destroying the craving for its use.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but is a specific for this disease only and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it.
