ACCUSATIONS MADE AGAINST JUDGE CLARK

MAJOR WILSON ATTACKS HIS PERSONAL CHARACTER AND POLITICAL RECORD.

Challenges Clark to Bring Suit and Says He will Produce Proof of His Charges.

ASKS SIMMONS AND AYCOCK IF THERE IS A BARGAIN

Special to the Gazette.
Raleigh, N. C., April 23.—A profound sensation has been caused in consequence of a letter which will be published tomorrow by Major Wilson, attacking the personal character and political record of Judge Walter Clark. Major Wilson says Clark is no democrat but an ally of Butler and Russell, that he wrote editorials for the *Caucasian*. He says Clark is morally unfit to be chief justice. Wilson makes thirteen distinct charges, among others that Clark instigated litigation and sat on the appeals in the Supreme court; declined to run for governor unless he could not hold a judicial office till elected; suggested himself to fusionists as a logical candidate for senator; advised Russell to remove the railroad commissioners and prepared the order; asked Cyrus Thompson to see Russell and ask for the chief justiceship before Faircloth was buried; after the democratic convention in 1898 he said the democrats

party sold out to the railroads and would be beaten worse than ever. Wilson asks Aycock and Simmons if there is a bargain with Clark. He says the party cannot afford to nominate him. He challenges Clark to sue him for libel. He will plead justification and produce proof of his assertions.
John W. Atwater, former representative of the Fourth district, authorizes the announcement that he will run as an independent candidate for congress. He expects to break the democratic ring.
A committee has been appointed to solicit subscriptions for a railroad to Washington, N. C. \$25,000 has been raised. It is expected to double this amount.
Mrs. R. D. Gilmer gave a reception tonight at the Yarrowburgh house in honor of Mrs. Harry Skinner.

Laffan News Bureau Report.
Raleigh, April 23.—The biggest sensation in recent years in North Carolina politics is an attack on Associate Justice Clark of the Supreme court by ex-Railroad Commissioner Wilson. Clark aspires to the democratic nomination for chief justice. Wilson, in a letter which will be printed tomorrow, declares that Clark was an ally of certain republicans and populists in recent elections and charges him with being morally unfit for the judicial office. He also charges Clark with prostituting his office for private spleen and makes thirteen specifications of conduct unbecoming to a judicial officer, any one of which is sufficient grounds for libel if untrue. He challenges Clark to bring suit and says he will plead justification and produce proof. Wilson claims Clark instigated his removal from the commissionership.

OLEOMARGARINE BILL AGAIN IN THE HOUSE

SENATE MEASURE WILL BE ENACTED—TILLMAN BECOMES MERRY IN THE SENATE.

Washington, April 23.—The house today by a vote of 152 to 79 adopted a resolution from the committee on rules making the senate amendments to the oleomargarine bill the continuing order of business and spent the rest of the session in their consideration. They were all disposed of. The bill as it will finally be passed will be substantially the senate's measure.

Washington, April 23.—Rawlins further addressed the senate today in opposition to the bill providing civil government for the Philippines. He denounced the barbarities practiced on the Filipinos and declared they surpassed those perpetrated on the people of Gaul as described in Caesar's commentaries on the war in Gaul. He had not finished when the senate adjourned. Early in the session during the debate on the bill providing for a union railroad station at Washington Tillman accused Hoar of being discourteous to him. He said Hoar always was "a slicker" for decorum and he ought to "set an example for us youngsters." He accused Hoar of breaking the rules habitually. Tillman then took Foraker to task for making a remark while standing on the republican side of the house while his seat was on the democratic side. He said Foraker was "gyrating out of his orbit." Tillman's remarks with reference to Hoar and Foraker received shouts of laughter.

BRYAN WILL NOT RUN FOR GOVERNOR

Lincoln, April 23.—The populist democratic state central committee met tonight to discuss the place and date of holding a state convention. Considerable strife has arisen between the two parties over which shall have the gubernatorial nomination. The democrats say Bryan will not accept the nomination for governor. He declares he will not stand in the way of gubernatorial aspirants.

REPUBLICAN CONVENTION

IT IS DEEMED ADVISABLE TO CHANGE DATE FROM AUGUST 21 TO AUGUST 28.

In Order not to Conflict in Any way with Confederate Veterans' Meeting.

PRITCHARD BESIEGED WITH INVITATIONS

HOUSE COMMITTEE ON PUBLIC BUILDINGS AND GROUNDS FAVORABLY REPORT FOR DURHAM PUBLIC BUILDING, BUT NOT FOR GREENSBORO OR WINSTON.

Washington, April 23.—Congressman Moody and Brownlow called at Speaker Henderson's committee rooms yesterday and had a lengthy conversation with that gentleman about the Appalachian Park bill.

The speaker was impressed by the reasons set forth for the establishment of the reserve and promised full opportunity for the consideration of the measure by the house. Major Moody is encouraged at the outlook for the passage of the bill.

Senator Pritchard is receiving numerous invitations from various parts of the country to be present at notable occasions and delivered speeches. The latest came yesterday from the American Asiatic association of New York City which invites the Senator to a banquet to be given May 21. The aim of the association is to promote American commerce in Asiatic countries.

Mr. J. L. Pace, railway postal clerk of Hendersonville, who has been spending a few days in the Capitol city, returned to N. C. last night. Mr. Pace has quite a number of friends here.
Mr. Noah Z. Dewesse of Murphy, N. C., who had been employed in the census office since last summer returned to his home today.

The following correspondence explains itself:
Washington, April 16, 1902.
Hon. W. P. Bynum,
Greensboro, N. C.

Dear Judge:—I notice an article in the News and Observer of recent date in which it is stated that the calling of the republican state convention at Greensboro to meet on the day set apart for the meeting of the Confederate veterans was done with a view of getting low rates of transportation to our convention. There is no ground for such contention. I am sure you will agree with me in the statement that the committee was not aware of the fact that the Confederate veterans association has been called to meet on the 21st. Otherwise it would have fixed another date. I have great sympathy and highest regard for the Confederate veterans and I would not be a party anything that would in the slightest degree interfere with the proceedings of that organization on the occasion in question. Under the circumstances, would it not be better to hold our convention

MAMMOTH COTTON MILL PLAN FOR GREENSBORO

Special to the Gazette.
Greensboro, N. C., April 23.—There is an unconfirmed rumor to the effect that the biggest cotton mill for the manufacture of colored goods in the world is to be erected in Greensboro. The names of Moses H. and Caesar Cone, principal owners of the Proximity mills, the Cone Export & Commission company and other important enterprises, are connected with the rumor.
Options have been secured on nearly 2,000 acres of land a short distance north of the city and other preliminary arrangements have been made, but it

a week later? Will you kindly advise me with respect to the matter.
Sincerely yours,
J. C. PRITCHARD,
Chairman.
Greensboro, N. C., April 19, 1902.
Hon. J. C. Pritchard, Washington, D. C.
My Dear Sir: Yours of the 16th inst. has been received. I was present at the meeting of the executive committee when the date was fixed for holding the state convention referred to in your letter and am sure that no member of the committee was aware that the Confederate veterans of the state had decided to hold their annual meeting here on the 21st of August. I am informed that the veterans expect quite a large attendance on that occasion and from conversations with the mayor and other citizens of Greensboro I am satisfied that it would be more convenient all around for the republican convention to be held on some other day. Your suggestion that it be held on August 28th is a good one. With best wishes, I am
Yours very truly,
Wm. P. BYNUM, Jr.,
Senator Pritchard today saw Chairman Burton of the house committee on rivers and harbors and urged the retention of the appropriation for the improvement of the upper Cape Fear river. The correspondent learns that the house committee on public buildings and grounds will only report favorably for a government building at Durham, denying the claims of Greensboro and Winston. This action is because Congressman W. W. Kitchin held out for Durham.

PROPOSITION TO COMBINE YARN MILLS

Charlotte, April 23.—At the meeting of cotton yarn spinners today, Underwood explained the proposition for combining the yarn mills. Underwood agreed to pay all the yarn mill owners for their property, stipulating that the price shall not exceed 220 per cent of a fair cash cost of replacing the property. Payment to be made in half preferred and half common stock. Payment is to be made in cash for all stocks of cotton, cotton in process of manufacture and goods on hand.
The meeting ordered the proposition printed and distributed for careful study of details. The plan was discussed, but no definite action was taken. Representatives of the mills will return home to take the matter up with their stockholders. The mills have until January, 1, 1903, to decide.

PROMPT ADVANCE WOULD SETTLE MORO TROUBLE

Manila, April 23.—General Wade, commanding the southern division of the army, reports that a prompt advance would settle the Moro trouble with little bloodshed. So far, there has been small opposition by the Moro chiefs, but the chiefs might unite their forces if the Americans abandon the advantage they have already gained.

CAPT. CLARK DECLINES TO ATTEND THE CORONATION

Washington, April 23.—On account of insufficient private means to bear the expenses of attending as the representative of the navy at the British king's coronation, Captain Clark of the Oregon has declined this honor. The president has designated Admiral Watson in his place.

REPUBLICANS OF INDIANA

OPENING SESSION OF STATE CONVENTION AT INDIANAPOLIS YESTERDAY.

Senator Beveridge, Chairman, Speaks on National Questions in His Address.

WHAT THE COUNTRY OWES TO REPUBLICAN POLICIES

INDUSTRIAL ORGANIZATION AND THE RESTRICTION OF TRUSTS—VALUE OF THE PHILIPPINES IN SECURING EXTENDED MARKETS FOR AMERICAN PRODUCTS.

Indianapolis, April 23.—The opening session of the republican state convention today was devoted to the appointment of the various committees and preparing the platform and the delivery of a speech by Senator Beveridge, the permanent chairman. Mr. Beveridge said in part:
Just as the law of co-operation developed in the labor world, so it has developed in the world of capital out of natural conditions and the necessities of the people. For example: The farmer ships his grain to distant points, hundreds, thousands of miles away. He needs cheap rates and quick dispatch. Short and separate lines of railroad were inconvenient, high priced, unsafe and slow. The business man required his mail by the swiftest means; delay of a day, an hour, may mean disaster. Thus transportation men found that their profit lay in meeting the necessities of the producing and the business world. Here in Indiana segregated roads were consolidated in the "Big Four" lines. The old "J. M. & I.," "Vincennes" and "Vandalia" were absorbed by the Pennsylvania. What
