Lost by a Toy Balloon.

Diamonds and other jewels have been lost in all sorts of queer ways, but in none more unusual than the accident mentioned in the Boston Transcript, by which a diamond brooch was snatched from the owner's dress and left somewhere on the great plains.

Full of Snap.

Gretchen, the daughter of an old German named Kruegel, had been serving as domestic about two weeks in the household of Judge Vaughan of Richmond, when father and employer met on the village street.

G. A. Dobbin, 16 North Pryor street, Atlanta, Ga. THE REVIVAL Have You Seen It? It is a religious magazine published the 15th of every month, containing 60 pages of choice reading matter.

Poor Choice Either Way.

"When passing through a certain section of a certain state once," said a man who has traveled much, "a friend and I stopped at the house of a neighbor for tea. Soon after we had sat down at the table the housekeeper looked toward us and asked whether we wanted long or short sweetening in our coffee. As she asked that question I looked toward my friend, and he looked at me. I nudged him in the side, meaning that I wanted him to speak.

What the Death Mask Shows.

The value of a plaster cast as a portrait of the dead or living face cannot for a moment be questioned. It must of necessity be absolutely true to nature. It cannot flatter; it cannot caricature. It shows the subject as he was or is, not only as others saw him in the actual flesh, but as he saw himself. And in the case of the death mask particularly it shows the subject often as he permitted no one but himself to see himself. He does not pose; he does not "try to look pleasant." In his mask he is seen, as it were, with his mask off.

A Sure Sign.

"Little Dick--Papa, how does thunder sour milk?" "Papa--It is not the thunder, but the electricity." "How does electricity sour milk?" "It works certain chemical changes in the constituents of the fluid, which result in the formation of an acid."

Christians and Jews.

When Charles Lamb was berating an enemy, some one said to him, "Why, you don't know him." Lamb replied, "I don't want to know him for fear I should like him."

WANTS TO HELP OTHERS.

"I had stomach trouble all my life," says Edw. Mehler, proprietor of the Union Bottling Works, Erie, Pa., "and tried all kinds of remedies, went to several doctors and spent considerable money trying to get a moment's peace. Finally I read of Kodol Dyspepsia Cure and have been taking it to my great satisfaction. I never found its equal for stomach trouble and gladly recommend it in hope that it may help other sufferers."
