GEN. GORDON RE-ELECTED COMMANDER IN CHIEF

(Continued from first page.)

placing the southern cause in the civil war in an unfavorable light should be driven from the schools.

General John B. Gordon was re-elected commander in chief. All other officers of the association were re-elected, except that General Walker of South Carolina succeeded Wade Hampton as commander of the department of the army of northern Virginia.

New Orleans was unanimously chosen as the place for the next reunion.

ART FUND SUBSCRIPTION

Editor of the Gazette:
We beg to remind all friends of the public schools of our city that the subscription list to the "Art Fund" will close May 1. For the benefit of those who did not receive our circular letter explaining the object of this art fund we wish to state that the proceeds derived from the recent exhibition of pictures at the Church street library building and the private subscriptions which are beginning to come in, will be used in making the schoolroom attractive and pleasing. To quote from our circular letter: "The school should be made more homelike and more influential for good in the formation of character. Bare walls are neither inviting nor educative, and it has been demonstrated that bright, attractive schoolrooms reduce truancy and increase an interest in school work." Some of our school buildings have been made very attractive with beautiful pictures and decorative casts, but many class rooms in the poorer sections of the city particularly, need to be more inviting and interesting to the pupils. It is earnestly hoped that a creditable fund may be raised before May 1 and we take pleasure in quoting the subscriptions to date:

Mrs. Roebing, \$1.00; Miss Evelyn B. Means, \$5.00; Miss Florence Pritchard, \$2.00; A Friend, \$1.00; Mr. Henry H. Redwood, \$2.00; Mrs. Theo. F. Davidson, \$1.00.

MISS ANNIE C. WILLIAMS,
Treasurer of Committee, 53 Haywood street.

MRS. CORNELIA BRITT DEAD

Mrs. Cornelia Britt, wife of E. H. Britt, died at Hominy creek at 9 o'clock yesterday morning.

She leaves a husband and four small children. The funeral will take place at Sardis church at 2 o'clock today.

Ostrich Plumes.

All the black and white plumes come from the male ostrich, the gray from the female. The feathers are not plucked out, as you might imagine, but are clipped off with a sharp knife, leaving the end of the quill in the flesh, where it remains for two or three months, until it "dies," when it is pulled out with forceps.

His Lucrative Business.

"Wanted—For a lucrative business, a partner who must be a practical locksmith." This advertisement appeared in a Budapest paper recently. The advertiser is now in jail, the police having discovered that the lucrative business referred to was burglary.

Smart Child.

"You never saw my hands as dirty as yours," said a mother to her little girl. "No, but grandmother did," was the reply.—Motherhood.

IT'S "IN THE AIR"

Bicycling is due for a distinct revival.

It will not be a "craze" or a "boom" and people will not ride simply because their neighbors ride but because cycling is a delightful recreation, a charming means of obtaining health-giving outdoor exercise.

Never before was it possible to obtain such splendid values in bicycles for so little money.

Fifty dollars will now buy a better Eagle than \$100 would purchase a few years ago.

And we have cheaper wheels for those who want them.
