## MAY BOMBARD ST. PIERRE RUINS

State Library.  
FLEET ON ITS ARRIVAL  
MAY TAKE THIS METHOD OF  
RAIZING DANGEROUS WALLS.

Volcano Again in Such Violent  
Eruption That Approach to  
the Ruined City is Prohibited.

MINISTER PRENTIS' BODY  
TO HAVE MILITARY BURIAL

THE REMAINS OF THE MINISTER  
AND HIS FAMILY FOUND AND  
WILL BE TAKEN TO FORT DE  
FRANCE FOR FUNERAL HONORS  
AND INTERMENT.

Fort De France, May 19.—At 6  
o'clock this morning a Laffan Bureau  
correspondent on board the steamer  
Estafette proceeded from Fort De  
France to St. Pierre. The volcano  
was very active. On arriving at Car-  
bet, a suburb of St. Pierre, gen-  
darmes refused to permit the vessel  
to go further saying it was unsafe to  
venture nearer the volcano. After a  
short stay the Estafette proceeded off  
shore. A dredger landed some laborers  
for the purpose of burying the dead.  
As they landed there was a tremendous  
eruption and the laborers lost no time  
in returning to the dredger which re-  
turned to Fort De France.

When the eruption had partly sub-  
sided the Estafette steamed near shore  
to take off some fifty fugitives gathered  
on the beach.

About this time the American tug  
Potomac and the British cruiser Inde-  
fatigable arrived. A party from the  
Potomac went ashore to recover the  
bodies of the American and British con-  
suls. Before the Indefatigable could  
anchor there were several tremendous  
eruptions. The sight was terrible.  
The Indefatigable put to sea, followed  
by the steamer Estafette. The Potomac  
steamed along the beach, blowing  
her whistle, and succeeded in taking off  
her landing party. Immense quanti-  
ties of lava are falling into the sea  
from the northward. The Indefatigable  
and the Potomac remained off shore  
awaiting another chance to land.

Fort De France, May 19.—Officers of  
the cruiser Suchet are discussing the  
question of razing the ruins of St.  
Pierre by bombardment when the  
French squadron, now on its way to  
Martinique, arrives.

The remains of the American consul,  
Prentiss and members of his family  
have been found. They will be brought  
to Fort De France where the remains  
of Mr. Prentiss will be buried with mil-  
itary honors.

## GAYNOR AND GREEN RETURNED TO QUEBEC

Montreal, May 19.—Colonel Gaynor  
and Captain Greene were remanded to  
jail this afternoon by Judge Lafontaine,  
before whom extradition proceedings  
were heard. Subsequently the high  
constable of Quebec arrived, served a  
writ of habeas corpus on the governor,  
ordering him to deliver over the pris-  
oners. The governor complied. Tonight  
Gaynor and Greene are on their way  
back to Quebec.

## 125 VICTIMS OF TEXAS TORNADO

NINETY BODIES HAVE ALREADY  
BEEN RECOVERED—GOLIAD  
LEFT A WRECK.

Besides the Killed, More than  
100 Were Injured, and There  
Is Over \$100,000 Loss.

TERRIBLE WORK DONE  
[WITHIN FIVE MINUTES

STORM ALSO STRUCK SAN ANTO-  
NIO, DOING \$75,000 DAMAGE AND  
INJURING SEVERAL PERSONS—  
NO LIVES LOST EXCEPT AT  
GOLIAD.

Goliad, Texas, May 19.—The loss of  
life by the cyclone which devastated  
this vicinity now reaches 125. Ninety  
bodies have already been recovered.  
The property loss will exceed a hundred  
thousand dollars.

Dallas, Tex., May 19.—The death-  
dealing storm which swept over central  
Texas yesterday afternoon snuffed out  
the lives of at least 90 persons, injured  
over 100 and left the historic little town  
of Goliad a gaping wreck.

Within five minutes the terrible work  
of the tornado was done, and those  
lucky enough to escape with their lives  
ran to work of rescue.

The survivors at Goliad are too dazed  
to estimate the property loss but a  
strip of town two blocks wide and one  
mile long was swept. The damage is  
heavy. Dead and dying animals are  
mixed with the debris which marks the  
path of the storm.

The injured are being cared for this  
morning by physicians and nurses who  
arrived on special trains late last  
night.

The storm which swept Goliad de-  
stroyed much property in other sections  
of the state, but so far as is known,  
no lives were lost.

Shortly after noon the storm struck  
San Antonio and demolished property  
to the extent of \$75,000 and injured  
several persons, none seriously.

Austin also suffered considerable  
property loss.

At Mineola a windstorm followed by  
rain uprooted hundreds of shade trees  
and blew several houses from their  
foundations. Mrs. Willingham was in-  
jured.

Heavy rains fell throughout the west-  
ern portion of the state and will help  
crops materially. The "Panhandle" was  
especially drenched.

The Spanish have a proverb, "Any  
soul may be saved but the usurer's."

The man who cannot be ruled by  
some woman cannot rule men.

To satisfy a woman it is not enough  
to make her believe you love her; you  
must convince her you do not love no-  
body else.

Washington, May 19.—The naval ap-  
propriation bill passed the house today.  
Before the passage of the bill an  
amendment was adopted by an over-  
whelming majority directing the con-  
struction of three ships instead of one  
by the government—namely, a battle-  
ship, an armored cruiser and one gun-  
boat. Appropriations were provided to  
fittingly equip navy yards at which the  
vessels are to be built. The provision  
for 350 additional cadets was stricken  
out. The house also passed the bill  
making a working day eight hours on  
all work contracted for by the govern-  
ment.

Washington, May 19.—Dolliver was  
the only senator who spoke on the Phil-  
ippines civil government bill in the sen-  
ate today. Dolliver supported the bill.  
He criticized the attitude of the minor-  
ity, eulogized McKinley and his policy,  
declared the Philippines are now enjoy-  
ing peace and asserted that the United  
States is more likely to cede the valley  
of the Mississippi to the heirs of Na-  
poleon the Great than to relinquish the  
Philippines. The bill went over and  
the senate adjourned.

## ENTOMBED MINERS ARE ALL FOUND DEAD

Rescuing Party Reached Place of Explosion at 10 O'clock Last  
Night—Victims of Explosion Number Fully 150 and May Reach  
200—Scenes of Anguish at Mine's Mouth.

Coal Creek, Tenn., May 19.—Four  
bodies have been recovered from the  
Fraterville and Thistle mines where the  
explosion occurred this morning. One  
man was taken out alive but will die.  
Definite figures as to the number of  
men in the mine at the time of the  
explosion are difficult to get. State-  
ments are conflicting, but Superintendent  
Camp places the number at 250 at  
least. (Continued on 4th page.)

## INVESTIGATING PLOT TO KILL ALPHONSO

EXISTENCE OF AN ANARCHIST  
CONSPIRACY THOUGHT TO  
BE CONFIRMED.

Madrid, May 19.—The police here are  
extremely reticent regarding the dis-  
covery of an anarchist plot to kill the  
young king. Several of the papers now  
question whether the arrested men  
really entertained the intention attrib-  
uted to them. It is said that the author-  
ities on learning of the purchase of dy-  
namite, ordered inquiries made concern-  
ing each purchaser, and the existence  
of the conspiracy is thus thought to  
have been confirmed. Nevertheless the  
Liberal today declares that, as a re-  
sult of the preliminary investigation,  
probably only Gabriel Lopez, an em-  
ployee of an insurance office, and Fran-  
cisco Suarez, the well-known anarch-  
ist will be brought to trial, although  
the others are still detained. Lopez's  
wife, when questioned by the police,  
admitted that her husband and fre-  
quently had mysterious visitors recent-  
ly. Lopez has fairly good antecedents.  
Prior to the present trouble he profes-  
sed to be a federal republican. Lopez  
and Suarez were again confronted to-  
day, with a result similar to that of  
yesterday, when Lopez declared that  
Suarez gave him the dynamite car-  
tridges found in his possession and told  
him to throw them as the royal coach  
passed through the Carrera San Geroni-  
mo. The case is in the hands of a  
prudent magistrate, who, it is believed,  
can be depended upon to give impor-  
tance to the affair.

## COLOMBIAN TROOPS GATHERING AT COLON

Colon, May 19.—A thousand govern-  
ment troops landed here today from the  
steamer Louisiana from Savannah. Two  
thousand more are expected here  
shortly. On their arrival an attack  
will be made on the insurgents.

## PRESBYTERIAN ASSEMBLY

Jackson, Miss., May 19.—The fourth  
day of the general assembly of the  
Presbyterian church in the United  
States was called to order by Mod-  
erator Hall. Prayer was offered by  
Dr. Robson, of South Carolina. Several  
overtures were presented on the sub-  
ject of graded lessons. The report of  
the trustees of the Presbyterian college  
at Durant, I. T., showed a promising  
future for the institution, but the im-  
mediate need of funds for the equip-  
ment of new buildings was pressing.  
Among the more important overtures  
filed with the secretary was one favor-  
ing a new catechism. This comes from  
a dozen different synods and was  
championed by Dr. Henphill, of Louis-  
ville. Dr. Walden opposed the charge  
and moved that the question of the  
new catechism be dismissed from  
future consideration.

Tomorrow Dr. Z. B. Graves, of Louis-  
iana, will appear before the assembly  
on appeal. He was suspended and his  
licenses taken away by the Louisiana  
synod on numerous complaints.
