

A TRIPLE WEDDING AT BARNARDSVILLE

Three First Cousins Wed Three Sisters.

Mrs. Polly Burlison, Postmaster's Mother, Dead.

A Visit for Gov. Aycock Expected in a Few Days.

Correspondence of the Gazette.
Barnardsville, May 20.—One of the most unique, singular and plural weddings ever occurring in Buncombe county took place at the home of Mr. Chapman, one-half mile from Barnardsville, yesterday. The contracting parties were Messrs. Loney Wood, Woodfin Wheeler and Thomas Wallen, three first cousins. The brides were three of the Misses Chapman—sisters. Esquire Dillingham officiated. What makes it especially interesting is the fact that the surnames of the three young men begin with the letter W. The young ladies names were Ada, Rosa and Maggie, the initials of the three spelling the word arm. Differently arranged they spell the word mar. May each and all of the contracting parties be ready to lend a helping arm to his or her sisters, sisters-in-law, brothers, brothers-in-law, cousins, wives or husband, and may nothing ever occur that will mar the serenity of the connubial state upon which they have entered. They all evidently believe in independence of the Mecklenburg variety because they chose the Sunday immediately preceding the anniversary of that great event. Long may they live and prosper!

Mrs. Polly Burlison, widow of Jesse Burlison, and mother of our postmaster, died Sunday night at 9 o'clock. The remains were buried Monday at 3 p. m. The deceased leaves five sons and two daughters, one son and one daughter being married. She was one of our best women and her place will be hard to fill. Her son Walter is here from Indiana, where he has been attending Taylor University.

The public schools will open two weeks hence. The teachers have not yet been assigned to their work, but the people look forward and hope for a successful year in public education.

There is much talk of building a large farm school at the head of Ivy. Rev. Mr. Stringfield has looked the ground over carefully, and we understand has secured options on a lot of boundary land. Gov. Aycock is to be here in a few days in the interest of the matter and we are promised some desirable improvements in the matter of roads leading to the proposed location. "So mote it be."

Rev. and Mrs. E. Mac Davis passed through our village last evening. They are people of education and culture, living among us, trying to improve the moral, religious and social condition of our people. May they succeed in their noble undertaking.

Miss Fay Lee

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words seem to fail me to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

BEARING-DOWN pains are the most painful that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains". They may not be particularly severe at present but they are growing worse. That headache which nearly drives

Miss Fay Lee, No. 603 1/2 North Seventh Street, Kansas City.

you distracted now is caused by the terrible nervous tension. The nerves soon begin to give way under the strain. You will jump at every disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, of Kansas City, Kas., was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system of organs are relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its proper and normal position. With regular menstruation the strain is relaxed and returning health is the result. This is what Wine of Cardui has done in thousands of cases.

Miss Margaret Robinson, of Bridges, Ala., was a great sufferer with bearing-down pains but she was cured by Wine of Cardui also. She writes:

"Before using Wine of Cardui I suffered terribly with bearing-down pains. By advice of a friend I used your medicine and now I feel as well as ever I felt in my life."

Mrs. Louisa Carber, of Little Falls, N. Y., writes:

"Your Wine of Cardui has done for me what no doctor or other medicine could do. I suffered for twelve years with bearing-down pains but nothing helped me until I got Wine of Cardui."

Mrs. Mary Keifer, of Noland, Arkansas, writes:

"I have been greatly afflicted with bearing-down pains and flooding, but after using only one bottle of Wine of Cardui the trouble has been corrected and I am in better health than I have been for years."

Mrs. W. L. Daufenscheck, of Benwood, Ohio, says:

"I had terrible bearing-down pains and other sufferings. I think it was providential that I found one of your books and read of Wine of Cardui, for two bottles of it have cured me. I want to speak a few words of praise for Wine of Cardui. It is a wonderful medicine."

These letters from sufferers who have been raised from beds of dangerous and painful illness by Wine of Cardui are printed for your benefit in this newspaper today and if you do not take advantage of it you will have no one to blame but yourself. Every druggist sells Wine of Cardui and if you secure a bottle you can begin the treatment today.

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist today.

SUMMER COMPLAINT
is not always brought about by change of air and water. The "stay-at-homes" are just as susceptible to diarrhoea, due, generally, to over eating, as unripe fruits, etc.; and drinking ice water, all accompanied by painful bowel discharges; and, if not checked, results seriously. Perry Davis' Painkiller is the only purely reliable remedy. 25 and 50c.

ONE MINUTE LATE.

It makes no difference whether you were one minute or one hour late, if you missed the train. Better get there on time. Colds lead to coughs, coughs to pneumonia and consumption; therefore, it is all important to check a cold before it reaches the lungs. Perry Davis' Painkiller will positively break a cold inside of twenty-four hours. There is but one Painkiller, Perry Davis'.

White Stone Lithia Water,

The Lightest Mineral Water Known.

Retaining its gas, when carbonated, longer than any others. Forced by natural pressure to a height of thirty feet above the solid rock base from which it flows, it is a marvel among springs.

As to the curative powers of this water, read what some competent authorities have to say of it:

First M. E. Church, South, corner Dargon and Cheeves streets. Rev. J. Thomas Pate, D. D., Pastor, residence 208 Cheeves street.

Florence, S. C., November 25, 1901.

White Stone Lithia Water Co., White Stone Springs, S. C.
Gentlemen:—After experimenting with many mineral waters, I have found none superior to that of White Stone Springs. I have been to almost every mineral springs in the South, but yours is superior to the majority which claim great merit. If any person is in need of a very healthful water he would be very wise if he would purchase that only from the White Stone Lithia Springs. Very Truly,
J. THOMAS PATE.

Clifton, S. C., November 27, 1901.

White Stone Lithia Water Co., White Stone Springs, S. C.
Gentlemen:—After a work of 25 years I do not believe there exists a water that may be serviceable in all ailments, but I do say that White Stone Lithia Water has many remedial agents which will cover the widest possible number of diseases that may arise from kidney or uric acid causes, stomach or bowel catarrh—which produces all the forms of indigestion. The so dreaded catarrh of the head and throat will be in many cases helped by these sulphates. But it is in treatment of dropsical conditions that I have found this water more beneficial than any other water I have ever used. I would unhesitatingly recommend White Stone Lithia Water to my best practice for kidney, stomach, bladder and all forms of dropsical troubles.
GEORGE T. WALKER, M. D.

Very respectfully,
W. O. SOUTHERN, M. D.

Gentlemen:—I have been a great sufferer for 5 years or more, and during that time have had five physicians with me; but have received more benefit and relief by the use of your White Stone Lithia Water than by all the medicine taken during that time.

Spartanburg, S. C., August 16, 1901.

White Stone Lithia Water Co., White Stone Springs, S. C.
Gentlemen:—I have tested the virtue of White Stone Lithia Water, and I now most earnestly commend it to any one troubled with any kidney disease. It has done more for me than any water I have ever tried.

For years I have suffered at times with the passage of Uric Acid calculi, and have tried a number of celebrated mineral waters, among them Buffalo Lithia Water, Tate, Capon Springs, and Waukesha Bethesda, having spent two months each summer for eight successive summers.

While I was somewhat benefited I can safely state that I find no comparison in the action of White Stone Lithia Water, for in it I find that they act powerfully on my kidneys, clearing up the urine and in thoroughly washing them out, when I drink White Stone Lithia Water in sufficient quantities. If what I learned from my doctors is true about flooding the kidneys, then I can see no reason why I should suffer any more with uric acid calculi or the fearful attacks of renal colic. As long as I can get it will try no other water but White Stone Lithia. Yours respectfully,
Pastor

REV. JOHN T. McBRIDE, D. D.,
