**SOME TALK OF HANNA FOR PRES-
IDENT, BUT THERE IS NO DIS-
POSITION TO DENY ROOSEVELT'S
RIGHT TO A SECOND TERM.**

Cleveland, Ohio, May 27.—The ar-
mory which has eight thousand chairs
was well filled when Hon. P. W. Durr,
of Cincinnati, chairman of the state
central committee, called the republi-
can state convention to order this af-
ternoon. The leaders, notably Mr. Han-
na, Governor Nash, General Groves-
nor, and visiting congressmen were
cheered as they entered the armory.
Prayers were offered by Rev. John S.
Rutledge, of the Glenville Methodist
church. Chairman Durr announced
that the state committee had selected
the following temporary officers for the
convention:

Chairman Governor George K. Nash;
secretary, John R. Malloy, Columbus;
sergeant-at-arms, Wm. F. Gass, Cin-
cinnati.

Governor Nash was tendered an ovation
on being introduced.

Governor Nash spoke at length of
the action of the state legislature in
regard to taxation and corporations, and
urged that corporations should not be
looked on as the enemies of the peo-
ple, saying that they should be fos-
tered and encouraged, as they devel-
oped the state's mining resources, op-
erated the great manufactories, con-
structed the railroads and transacted
the business connected with the trade
and commerce, until the state had be-
come very great and very prosperous.
Referring to national affairs, he said
in part:

"I congratulate you that the national
republican party controls the destinies
of this great republic. In the dark and
gloomy days of 1896 it made promises
full of brilliant hope for the nation.
The people trusted and we have en-
tered upon a career unparalleled in the
history of the world. I congratulate
you that in the person of Theodore
Roosevelt we have a president from
whose lips fell the solemn pledge to
pursue, without variation and untar-
nished, the great and beneficial poli-
cies of William McKinley. One week
ago today, the flag of free Cuba, a new
republic, was unfurled floating over an
independent nation. I congratulate you
that this has been redeemed a republi-
can pledge, given by a powerful na-
tion to a weak and nearly exhausted
people. I congratulate you that our
flag still waves in the Philippine is-
lands. There it will remain the signal
of hope, and law and order for their
people. Our enemies may hurl their
calumnies upon our soldiers and sail-
ors and upon honored representatives
of our government, but they cannot
dim the glory of our flag, nor retard
the day when the blessings of our free
institutions will be enjoyed by that
people."

The twenty-one congressional dis-
tricts were called at the conclusion of
Governor Nash's speech and the selec-
tions made at the district meetings
were announced for members of the
new state committee, vice-presidents
and assistant secretaries of the con-
vention and the usual committees. Ad-
journed at 10 a. m. tomorrow.
The preliminary meetings to the con-
vention consisted of conferences during
the forenoon and meetings by congres-
sional districts at 2 p. m., at which
members of committees were present
and assisted officers of the convention,

selected prior to the convening of the
convention, met at 4 o'clock.

One of the most important confer-
ences held was between Senator Hanna
and George B. Cox, of Cincinnati, and
it continued so long this morning that
quite a crowd was kept in waiting out-
side of Senator Hanna's office. The
senator then left his quarters in the
Holendon for his business office.

The distinguishing feature continues
to be the trial heats of candidates for
the senatorial nomination and other
places on the state ticket next year.
The workers today were especially in-
terested in the contest for member of
the state central committee that holds
over till after the next state convention
and controls the machinery at a time
when Senator Hanna will stand for re-
election. The control is also wanted by
those who are in anticipation of the
next republican national convention.
There is much talk in the open field
for Hanna for president two years
hence as well as for re-election as sen-
ator by the legislature that is to be
chosen next year.

There is no opposition expected to
President Roosevelt. Those who are
talking about the delegation to the
next national convention say they do
not want an anti-Roosevelt delegation,
but one that would not be anti-Hanna
in the event of President Roosevelt not
being nominated.
It is understood that Senator Hanna
will be tendered an ovation and call-
ed upon for a speech in the conven-
tion.

HANGING OF NEGRO WHO KILLED JARDEN FAMILY

**WILLIAM H. LANE PAYS PENAL-
TY OF ATROCIOUS CRIME
IN PHILADELPHIA.**

Philadelphia, May 27.—William Har-
mon Lane, colored, was hanged at 10:08
o'clock this morning.

The crime for which Lane paid the
death penalty was particularly atroc-
ious. On the morning of April 1 he shot
and killed Ella Jarden, by whom he
was employed as a servant, and her
two daughters, Madeline, aged 12, and
Eloise, aged 7 years. Lane had stolen
money from his employer and seeing
the consequences of his thefts he de-
liberately shot the woman and her
younger daughter in an upper room of
their home, and then called the elder
child from the street where she had
been playing and shot her. After the
shooting Lane escaped to Camden, N. J.,
but was arrested a few hours later at
the railroad station in that city. He
confessed his crime and after a formal
hearing was sentenced to death. Jus-
tice was not delayed in meting out
punishment to the negro and, in less
than two months after the commission
of the crime, he was executed.

ABSOLUTE DIVORCE GRANTED TO A MINISTER'S WIFE

Newport, R. I., May 27.—Mrs. Porter,
wife of Rev. Charles Hunt Porter, was
granted an absolute divorce today. The
testimony showed that the minister
went to New York April 16 last and
registered at the Manhattan hotel, but
spend the night at a disreputable
house on West Fortieth street with a
woman for whom he bought wine.

The witness testified to seeing the
minister and his companion undressed
in a room. Rev. Porter made no de-
fense. He resigned from the church
and disappeared before the scandal was
made public.

ONE KILLED, THIRTY INJURED; TEMPORARY SIDEWALK FELL

New York, May 27.—The temporary
sidewalk in front of a building being
erected at Fifth avenue and Eighteenth
street collapsed this afternoon when
a crowd was watching the parade in
honor of the French guests. One hun-
dred and fifty spectators were thrown
17 feet below into the excavation.

E. L. Coolidge, a newspaper man, was
killed and 30 persons were severely in-
jured, several of whom it is expected
will die.
A panic followed the collapse and
many were severely hurt by being
trampled on. Many women were among
the victims.

pine Bill.**

**WILL BE GLAD WHEN
FLAG IS HAUL'D DOWN**

**DENONCES THE BILL AS "MON-
STROUS"—SENATE COMMITTEE'S
POSITION ON QUESTION OF POP-
ULAR ELECTION OF SENATORS.**

Washington, May 27.—In the senate
today after routine business considera-
tion of the Philippines bill was resumed.
Patterson of Colorado spoke four
hours against the measure, denouncing
the bill as "monstrous." He approved
of treating the Filipinos the same as
Cubans and would rejoice when the
American flag in the Philippines was
pulled down and the flag of the Filipino
republic hoisted.

Soon after the senate convened today
a bill was passed establishing a regular
term of the United States court in the
western district of Virginia to be held
at Roanoke, Va.

Mr. Burrows, chairman of the com-
mittee on privileges and selections, re-
ported that the majority of the com-
mittee was opposed to the house resolu-
tion providing for the election of sen-
ators by the people; that a majority of
the committee was in favor of the De-
pew amendment providing the election
of senators in all states shall be uni-
form and congress shall have power to
enforce the amendment, and finally the
majority of the committee was oppo-
sed to the resolution as amended. Mr.
Burrows said the committee had not
directed him to report the resolution to
the senate either favorably or adverse-
ly.

Mr. Wellington, of Maryland, moved
to discharge the committee from fur-
ther consideration of the resolution,
this motion was over.

A resolution offered by Mr. Hoar
yesterday, requesting the president to
inform the senate whether there be any
law which would prevent and Filipino
not under arrest from coming to the
United States and stating his views or
desires as to his country to the presi-
dent or to either branch of congress,
was adopted.

A conference report on the army ap-
propriation bill then was called up.
The question was on Mr. Hoar's mo-
tion that the senate ask for a full and
free conference, insisting upon its
amendments. Mr. Spooner insisted
that the house would regard the adop-
tion of the motion as an affront to its
dignity.

After some discussion, Mr. Hoar
withdrew his motion.
Mr. Proctor, in charge of the con-
ference report, offered a concurrent
resolution for the appointment of a
committee of three senators to meet
with a like committee of the house to
confer on the subject of the conferences
between the two houses, and especial-
ly on the matter of instructions to con-
feres.

Mr. Gallinger, (N. H.) indicated that
the house had been offensive in the
senate, but he was called to order by
Mr. Pettus, of Alabama, who held that
what had occurred in the other house
was not a proper subject of comment.

Mr. Pettus's motion providing that
the matter to be considered by the
joint committee should be particularly
the message of the house on the army
appropriation bill. This amendment
was accepted by Mr. Proctor and as
amended the resolution was adopted.
The chair (Mr. Platt), of Connecti-
cut, named Mr. Spooner, Mr. Proctor
and Mr. Pettus as the committee on the
part of the senate.

Consideration then was resumed on
the Philippine government bill, Mr.
Patterson continuing his speech in op-

Out June 2 Unless Scale Is Paid—Seventy Collieries will
Be Destroyed in Two Weeks.**

Pottsville, Pa., May 27.—Operators in
the Schuylkill district were officially no-
tified today by the engineers, pumpmen
and firemen that they will strike June
2 unless the Union scale is paid.

Wilkesbarre, Pa., May 27.—The state
mine inspector declared this evening
that if the operators are unable to
keep the pumps going in the mines af-

be totally destroyed within two weeks
and the loss will be twenty million dol-
lars.

Rifles Reported Shipped.
Hazleton, Pa., May 27.—Everything is
quiet this morning at the Cranberry
colliery of A. Pardee & Co., where the
engineers, firemen and pumpmen quit
yesterday. Several clerks employed at
the Silver Creek colliery, who refused
to act as firemen and pump runners,
were discharged.

This week most of the strikers in the
Hazleton district will receive their
wages for the first half of May. This
will be the last distribution of wages
until the suspension is ended.

It is stated that a consignment of
rifles were sent to some of the colli-
eries on the south side late last night.

Springfield, Ill., May 27.—Union mem-
bers at Litchfield, whose union was sus-
pended by the state executive board of
United Mine Workers of America, for

do so by the board, have returned to
work, Manager Crabb having agreed to
abandon some of the low coal veins in
which the miners claim they had to
work and were unable to make money
by mining coal.

FRANCE.**

Fort De France, May 27.—Ten thou-
sand persons are deserting the northern
part of the island and coming to Fort
De France, which is already overcrowd-
ed with refugees. Mount Pelee contin-
ues to emit ashes and molten matter,
which is covering the mountain.

Prof. R. T. Hill, the American geo-
logist has gone on an expedition
which will try to reach the peak of
Pelee. Prof. Kenan and M. J. Jacassé
left for the interior of the island Thurs-
day. No news has since been re-
ceived of their whereabouts and con-
siderable anxiety regarding their safety
is felt.

Volcanic Ashes Falling.

West Indies, May 27.—During the whole
of last night ashes fell from the volca-
no on the island of Martinique here in
greater quantity than ever experienced
