MORE CANAL TALK IN SENATE

MORGAN DELIVERS ANOTHER IN STALLMENT OF HIS ANTI-PANAMA SPEECH.

Perkins and Stewart also Talk for Nicaragua Route—Gallinger Against It.

UNANIMOUS AGREEMENT FOR PARK BILL SATURDAY

SENATE COMMITTEE ON CUBAN RELATIONS FINALLY AGREE TO ACCEPTANCE OF SPOONER RECIPROCIITY BILL.

Washington, June 17.—Today's session of the house was devoted to business from the committee on judiciary. The most important measure passed was that proposing to amend the bankruptcy law, so as to make it more satisfactory and efficient.

The house recessed until 8 p. m. On reassembling a number of unimportant bills were taken up and passed, and at 10:30 the house adjourned.

Washington, June 17.—Mr. Morgan delivered another installment of his voluminous speech in favor of the Nicaraguan canal in the senate today. In his bitter denunciation of the Panama route he referred to it as being connected with a "glittering fraud."

Perkins, Stewart and Gallinger also discussed the isthmian canal bill. The first two favored the Nicaraguan route, Mr. Stewart declaring that the climate of Panama was practically prohibitive of a canal there, because no white man could work there and live. Mr. Gallinger advocated the Panama route and took occasion to refer to the restrictions uttered with regard to the climate of Panama. He quoted from scientific authorities to show that there was no abnormal unhealthiness to be feared.

Just before adjournment it was unanimously agreed to take up on Saturday the Appalachian forest reserve bill.

Washington, June 17.—The republican members of the senate committee on Cuban relations today finally agreed to the acceptance of the Spooner bill providing for reciprocity with Cuba, and directed that a conference of republican senators be called for tomorrow night to consider its terms.

SENSATIONS IN BRIBERY CASE IN MINNEAPOLIS

Minneapolis, Minn., June 17.—Sensations came thick and fast in the police bribery cases today. When it came time to open the trial of Christopher Norbeck, detective, for alleged bribery, W. W. Erwin, his attorney, arose and confessed that he did not know the whereabouts of his client. His appointment with Norbeck last night was not kept by the client. He called at the attorney's office this morning as had been his custom since the trial began. The disappearance of the accused caused great excitement and a bench warrant will be issued for him.

Since the conviction of Gardner, special officer, and the commitment of detective Harvey for perjury, Norbeck has been very despondent and had threatened to commit suicide. His bail bond for \$5,000 was signed by R. J. Hill and Brandt Sodini. Mrs. Norbeck told a reporter that her husband left home with another man at 8 o'clock last night and she had not seen him since.

Another sensation developed when it became known that Albert A. Ames, mayor of Minneapolis, had been indicted by the grand jury for offering a bribe. The charge is that the mayor endeavored to have his secretary, Thos. R. Brown, appointed sheriff by the county commissioners, when it became

evident that Philip Megardden would be removed from the office by the governor for misfeasance. In attempting to carry out his plan he is alleged to have offered to so arrange matters that the \$20,000 annual income of the sheriff's office should be divided equally between Brown and three county commissioners who were to vote for him, forming a majority of the board. The evidence to this effect was given the grand jury and County Commissioner M. W. Nash, and Ed Sweet.

VOTE ON THE PARK BILL SATURDAY

Special to the Gazette. Washington, June 17.—Senator Burton this afternoon asked unanimous consent for consideration of the Appalachian park bill at the conclusion of routine business next Saturday. No objection was made and a vote will probably be taken on the bill Saturday, and it can be confidently predicted that the measure will pass the senate by a large majority.

DROUGHT CONDITIONS GENERALLY RELIEVED

COPIOUS SHOWERS THROUGHOUT THE STATE—LIQUOR DEALERS' MEETING.

Special to the Gazette. Raleigh, June 17.—The weather and crop bulletin issued today says the drought conditions have been relieved by copious showers over the greater part of the state, which will doubtless repair most of the damage to crops reported this week. The Raleigh liquor dealers are arranging for the state convention next week, beginning Tuesday. President O'Donnell writes from Asheville that the attendance will be the largest in the history of the association.

NEBRASKA REPUBLICAN STATE CONVENTION

Lincoln, Neb., June 17.—Interest in tomorrow's republican state convention centers almost wholly in the head of the ticket. The seven prominent candidates for the governorship who have had their headquarters established since Saturday were doing active missionary work today among the few delegates on the ground but so evenly divided is the strength of at least five of them that the best political prospects confessed their inability to even signify the possible winner. There was talk during the morning of abolishing the usual custom of renominating the remaining state officers and fixing up an entirely new slate, but active efforts in this direction were postponed pending more light on the gubernatorial puzzle.

TWO MEN JUMP INTO A WHIRLPOOL RAPIDS

Ottawa, June 17.—Two unknown men walked out on the Canadian Pacific railroad above Chaudiere Falls yesterday and jumped into the boiling cauldron, known as Big Kettle. They went down in sight of a number of people, who were powerless to interfere. Their act seemed to be deliberately planned. There is not the slightest clue to the identity of the suicides.

BLAND STATUTE UNVEILED; BRYAN AND OTHERS SPEAK

Lebanon, June 17.—The statute erected to the memory of the late Congressman Bland was unveiled today. Addresses were delivered by Mr. Bryan, W. J. Stone and others. The statue is five feet, eleven inches high. It is in the attitude of addressing the people with the right hand extended and the left resting on the hip. It stands in a court square on a pedestal six feet high. One panel is inscribed with an extract of a speech in which Bland opposed the demonization of silver.

GOVERNMENT TROOPS FIRE ON THE STEAMER

THE CAPTAIN KILLED AND ONE PASSENGER WOUNDED—THE VESSEL WAS A NORWEGIAN STEAMER

Washington, June 17.—The warships Cincinnati and Topeka were ordered today to proceed immediately to La-Guayra, Venezuela, where serious political disturbances are believed to be in progress. Orders were issued after a conference at the white house between the president, Secretaries Hay and Moody. The Cincinnati and the Topeka are at San Juan. If the warships leave tomorrow they will reach La-Guayra Friday.

St. Thomas, June 17.—Letters received here from Georgetown, British Guiana, dated June 14th, say that the Norwegian steamer Jotun, a cattle trader plying between Ciudad Bolivar, Venezuela and Cayenne, arrived at Georgetown that morning from Venezuela and the chief officer reported that the Venezuelan insurgents under General Perez commanded the vessel June 6 at Barancas. About 250 revolutionists embarked on the Jotun and conveyed it to Bolivar. At that place Captain Meiling was allowed to resume command of the vessel. On his return voyage when passing St. Felix, Venezuela government troops fired on the Jotun from two steamers, killing Captain Meiling and wounding a passenger named Nunez. The government vessels chased the Jotun but she escaped.

SOUTH CAROLINA CAMPAIGN BEGINS

Columbia, June 17.—The South Carolina campaign opened today. The rules of the primary require all candidates to canvass the state, going in a "party" to each county. This year, because of the great number desirous of serving the people, it was found impossible to let all speak on the same day, so the state is being toured by two sets of candidates.

The party starting from Columbia consists of aspirants for senator, in the lieutenant governor, Tillman, now J. F. Ausel and D. Clinch Heyward are the candidates.

"NEGRO MUST DEPEND ON HIMSELF FOR PROTECTION"

Chicago, June 17.—"The time has come when the black man must depend upon himself for protection. I do not stand for mobs, but every negro should be prepared to protect his home, his wife and children even to death." This advice was given to a meeting of Negroes last night by Bishop Alexander Walters of a colored church in Ohio, after he had warned his hearers that

all signs pointed to a time of great trouble to them.

Bishop Wayters is president of the Afro-American council. The meeting was called for the purpose of taking action on the alleged persecution of negro residents of Eldorado and Harrisburg, Ill., and the lynching of Louis Wright in Missouri last winter.

A resolution was adopted and telephoned to Governor Yates, calling on him to take immediate steps to protect the lives and property of the colored people at Eldorado and Harrisburg. Governor Yates, who is in Chicago, said: "The authorities have been ordered to proceed against any persons who may have been guilty of assaults against the colored people of that locality, and the law will be maintained."

There are others in New York, Baltimore and Boston.

KILLED WIFE AND SELF

Norfolk, Va., June 17.—R. S. Harris shot and killed his wife at his home at Lambert's Point this afternoon. He then committed suicide, shooting himself and falling dead beside her. It is said he suspected his wife's fidelity this afternoon as he, unexpectedly entering the house, a man who was an intimate acquaintance of his fled through the window.

EDWARD DROVE OUT TO WINDSOR YESTERDAY AFTERNOON, SEEMINGLY WELL.

Progress Toward Complete Recovery Uninterrupted—Officially Announced he is Better.

HOPES TO ATTEND THE RACES TOMORROW

London, June 17.—(6:40 p. m.)—The king drove out from Windsor Castle in a closed carriage this afternoon. He appeared to be in good health.

London, June 17.—It is officially announced that King Edward is much better this morning. The king passed a good night and his progress towards complete recovery is uninterrupted. The precautionary measures ordered by his physicians are due to the necessity for husbanding his strength in view of the fatigues of the coronation week. Therefore the king will remain at Windsor castle today. He was keenly disappointed at being unable to attend the Ascot Heats race meeting today, which he intended to open with all the state ceremonial of the early days of Queen Victoria. He hopes, however, to be present Thursday, gold cup day.
