FINAL ACTION ON WEST POINT BILL

CONFERENCE REPORT ON THE APPROPRIATIONS IS ADOPTED BY THE HOUSE.

Discussion on Philippines Bill Calls out Some Eulogies on Regular Army.

ADVERSE ACTION ON ARLINGTON BRIDGE

MEASURE SENT BACK TO CONFERENCE WITH NON-CONCURRENCE IN THE SENATE AMENDMENT FOR THE MEMORIAL STRUCTURE.

Washington, June 21.—When the house met at 11 o'clock today, Mr. Hill, chairman of the committee on military affairs, called up the conference report on the military academy appropriation bill. Mr. Hay (Va.), Mr. Clayton (Ala.) and Mr. Mann (Ill.) criticized the action of the house conferees in agreeing to the number of cadets at West Point recently the number of cadets had been increased 100. The increased membership of the house would further increase the cadets 30 and now it was proposed to increase that number still further. He did not believe we should legislate in the direction of a great increase in the standing army.

Mr. Clayton called attention to the fact that the army which cost annually \$25,000,000 before the Spanish-American war now costs annually \$125,000,000. Mr. Hull and Mr. Parker (N. J.) defended the conference report, arguing that the increase was necessary in order to properly officer the army.

Mr. Clayton demanded a division of the adoption of the report, and no quorum appearing, a call of the house was ordered. After the roll had been called, Mr. Richardson, the democratic leader, grew impatient over the fact that no announcement of the state of the vote was made beyond the fact that no quorum had responded, and there was a rather sharp exchange between him and the speaker over the requirements of the rules in the premises.

Mr. Clayton finally moved to adjourn but the motion failed. After waiting twenty minutes a quorum appeared and the conference report was adopted 88 to 59.

Mr. Cannon (Ill.) called up conference report upon the sundry civil bill. Mr. Cannon explained that the agreement was only partial. Of the \$6,547,000 added to the bill by the senate \$4,053,000 had been agreed to by the conferees, leaving items carrying \$1,233,000 still in controversy. The report was agreed to without division.

Mr. Grosvenor (Ohio) moved that the house concur in the senate amendment for a memorial bridge across the Potomac to cost not to exceed \$2,500,000 and appropriating \$10,000 for the preparation of plans. Twenty minutes debate was allowed upon a side. Mr. Grosvenor, in support of his motion, referred to the fact that the G. A. R. had endorsed the movement for a bridge to connect Washington with Arlington cemetery and Fort Meyer. Mr. Grosvenor's motion, after some debate, was voted down without division and the bill was sent back to conference.

The debate on the Philippines civil government bill was then resumed. A notable contribution to the debate was a brief and telling tribute to the American regular army paid by McClellan (Dem. N. Y.) which was received with enthusiastic applause. Maddox (Dem., Ga.) also spoke.

fighting the fire to save the hotel. Steadily the fire was held back and assistance was asked for from Tacoma, which was promptly sent by Mayor Campbell. Near Maywood, three miles below here, a lumber camp has been burned out. On each side is a seething furnace so hot that the crew on the relief train was compelled to seek protection inside the caboose while passing it. Morgan's camp, one mile down, is partly destroyed, though it is thought the most valuable effects can be saved. At Canton, nine miles below Hot Springs, are congregated the few settlers and woodsmen of the vicinity. They declare the forest for miles around to be ablaze. At Eagle Gorge the same conditions exist and several smaller fires are reported within a radius of twenty-five miles.

PRITCHARD, MOODY AND DAY MEET WITH POSTMASTER GENERAL.

Special to the Gazette. Washington, June 21.—Senator Pritchard and Congressman Moody called at the white house today and presented Captain W. H. Day and John R. Burton to the president. The party afterwards called on the postmaster general and conferred about Burton's appointment as postmaster at Weldon, against whom charges are preferred. Your correspondent understands that Daniel Eatrick is slated for collector at the port of New Bern.

STRIKE TIES UP STREET CAR TRAFFIC IN TORONTO

Toronto, Ont., June 21.—The street car men of this city went on strike this morning.

More than 900 men stopped work. The employees at first demanded recognition of their union, twenty-five cents an hour and a nine hour day. Conferences between their representatives and officials of the company were held daily. The last offer of the company was to pay them from 17 to 21 cents an hour. The men, it is understood, are willing to accept from 18 to 21 cents. The question is of recognition of the union. The reinstatement of Business Agent McDonald and a demand for a flat rate of 25 cents an hour are left over for the present. The employees took a final vote on the strike question early this morning and decided to go out.

RIOTING NEAR SHENANDOAH

A MOB OF STRIKERS, BOYS AND WOMEN, ATTACK COAL COMPANY'S WORKINGS.

Women Violent With Rage In- flict Severe Injuries on Workmen and Property.

SHERIFF READS RIOT ACT; GUARDS RUSHED TO SCENE

TEMPER OF THE STRIKERS GROWING BOLDER—NON-UNION MEN WHO REMAINED AT THE WORKINGS CLUBBED AND KICKED.

Wilkesbarre, June 21.—A mob of 800 strikers, women and boys stopped the operations at two of the workings of the Lehigh Valley coal company this afternoon near Shenandoah. Several workmen were injured by clubs and stones. The mob marched to the collieries in the same manner as did the men upon Lattimore.

Tonight riot is still in the air. The company is rushing guards to the place. The sheriff is swearing in extra men. The temper of the strikers has been growing bolder during the last few days. The mob approached the works shouting, hooting and hurling stones. Most of the non-union men fled, but some remained. They were severely beaten with clubs and kicked when down. The women were violent with rage and inflicted the severest injuries. Windows were broken and the buildings otherwise damaged. The sheriff arrived finally and read the riot act but no arrests were made owing to the violent temper of the mob. It finally dispersed taking a number of non-union men with them.

REVOLT AGAINST THE OATH-BOUND PRIMARY

Special to the Gazette.

Charlotte, June 21.—The "insurgents" or anti-primary democrats of Mecklenburg county held a convention in Charlotte today, presided over by Col. H. C. Jones. Several hundred delegates were present, among them many of the most prominent leaders of the party. Speeches were made by Hon. Sol. Reid, Dr. R. J. Brevard, Hon. F. B. McDowell, Col. Anthony, Messrs. John Van Landingham, Harrison Watts, W. W. Phifens, and others equally prominent in the party councils.

Resolutions were passed denouncing the sworn primary as an insult to manhood; favoring the election of magistrates and the recorder by the people, abolition of the five per cent imposed on delinquent taxpayers, etc. A convention was called for Saturday, June 28th, for the purpose of nominating a full county and legislative ticket in opposition to the regular democratic nominees.

WATTERSON'S SCATHING ARRAIGNMENT OF CLEVELAND

Louisville, Ky., June 21.—Under the caption, "A Death's Head at the Feast," Mr. Watterson has the following to say in today's Courier-Journal regarding Grover Cleveland's "harsh" speech at the Tilden Club banquet in New York:

"It seems a kind of irony that it should be a Tilden club to welcome Mr. Cleveland's baleful re-entry into political activities. Mr. Tilden died with words of scorn and contempt upon his lips for Grover Cleveland. He understood perfectly the coarse texture of Mr. Cleveland's physical and mental makeup, his obtuse selfishness, his ignorant obstinacy, his vulgar self-assertion, his indefatigable duplicity.

"That Mr. Cleveland should put himself forward as a conjecturable party leader is proof of a self-confidence which would be sublime if it were not

sinister; because leadership with him means office, and nothing but office.

"From the day he was one and twenty till now he has been an office seeker. He never drew a disinterested respiration in all his life. We are not permitted, therefore, to see in this artfully timed and ostentatious reappearance upon the scene from which he withdrew into the conspicuous shade of a great university anything except the organization of a presidential boom, as it is called.

"We rather think the party will agree without much division that it had its fill of Mr. Cleveland. The idea of his nomination is little short of ridiculous. "The name of Cleveland may still be a name to conjure with in the east, but to the democrats of the west and south it is simply hateful."

Poughkeepsie, June 21.—Cornell won the big varsity boat race today, defeating Wisconsin three lengths. Columbia was third, Pennsylvania fourth, Georgetown fifth, and Syracuse last, but only about seven lengths behind the winner.

GIRL CHARGED WITH MURDERING AN INFANT

Clare, Mich., June 21.—Annie Curtis of this city, a twelve-year-old girl, was taken to the county jail this morning by Sheriff Welsh charged with murdering the thirteen-months old son of George Pardee by administering carbolic acid while the child was sleeping at home. The babe was day before yesterday discovered by the people in the house frightfully burned about the mouth. There was nobody in sight and search was begun for the person who must have administered the dose. Suspicion fell upon the Curtis girl.

KILLED BY MOB AFTER KILLING A CITY MARSHAL

Jefferson, Ia., June 21.—City Marshal Swearington was shot and instantly killed today by S. M. Shipman, whom he sought to arrest. A mob immediately gathered and the murderer was killed.

Boys enroute to a circus had a dispute with Shipman, and he threw stones at them. The boys swore out warrants and when Swearington went to Shipman's house the latter fired through the door. The mob attacked the house and riddled it with bullets. Shipman receiving a mortal wound.

WYETH WINS AMERICAN DERBY

OWNER WINS A FORTUNE AND BOOKMAKERS ARE HARD HIT.

Chicago, June 21.—Wyeth, owned by Millionaire Drake of Chicago, won the American derby this afternoon at Washington Park, a length and a half ahead of Lucien Appleby, who was three lengths ahead of Aladdin.

Heno, the favorite, was fifth, Pentecost eighth. Time, 2:40.1-5. There were twelve starters and 50,000 spectators witnessed the race. Drake won a fortune, hitting the bookmakers hard. The racing stables were astray at an early hour this morning and everywhere there was an air of "something to happen." More than half the derby horses had passed the night at the track and these were given light exercise on the inner track, none being allowed on the regular racing track on which the harrows were busy. The ground on the inner track was soft and slick from the recent rains.

Heno, the favorite, took his morning canter with Jockey Bullman in the saddle and the rail birds watched interestedly and agreed they were a good pair to beat.

Pentecost, with little Redfern up, breezed half a mile fighting for his head. He seemed a big handful for the midget on his back and some wonder was expressed that Madden did not send from New York a jockey of more power and experience to ride his colt in such a great race.

Arsenal, with O'Connor up, made six furlongs at half speed. The colt moved well and the rail birds passed many complimentary remarks on the skill of his pilot.

Hermis, Bells Commoner and Wyeth trotted and cantered enough to warm up a bit and show that they are in good form.

Otis, Aladdin, Prowl, Lucien Appleby and Lord Quex had light work at the Harlem Park race track, where they have been stabled during the spring meeting, and shortly before 9 o'clock were loaded on a special train and started for the scene of this afternoon's contest.
