ASSESSMENT QUESTION  
DECIDED YESTERDAY

ENERGETIC DEBATE ON QUESTION  
OF USING ASSESSMENTS FOR  
BENEFIT OF BITUMINOUS MIN-  
ERS WHO ARE OUT.

Indianapolis, July 18.—The question  
of whether the assessment recommended  
by President Mitchell for the relief of  
the anthracite miners be used also for  
the benefit of striking bituminous  
miners in different parts of the country  
was the only thing before the mine  
workers today. The debate grew so en-  
ergetic that it was determined to hold  
an executive session. Nothing was  
determined during the morning regard-  
ing the distribution of the assessment.  
The lack of harmony was so pro-  
nounced at the morning session that  
newspaper men and the public excluded  
from the afternoon gathering. Mitch-  
ell's proposition to assess each working  
miner \$1 a week was the principal  
point of difference. Some members of  
the union receive \$30 a week, while  
others get but \$12, and the proposition  
to assess the \$12 man the same as the  
\$30 worker was declared unfair. An-  
other dispute was about preventing the  
shipment of soft coal into the anthracite  
region, many claiming that ship-  
ments would tend to end the strike in-  
stead of otherwise. The situation in  
the Pittsburg district caused the dis-  
pute. President Dolan spent \$7000 there,  
\$2000 more than he asked for, and the  
situation there was not improved.  
Mitchell said tonight the national treas-  
ury would soon have a million dollars.  
At the secret session the opponents to  
the \$1 plan won, and it is now pro-  
posed to levy a 10 per cent tax on the  
wages of every man in the organiza-  
tion.

This morning the sentiment among  
the delegates was as strong as  
ever against a strike and all  
danger of such an event is now passed.  
The anthracite men favoring a strike  
admitted that there was no chance of  
a walk out. They were hopeless last  
night when a majority of their own  
men were opposed to a strike, and this  
morning they came into the convention  
determined to stand as a unit by the  
recommendations of President Mitchell.

The convention was called to order  
at a few minutes after 10 o'clock and  
almost immediately a recess of one-  
half an hour was taken to enable the  
delegates to arrange details regarding  
railroad tickets.

Thomas L. Nichols, president of dis-  
trict No. 1, anthracite union, which was  
chiefly instrumental in calling the con-  
vention, this morning said that he had  
been in favor of a general strike.  
"I never was personally in favor of a  
strike," he said, "but knowing how the

majority of our people feel, I should  
have voted for a general strike if the  
question had come before the conven-  
tion. Just now I guess it is just about  
certain that there will be no strike, and  
if a good fund is raised, I think that it  
will be just as well. It is the best that  
can be done now at any rate."

The report of the committee on cred-  
entials showed there were 2,253 votes  
in the convention.

The convention then took up the ques-  
tion of adopting the recommendation of  
the president.

President Haskins of Ohio moved to  
amend the recommendation regarding  
the application of the relief fund to  
cover all existing strikes that have the  
endorsement of the executive board.

A motion to table the Haskins  
amendment was lost.  
Secretary Dempsey, of district No. 1,  
anthracite, announced that the anthracite  
miners would support the recom-  
mendations of President Mitchell, pro-  
vided that if the assessment urged by  
the president be not found sufficient it  
should be increased according to the  
judgment of the officials of the order.

John P. Reese of Iowa urged that  
the convention had been called to care  
for the anthracite strike and that in  
as much as the recommendations of the  
president were based on the minimum  
sum necessary to support the anthracite  
men, if more money were needed, the  
assessments should be increased.  
Great applause greeted the speech of  
Mr. Reese.

President Patrick Gilday of District  
No. 2, spoke strongly in favor of dis-  
tributing the relief fund to all strikers.  
Several long speeches that were not to  
the point under discussion provoked a  
motion that all speeches should be re-  
stricted to five minutes. Delegate Fitz-  
patrick, who made a radical speech  
yesterday, shouted from the gallery:

"Oh, if you want to railroad this  
thing through, railroad it."  
President Mitchell offered to recog-  
nize Mr. Fitzpatrick, but the latter re-  
plied in a disgusted tone:  
"Oh, I don't want the floor—what's  
the use?"

Thomas D. Nichols, president of Dis-  
trict No. 1, anthracite, spoke against  
the amendment. Vice-President Lewis  
asked that the convention go into ex-  
ecutive session to discuss the assess-  
ment proposition and it was decided  
that the afternoon session should be  
an executive character.

## ARBITRATION PLAN PROVES UTTER FAILURE

Wilkesbarre, Pa., July 18.—Father  
Curran, who held a conference with  
President Baer, President Truesdale  
and George H. Perkins representing  
the operators, and Oscar Stauss of the  
Civic federation, in an effort to have  
the strike settled by arbitration, has  
returned home having utterly failed  
in his mission.

The operators refused absolutely to  
consider an arbitration suggestion. The  
operators say they are not interested in  
what action the Indianapolis conven-  
tion takes.

## JEFFRIES DECIDES TO FIGHT CORBETT

New York, July 18.—Word was re-  
ceived here today from San Francisco  
that Jeffries has decided to fight Jim  
Corbett in San Francisco August 3.  
Corbett has been training since last  
May and is in good condition. He  
boxed four rounds at Rockaway with  
McGovern today, and his wind was  
found to be in good condition.

## KENILWORTH INN PROPERTY WILL BE SOLD TO SATISFY MORTGAGE

A suit to foreclose a mortgage of  
\$75,000 against the Kenilworth Inn com-  
pany was filed yesterday in the Superior  
court clerk's office by the Girard Trust  
company of Philadelphia. The Kenil-  
worth lands, the Kenilworth Inn, all the  
hotel buildings, houses, stables, laun-  
dry, etc., and all the furniture, carpets,  
machinery, boilers, engines, electrical  
appliances, horses, wagons, together  
with all the ways, water courses, roads,  
rights, liberties, privileges, hereditaments  
and appurtenances is the property con-  
stituting the subject matter of this ac-  
tion. That interest aggregating \$22,-  
830.00 in addition to the principal of  
\$75,000 still remains part due and up-  
paid is alleged by the plaintiff. The  
plaintiff alleges that \$13,041.00 was paid  
by them for insurance which the de-  
fendant refused to pay.

The plaintiff prays that a judgment  
and decree be entered declaring that  
the mortgages held by the Girard Trust  
company are a lien upon all the lands,  
buildings and improvements, real and  
personal property of Kenilworth Inn  
company; for a judgment and decree

## BUT FOR HALIFAX IT WAS BROWN'S

NOMINATION OF CONNOR AT  
GREENSBORO EFFECTED  
BY FICTITIOUS VOTES.

Discussion of the Adoption of  
Plank Approving the Kansas  
City Platform.

WHERE DID MINORITY  
REPORT ORIGINATE?

SIMMONS SAID TO HAVE SECRETLY  
SPRANG IT ON THE CONVENTION  
—ELEMENT OPPOSED TO BRYAN-  
ISM WAS BOUND TO MAKE A  
CONTEST ANYWAY.

Raleigh, N. C., July 18.—Attention  
has been called to the fact that the  
nomination of Connor for associate  
justice at Greensboro was effected  
through fictitious votes. Had the vote  
of Halifax county, which was cast  
solid for Connor, been based on some-  
thing less than the combined white and  
colored population of the county; in  
other words, had the vote for governor  
in 1900 been counted as cast, the ma-  
jority for Connor would have been con-  
verted into a Brown majority, and the  
history of the democratic state conven-  
tion would have been written differ-  
ently.

H. W. Plummer, J. C. Martin and  
W. B. Gwyn of Asheville, appeared be-  
fore the corporation commission today  
and urged in support of the motion for  
a reduction in assessment and taxation  
of street railway property in Asheville.  
Claude Kitchen, representative from  
the Second district, who was here to-  
day, expressed surprise at the introduc-  
tion of the minority report on the Kan-  
sas City plank at the state  
convention. No information was given  
by the minority of such action. He  
wrote the plank himself in a spirit of  
compromise and thought it gave satis-  
faction. Some of the delegates who  
stopped over from the state convention  
today intimated very strongly the op-  
inion that the move was engineered by  
Senator Simmons after it was supposed  
the matter had been adjusted amicably.  
Others, however, said a fight on  
the plank could not have been averted  
as a motion to cut it out would have  
been made anyway. The large element  
opposed to Bryanism would not submit  
to anything squinting in that direction  
without a contest.

GREENE SAYS HE THEN PRO-

000 TO THE AGENT—SWEARS OF-  
FER RELATED TO THE CRIMINAL  
TRIAL.

Quebec, July 18.—Today's proceedings  
in the Gaynor-Greene case consisted  
principally in the filing of affidavits  
and contra-affidavits and it was only  
a short time before the adjournment of  
court that Mr. McMaster, for the pro-  
secution commenced his argument on  
his motions to quash the habeas corpus  
writs issued by Judge Caron on June  
20 and 21 last.

The proceedings were opened by Mr.  
Taschereau, counsel for the prisoners,  
who produced affidavits of Benjamin  
Greene, to the effect that on May 17,  
Mr. Erwin called on him at the Wind-  
sor hotel, Montreal, when Erwin said  
to Greene:

"If you will pay \$500,000 to settle the  
whole matter, I will go at once to  
Washington and advise its accept-  
ance."  
Greene replied that he could not  
stand that because he had not the  
money with which to pay his half of  
the amount, but that Erwin said:  
"Gaynor has enough. I don't know  
where it is, but he has it."  
To this, Greene said:  
"If you say \$200,000 I will talk with  
Colonel Gaynor about it."  
Erwin replied, the affidavit continued:
