**COCKE GOES TO TRAP WITH OATH ON LIPS**

For the Murder of Engineer Wray Ashley Cocke and Tom Lauderdale Pay Death Penalty at Greenville, Miss. Former Raved Like Madman.

Greenville, Miss., July 23.—At 11:41 o'clock this morning Ashley Cocke and Tom Lauderdale, the murderers of Engineer Wray, expiated their crime upon the gallows. Cocke died cursing everybody in Greenville and the officers of the law. Lauderdale met his fate calmly.

At early dawn great throngs of people began to arrive in the city, and by 10 o'clock the place was crowded to its utmost capacity. Sheriff Hunt had sworn in a large number of deputies, and every precaution was taken to prevent any possible trouble. Cocke and Lauderdale, after a good night's sleep, awoke at 7 o'clock. Breakfast was offered them, but both declined to eat. Cocke was visited by Rev. Cunningham, who tried his utmost to induce the doomed men to embrace religion, but all to no purpose.

At 11 o'clock the two men were brought into the corridors of the jail, where the last farewells were said. They were then taken to the scaffold, and in full view of thousands of people both were hanged.

Lauderdale remained firm and quiet throughout, but Cocke raved like a mad man, cursing everything and everybody in Greenville, and finally, when the black cap was adjusted, he uttered a fearful oath at the sheriff and his deputies. There was no semblance of trouble.

Three new Philippine dioceses will be created. Governor Taft in starting for Naples to visit Pompeii and Mount Vesuvius, expressed a desire that the bishop of one of the new dioceses be a native of the Philippines. New York, July 23.—Congressman James M. Griggs, of Georgia, chairman of the Democratic congressional campaign committee, who is in this city to meet other members of his committee says the issues of the next campaign from a Democratic standpoint, should be the tariff, the trusts, the Philippine and ship subsidy.

"I think there is a very good chance," said he, "for the Democrats to control the next house on the issues I have named."

Mr. Griggs will meet Lewis Nixon, the chairman of the finance committee of the national committee today, and arrange with him for the establishment of the headquarters of his committee in New York. The committee will have its home at the Hoffman House, beginning Aug. 1.

**WHITES FLEEING TO COAST.**  
Barbarous Acts by the Natives of Africa.  
Lisbon, July 23.—The governor of Zambesi has notified the authorities of the dispatch of a punitive expedition consisting of 300 hundred Europeans and 700 natives from Cinde for Barue to suppress the native insurrection in Angola. The natives there have committed many barbarous acts against resident Europeans, having destroyed their property and compelled an exodus of the white population to the coast.

Seventy white persons have reached Covo Redondo in a sad plight. They had traveled 250 miles on foot. Much anxiety is felt for the fate of others. It is reported that a number of traders who were unable to escape have been captured by the natives, who cut up and burned their bodies.

Gold-brick purchasers are born often enough to keep the manufacturers from going out of business.

**A GENTLE HINT.**  
In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingled in a single day—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boesche's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Croup, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. Get a sample bottle free from Dr. T. C. Smith's drug store. Regular size, 75 cents. Get Green's Special Almanac.

**NOTICE!**

**North Main Street Line**  
will not run beyond Coleman avenue. A 20 minute schedule will be operated and cars will leave the square at 6:40 a. m. and every 20 minutes thereafter until 11 p. m.

This change is necessitated owing to the fact that the county convicts in constructing a road underneath the trestle have damaged it to such an extent as to make it dangerous to run cars over until it is rebuilt.

**MOTHER ALWAYS KEEPS IT HANDY.**  
"My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L. W. Spalding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once, and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic. At Dr. T. C. Smith's Drug Store.
