Gentlemen:—I have been a great sufferer from Kidney and Bladder troubles for about four years, and have used numerous waters without any permanent results until I tried your Harris Lithia Water, which soon cured me entirely. For two years I have been free from all my old troubles, and I attribute my health to the use of Harris Lithia Water. I have recommended your water to hundreds of friends and am glad to say it has acted like a charm in every case; I have suffered from Indigestion and Dyspepsia and a bottle of your carbonated water has always relieved me. I certainly consider your Harris Lithia Water the best in the world.

Yours sincerely,
 G. A. OROFF.
