## 3500 VETERANS ARE GATHERED IN GREENSBORO

LARGER ATTENDANCE THAN ANY PREVIOUS OCCASION—YES—TODAY'S PROCEEDINGS

Special to the Gazette.

Greensboro, N. C., Aug. 20.—The annual reunion of the North Carolina division of Confederate veterans in session here is the largest gathering of old soldiers ever known on a like occasion. Thirty-five hundred have been registered, when only two thousand were expected, and the commissary department has been severely taxed to care for them, free rations and beds being provided at Camps Scales for all who are not making provisions for themselves.

Over seventeen hundred were fed at each meal today, the supper being varied and bountiful. It is estimated that ten thousand visitors witnessed the parade this afternoon, which was imposing and impressive. This morning the regular business session was held, the old officers re-elected. A resolution disapproving the pension status resolution adopted by congress was adopted.

Fine addresses were made by D. C. Waddell, sr., of Greensboro and C. B. Watson of Winston and a fine historical-political address on events preceding and following the conflict was made by Solicitor General B. A. Crump of Macon, Ga.

Tonight union religious services were held in West Market Street church and a big ball is in progress at Lindley Park pavilion, complimentary to sponsors and maids of honor.

Camp will break tomorrow.

## THE PRESIDENT DISSATISFIED

WITH THOSE SOUTHERN REPUBLICANS WHO PROMOTE FACTIONAL DIVISIONS.

Credit and Recognition Due to Those Who Aid in Making Substantial Gains at Polls.

NOT TAKING SIDES WITH ANYONE IN TEXAS

SOME STATEMENTS ON SOUTHERN POLITICS FROM THE PRESIDENT IN AN INTERVIEW WITH TEXAS STATE CHAIRMAN.

Oyster Bay, Aug. 20.—Chairman Lyon of the republican state committee of Texas called on President Roosevelt today and told him that as a result of ex-Congressman Hawley's recent visit to him (Roosevelt), Texas newspapers asserted that the president was supporting the faction of Texas republicans that Hawley represents. Roosevelt told Lyon that nobody had any right to assume to speak for the president with regard to affairs in Texas. He was not taking sides with anybody in Texas.

He expressed himself as altogether dissatisfied and impatient with those republicans who devoted all their energies to carrying on factional divisions in the southern states. He said he felt that credit and recognition would fall to those republican leaders who were able to make a substantial showing at the polls, especially for candidates for congress, and not to those who spent their time plotting to capture delegates or receive offices.

The president recently informed Chairman Babcock of the republican congressional campaign committee, that he was disconcerted with the Virginia republicans because they didn't make a respectable show fighting to elect republican congressmen from the western districts of Virginia.

## ISSUING LARGE LOAN IS OPPOSED BY PALMA

Havana, Aug. 20.—President Palma is opposed to issuing a large loan at present. He is of the opinion that until Cuba has established her financial stability by showing her capacity to keep within her budget, money cannot be raised to any advantage.

## WORK AT DURYEA RESUMED

Wilkesbarre, Pa., August 20.—The Warnke washery at Duryea resumed operations this morning under a strong guard. The works are surrounded by deputies and coal and iron police.

Tamaqua, Pa., August 20.—The battalion of the Twelfth regiment encamped at Manila park near here, spent a quiet and uneventful night. A heavy guard was thrown around the camp in expectation that an attempt might be made to stone the sentries but the precaution was unnecessary as none of the strikers ventured near the camp during the night. Today the miners strung a cord of guards on the outside of the sentry line of the camp. They say they have done this to better protect

the soldiers and keep their own men out of the camp, as the leaders say they have no business there.

Gen. Gobin will return to Shenandoah tonight, but it is probable he will come here on Thursday, the day on which Sharp, the strike leader, who was killed on Monday evening, will be buried.

## CAMPBELL'S APPEAL IS ALMOST READY

J. M. Campbell expects soon to have prepared his appeal from the decision of the officers of the democratic congressional convention at Hendersonville, who declare J. M. Gudger, jr., the nominee of that convention.

Mr. Campbell is only awaiting the receipt of certain affidavits to have his papers in the case ready for submission. He will himself set forth at length the reasons upon which he bases his claim that Mr. Gudger is not the nominee of the convention, according to the democratic plan of organization, and that he (Mr. Campbell) is really the nominee, accompanying his statement with a number of affidavits in support of his allegations as to facts.

The appeal will be made simultaneously to the democratic state executive committee, through Chairman Simmons, and to the national committee, through Chairman Briggs. At the same time a copy of the documents will be sent to Mr. Gudger, and notice of the appeal will be formally served upon him.

## DESCRIBES HIS OWN DEATH FROM DOSE OF MORPHINE

Kansas City, Aug. 20.—Dr. S. L. Foote, aged 80 years, died at his office at Argentine, Kansas, a suburb, during the night from morphine, apparently taken by mistake. The drug had been taken yesterday afternoon and the physician was not found till several hours after he had died. He left a note describing his death struggles and giving directions for the disposition of his property.

"I feel all right at the present time," says the note, "but know that the poison is doing its work. I burn, but feel a sort of soothing sensation flow over me and a desire to go to sleep. I am sure that I have not much longer to live. It is after three o'clock and I feel I am dying. My head is clear and my brain works perfectly. But now I feel the spasm coming, and then I will be gone. Good-bye."

Dr. Foote came to Argentine from Ohio.

## PRISON MUTINY OF DESPERADOES

Seizing Guard as Hostage, Three Murderers Defied Rearrest More than Four Hours.

ONE KILLED AND THE OTHERS RE-CAPTURED

FROM 6 A. M. UNTIL AFTER 10 THE PRISON OFFICIALS CONFRONTED PROBLEM OF GETTING PRISONERS AND SAVING FOREMAN'S LIFE.

Frankfort, Ky., August 20.—The officials of the state penitentiary and the citizens of Frankfort were thrown into a state of wild excitement this morning by the mutiny in the prison, started by an attempt to gain their liberty on the part of three desperate murderers, Lafayette Brooks, Wallace Bishop and T. Mulligan.

The mutiny started while Brooks, Mulligan and Bishop, one of whom had a pistol concealed about his person, were coming out of the dining room at 6 o'clock this morning to answer hospital call. Suddenly one of the convicts drew a weapon and compelled Guard A. H. Gill to give up his arms. Guard F. F. Hurst, who rushed to Gill's assistance, also was captured by the convicts. Captain Mat Madigan, acting warden, then rushed forward with six guards and fired on the bunch, but no one was wounded. The convicts then ran across the yard and at the entrance to the reed department of the chair factory, captured Charles Willis, of Clark county, a foreman. They covered him with their pistols and placing him between them and the guards, retreated to the rocker department from
