THE PRESIDENT WILL VISIT US

HAS FORMALLY ACCEPTED INVITATION TO GO TO CHATTANOOGA.

According to His Promise to Senator Pritchard, This Means He Will Come Here.

SPOKE TO GREAT CROWD IN BOSTON LAST NIGHT

IN HIS SPEECH HE DWELT EVEN MORE EMPHATICALLY THAN AT PROVIDENCE ON NECESSITY FOR SUPERVISION OF TRUSTS.

Boston, Aug. 25.—President Roosevelt spoke in Symphony hall tonight to an immense crowd. His remarks were vociferously applauded. His speech did not differ materially from that which he delivered in Providence Saturday. It was mainly devoted to the advisability of governmental control of trusts and other combinations. His declaration in favor of governmental supervision of combinations by constitutional amendment was even more emphatic than his utterances in Providence.

Peoria, Ill., Aug. 25.—President Roosevelt has accepted the invitation to be present at the biennial session of the Brotherhood of Locomotive Firemen at Chattanooga. The acceptance by the president follows:

"Oyster Bay, August 22, 1902.
"My Dear Sir:—Referring to the interview had by Mr. Arnold and you with the president yesterday, I am directed by the president to say that he has concluded to accept the kind invitation of the Brotherhood of Locomotive Firemen to be present at their biennial convention at Chattanooga, Tenn., in September next and that it will give him great pleasure to be present. Truly yours,
"WM. LOEB, JR.,
Assistant Secretary to the President.
"To Mr. John C. Hanahan, acting grand master, B. L. F., Peoria, Ill."
Grand Secretary-Treasurer Frank W. Arnold of the Brotherhood of Locomotive Firemen said of the acceptance:
"I think it is a noteworthy matter. It is quite significant, for it is recognition of labor by the president of the United States that we must not lose sight of. We feel that the president's acceptance of our invitation and the assurance that he will be present, will be received throughout the entire country with feelings of satisfaction and delight. Our members and friends will see that a president is a man just like one of us."
The announcement that he has definitely decided to go to Chattanooga means that the president will pay a visit to Asheville soon, according to his recent promise to Senator Pritchard.

Presumably he will come immediately from Chattanooga to Asheville. As was long ago stated, President Roosevelt has been considering an invitation from Senator Pritchard to hunt the bear in his lair on Mount Mitchell and vicinity. It is understood that the party will start from Asheville, and spend several days on the hunt.
"Big Tom" Wilson, the noted hunter, whose home is in the very heart of the bear country, will of course have charge of the hunt. One of Big Tom's claims to fame is that he found the body of Prof. Mitchell, after whom the highest peak east of the Mississippi was named.

GOBIN SEES NO SIGNS OF END OF STRIKE

Shenandoah, Pa., Aug. 25.—Much importance is attached to the calls Gen. Gobin receives from coalmine operators, who spent hours with the general in going over the strike situation. After having met a number of operators, Gen. Gobin said today that he does not see any signs of a settlement. In fact, he states, all indications point more definitely to a prolongation of the strike now than they did when he first reached here.

Individual operators are beginning to display evidence of a willingness to end the strike if a method could be shown them how they could make a concession to the men without stultifying themselves.

ation is to better the condition of the colored race. The first object of the association is "to make proper lawful provision for the arrest, conviction and punishment of those who perpetrate or assist in perpetrating violation on persons of color." Another object is to secure from congress and state legislatures laws for the protection of colored people. It is proposed to encourage supplemental efforts for the advancement of negroes. The directorate is composed of both whites and negroes.

BLACKBURN AND PRICE SPEAK IN ROWAN COUNTY

Special to the Gazette.
Salisbury, N. C., Aug. 25.—This was a field day for Congressman Blackburn in Rowan county. The speaking was at Millbridge in the western part of the county. The audience included many democrats. Thorough attention was given the speakers and such approval of the policies as enunciated by Mr. Blackburn and Augustus Price as your correspondent never before witnessed. Mr. Price spoke for an hour first. The common sense and sledge hammer blows he delivered were such as did credit even to a son of Charles Price. Mr. Blackburn simply outdid all former efforts. His talk was well and enthusiastically received, and was strong and logical, convincing every fair minded man, regarding the policies of republican party—that they if they were continued 4 cent cotton, thirty cent corn, fifty cent wheat and idle factories were things of the past. Mr. Blackburn at though in a strong democratic precinct, was warmly congratulated by many democrats.

WORK IS WHAT THE RACE NEEDS

Richmond, Va., Aug. 25.—Booker T. Washington made an address before the Negro Business Men's League today. "Work," he said, "is what will advance the ignorant and uplift the depressed negro. That brought them where they are, and when that is taught, well, there will be no trouble." "I want to see our people in every part of the country get the most thorough and best education, but the idle educated man is not worth anything." He said while in many parts of the south the negroes have difficulties had to bear, they have opportunity and encouragement in the south seldom afforded in other parts of the country.
