

MAIN HOTEL

The Court

THE ANNEX

Haywood White Sulphur Springs Hotel

Altitude 2850 feet. Finest Mountain Resort in the South. Highest railroad town east of the Rocky Mountains. 760 feet higher altitude than Asheville, N. C. The climate during the summer months is the most delightful in America. The air is light and invigorating. The nights during the warmer weather are cool and bracing.

For rates and information write JAMES M. COPELIN, Prop., Waynesville, N. C.

GUILFORD DELEGATES TO VARIOUS CONVENTIONS

Full Text of the Resolutions Adopted Saturday. Correspondence of the Gazette. Greensboro, Aug. 25.—A large and enthusiastic convention of the republicans of Guilford county, for the purpose of electing delegates and alternates to the state, congressional and judicial conventions, was held in Greensboro Saturday, with W. B. Steele as chairman and A. P. Grace as secretary. While the committee on credentials were preparing their report, Hon. R. D. Douglas, in answer to repeated calls, made a ringing speech, upholding the cause of republicanism. Short, though interesting, talks were made by W. P. Ragan and M. C. Holton. W. B. Steele, W. P. Bynum, Jr., J. W. Lindau and Numa Wood were elected delegates and J. R. Ozment, John A. Lowry, C. D. Cobb and J. C. Hilton alternates to the state convention; J. G. Brodnax, Jr., S. E. Morrow, O. A. Starbuck and E. B. Atkins were elected delegates and D. C. Walker, J. R. Woods, R. L. Schoolfield and R. C. Burton alternates to the congressional convention; R. D. Douglas, G. S. Bradshaw, W. P. Ragan and G. Will Armfield were elected delegates and M. C. Taylor, J. C. Gardner, G. W. Clapp and W. S. Shaw alternates to the judicial convention. These gentlemen are all representative citizens, who have the confidence and esteem of our people. The following resolutions, introduced by Mr. Douglas, were unanimously adopted by a rising vote, amid much enthusiasm: "Resolved, by the republicans of Guilford county, in convention assembled: "First. That we deplore the untimely death of our beloved president, William McKinley, and express our horror at the crime of his assassination. "Second. We declare our confidence in the leadership of President Roosevelt and our loyalty to his administration, and congratulate the country that the reins of government have passed into such worthy hands. "Third. That we hereby commend the

record of Senator J. C. Pritchard in the senate of the United States to the people of North Carolina. Having been untiring and always diligent in his efforts to promote the success of every measure which promised benefit to any and all sections of the state, he is entitled not only to the hearty endorsement of this convention, but he deserves the approval and endorsement of the people of every county in North Carolina. "Fourth. That in consideration of the great services he has rendered we hereby pledge our best efforts to secure his re-election to the senate of the United States. "Fifth. That we hereby commend the course of Congressmen E. Spencer Blackburn and J. M. Moody in the Fifty-seventh congress. "Sixth. That we arraign the democratic party of North Carolina for its extravagance and incompetency in its management of the affairs of the state, and we deplore the fact that by reason of its ascendancy in North Carolina thousands of white men have been deprived of the right to vote for no other cause than their inability to pay their poll tax by the first day of May." Sues For \$100,000. Tampa, Fla., Aug. 26.—J. P. Munn, the husband of the unfortunate lady who was killed in the collision between a car of the Tampa Electric company and a train of the Seaboard Air Line at the Twenty-second street crossing, has filed notice of two suits for damages in the sum of \$50,000 each against the Tampa Electric company and the Seaboard Air Line, respectively. The papers were filed by Mr. Munn, personally, but it is understood that he has retained Judge H. A. Peoples and Colonel Victor H. Knight to prosecute the suits for him. Mrs. Edmund Rife, wife of the colonel of the Twenty-sixth regiment, United States volunteers, in the Philippines, has put in a claim at the war department for \$1,000,000, alleged to be due as a royalty on a device for rolling up and carrying shelter tents by the army since the civil war.

CHEROKEE COUNTY REPUBLICAN TICKET

Named Monday, at the Largest Convention Held in the County in Years—A Good, Clean Ticket That Will Surely Win.

Special Correspondence of the Gazette. Murphy, Aug. 25.—Never in the history of Cherokee county has the republican party been in such good shape as now, harmonious and united, owing in a great degree to the wise, capable and energetic manner in which Chairman N. Z. Dewesse has reorganized the various precincts and put into practice his theory of honest, business politics. Under the able tutelage of his father, the old warhorse of republicanism, Hon. Drury W. Dewesse, he early showed an aptitude for politics, and was never known to falter, but was always in the thickest of the fray. Mr. Dewesse is a candidate for clerk of the superior court, and his election is a foregone conclusion. The largest crowd that has attended a county convention here in many years assembled in the court house today. Every face, from the young man just about to cast his first vote, to the old, rugged fellow who has been battling for republicanism every four decades, all wore looks of enthusiasm and confidence. The reason good; the ticket clean; the party confident and eager for the struggle—fit as a fiddle and fine as spun silk. The convention was called to order at 1 o'clock, Judge J. T. Patterson being elected chairman and John T. Hampton secretary. The following ticket was balloted upon and declared the nominees: Representative—Mark W. West. Clerk of Superior court—N. Z. Dewesse. Register of deeds—T. C. McDonald. Treasurer—Thomas Payne. Coroner—J. L. Berrong. Surveyor—Francis Lovingood. Sheriff—W. M. Ramsey. Commissioners—R. B. Ferguson, W. L. Bruce and C. C. Gentry.

SHOT AND KILLED SWEETHEART.

Tragedy in Public Road in Henderson County, Tennessee. Memphis, Aug. 26.—A Scimitar special from Huntington, Tenn., says: News has just reached here that Miss Maud Thompson was killed by James Greer near the girl's home in Henderson county. The only cause assigned is that the girl refused to go away with him. Meeting her in the road he put an arm around her neck and shot her twice with a pistol. The murderer escaped.

COAL STRIKERS RIOTOUS.

Special Policeman is Stabbed and Beaten at Hazleton. Hazleton, Pa., Aug. 26.—August Scheuch, aged 56 years, a special policeman in the services of the Lehigh Valley Coal company, was assaulted and stabbed on the outskirts early today while attempting to rescue his son William Scheuch, a non-union workman employed at the company's No. 40 colliery, from a mob of about 3,000 strikers, who had gathered from all parts of the Hazleton region on the roads leading to the mine to frustrate the plans of the company for a partial resumption of operations with a non-union force of 250 hands. A majority of the non-union men were taken to the workings in a special train, which the strikers did not expect to interfere with. Mr. Scheuch, who lives in this city, walked from his home toward the colliery and thus fell into the hands of the pickets. Most of the clothing was torn from his back in the struggle which followed. When Scheuch rushed to his aid the mob set upon the elder Scheuch, who was finally rescued by a mine foreman and removed to the miners' hospital. Scheuch was stabbed in the breast and on each hip, kicked in the abdomen and struck on the head with a stone. His injuries are not very serious. The knife which was sunk into his breast struck a rib and that fact probably saved his life. The effort to prevent work at the mine was successful.

FOOD SAVED HER

That is the True Cure for Most Everything. A food that will help the babies and the grown folks too is worth knowing of and keeping in the family. A mother of Woonsocket, R. I., says, "I have been a user of Grape-Nuts Food for quite a long time, but never thought of giving it to baby, until we had a dreadful time with her. "We tried three kinds of baby food and condensed milk, but nothing seemed to agree with her, and at seven months she weighed not quite ten pounds. We were puzzled to know what to do, when one day husband said, "Do you ever try Grape-Nuts?" I thought she would throw up that food like she did the others, but to our great joy the softened food agreed with her perfectly. "She has been using it for about five months now, and, at a year old, she weighs 19-2 pounds, has eight teeth and her flesh and little body is as firm and round as can be. She walks from chair to chair. "Meeting the doctor the other day I said, "What do you think of her now?" He said, "She don't look like the same baby. What do you feed her?" I said, "Grape-Nuts Breakfast Food." The proof of its value is perfectly clear. She is a wonder every one says that saw her some months ago. I cannot praise Grape-Nuts enough. Please do not publish my name." Name given by Postum Co., Battle Creek, Mich.

AN INSTITUTE AT FIRST PRESBYTERIAN

For the Benefit of the Sunday School Workers, Will Be Held Next Sunday and Monday—School Annex to Be Dedicated.

The new Sunday school building of the First Presbyterian church is to be dedicated next Sunday morning. The dedication services proper will take place at 9:30 o'clock. Rev. Dr. A. L. Phillips, secretary of Sunday schools and young people's societies, will be present and will conduct on Sunday and Monday an institute for the benefit of Sunday school workers. There will be three sessions of the institute on each of these days, morning, afternoon and evening. Dr. Phillips will be assisted by workers from the mission fields of the French Broad and Asheville presbyteries. These meetings will be open to the public, and a special invitation is extended to all teachers and workers in the Sunday schools of the city to attend. The full program will be published later.
