

CRASH!!

Goes the crockery and the waitress will probably be called clumsy and careless. Her plea of sudden dizziness is not allowed. "What right has she to be dizzy?" they ask. Women who are suffering from dizziness are peculiarly feminine; they are liable to sudden dizziness and faintness, and it is only by curing the womanly diseases to which they are subject that dizziness and other ills can be entirely relieved.

Dr. Pierce's Favorite Prescription makes weak women strong, and sick women well. It cures irregularity, dries disagreeable, weakens drains, heals inflammation and ulceration, and cures female weakness. When these conditions are cured, backache, headache, dizziness, etc., are also cured.

"I suffered for twelve years with female trouble," writes Mrs. Milton Grimes, of Adair Co., Iowa, "which brought on other diseases—heart trouble, Bright's disease, and at times would be nearly paralyzed. Had neuralgia of stomach. I can freely say your medicine (nine bottles in all) of 'Favorite Prescription,' four of 'Golden Medical Discovery,' and two vials of Dr. Pierce's Pellets, have cured me. I can work with comfort now, but before I would be tired all the time and have a dizzy headache, and my nerves would be all unstrung so I could not sleep. Now I can sleep and do a big day's work, something I had not done for over eleven years before."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. Doctor Pierce's Pleasant Pellets are the most desirable laxative for delicate women.

Senator Bard's Condition Improved. Los Angeles, Sept. 19.—United States Senator Thomas H. Bard, obtained some much needed rest last night and his condition early today shows slight improvement.

BRAIN-FOOD NONSENSE.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutrition is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aid digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at Dr. T. C. Smith's Drug Store. MILLIONS IN MONEY MOVING.

Chicago Banks Shipping Currency to Handle Western Grain Crop. Chicago, Sept. 19.—Chicago banks are shipping from \$1,500,000 to \$2,000,000 to the country banks of the north and northwest and south and southwest sections of the country to meet the demand of the farmers for actual currency to pay the expenses of harvesting and marketing the grain crop. The movement is in excess of last year's shipments, although the harvesting season is far from being over. It is estimated that over \$7,000,000 will have been shipped by Chicago banks, in bills of \$5, \$10 and \$20 denomination, to the farmers of the Missouri valley before the crops are all put away for the season. This large amount of money is not considered an indication of abnormal conditions by local bankers who have kept closely in touch with the situation. Some state that the first time in four or five years the banks of this city were able to meet the demand for currency, which is inevitable at this season, without experiencing any trouble.

Paris Short on Funds.

New York, Sept. 19.—A deficit in public funds here is becoming as troublesome as the national deficit, says a Paris dispatch to The Times by way of London. The authorities are now collecting a new tax of one-half of 1 per cent on rentals in order to supply the revenue lost by the remission of the taxes on so-called "hygienic drinks"—wine, beer and cider. To meet the further deficit of \$1,600,000 next year, due to the increased expenditure on public works, the prefect has suggested surtaxes on coal, butter, game, poultry, meat, cheese, etc. It is doubtful whether the government will agree to this step.

Funeral of Nicholas Fish.

New York, Sept. 19.—The funeral of Nicholas Fish, banker and diplomat, who died on Tuesday in Roosevelt hospital, was held today at St. Marks Episcopal church. The pallbearers were G. P. Wetmore, Charles A. Peabody, Frank S. Wetherbee, W. Watts Sherman, George W. Polson, Commander Rogers, U. S. N.; Frank N. Pendleton, Dr. J. McG. Woodbury, Talbot Olyphant, Louis L. Lorillard, Geo. E. Dewitt and Richard Martin. The interment was at Garrison, on the Hudson.

A SAD DISAPPOINTMENT.

Ineffective liver and medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. Dr. T. C. Smith's drug store.

Slow Starvation

is the fate of sufferers from dyspepsia and indigestion. If your food remains undigested it can't build up the body. In fact, it does actual damage by decaying in the stomach and poisoning the system.

KODOL Digests What You Eat.

Kodol is the sensible remedy. By digesting what you eat it strengthens the body and at the same time rests the stomach. This rest soon restores perfect health. Cathartics and stimulants only reach the symptoms. Kodol cures. It is Nature's tonic.

Five years ago a disease the doctors called dyspepsia took such a hold on me that I could scarcely go. I took quantities of pepsin and other medicines, but nothing helped me. As a drowning man grasps at a straw I grabbed at Kodol. I felt an improvement at once, and after a few bottles am sound and well. GEORGE S. MARSH, Attorney-at-Law, Nocona, Tex.

It can't help but do you good.

The \$1 bottle contains 2 1/2 times as much (actual measurement) as the trial size which sells for 50c. Prepared by E. C. DeWitt & Co., Chicago. Sold by all dealers.

EDITOR ROBERT L. HOKE DIES.

Best Known Newspaper Man in Tennessee Passes Away.

Nashville, Tenn., Sept. 19.—Robert L. Hoke, one of the best known newspaper men in the state, is dead after a lingering illness, aged 39 years.

He was a native of Athens, Ala., and for years had been a member of the editorial staff of The Nashville Banner, sickness necessitating his retirement from his duties a year ago. He was the author of many productions, under the pen name of "Brutus," and a volume of his writings is to be issued from the press in a few days.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and, therefore, requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Hall's Family Pills are the best.

TESTIMONIALS.

The following are taken from 5000 testimonials now on file in the proprietor's office.

Only Relief for Chronic Malaria. G. D. M. Cantrell, M. D., Little Rock, Ark.: "It was the only agent I found that gave me relief of chronic malaria. For digestive derangements of stomach, bowels, kidneys and all different forms of malaria, Tate Springs water is unsurpassed. It flushes out the system thoroughly and allows nature to reassert itself. Gives relief and comfort to all mucous membrane derangements of functional origin."

The Greatest Wagon Builder in the World Traveled all Over Europe, but found no Relief Until He Visited Tate Springs.

J. M. Studebaker, South Bend, Ind., "I note that your shipments have increased 100 per cent. the past year. This is no surprise to me. My first visit to Tate Springs was in 1872, when there was nothing but two log cabins and their occupants were the three Tate sisters. I had traveled all over Europe seeking my health and I found no relief until I visited Tate Springs. Two weeks restored my health and for these many years I owe my life and health to the waters of Tate Springs."

and I take pleasure in making the above statements to all humanity who are troubled with general nervous debility, or diseases originating from complaints of the liver, kidney or stomach."

H. Green, M. D., Bolling, Ala., "I have had several patients who have had great trouble with torpid liver and indigestion very much benefitted by a few weeks' stay at your place. I have sold quite a good deal of your water here this season also. My observation is that its use is nearly always followed by improvement in those with torpid liver. I think a great deal of Tate water."
