## Entire National Guard OF PENNSYLVANIA ORDERED To Anthracite Region

### Gov. Stone Takes Radical Action To "Maintain Public Peace"

**Mitchell Receives a Propo-  
sition from President Roose-  
velt the Nature of which he  
Refuses to Divulge—A  
Probable Promise of Con-  
gressional Investigation if  
Strike is Ended.**

Harrisburg, Pa., Oct. 6.—Governor  
Stone at 12:30 tonight ordered out the  
entire national guard for duty in the  
anthracite regions.

Orders were telegraphed to each of  
the regiments and companies and all  
soldiers will be on the move by tomor-  
row morning.

The order, in part, says: "In a cer-  
tain portion of the anthracite regions  
tumults and riots frequently occur and  
there is mob law. Men who desire  
to work have been beaten and driven  
away. Railroad trains have been de-  
layed and stoned and tracks torn up.  
The civil authorities have been unable  
to maintain order and have called upon  
the governor for troops. The situation  
grows more serious each day. The presence  
of the entire national guard is  
necessary to maintain public peace."

Wilkesbarre, Pa., Oct. 6.—President  
Mitchell returned at 9 o'clock tonight  
from Philadelphia, where during the  
day he had an important conference  
with Carrol D. Wright, commissioner  
of labor, who bore a proposition from  
President Roosevelt. What its nature  
was Mitchell declines to make public,  
and all he will say of the meeting was:  
"I saw Carrol D. Wright in Philadel-  
phia today."

Washington, Oct. 6.—The coal strike  
situation engaged the attention of the  
president today to the exclusion of nearly  
everything else, but no announce-  
ment of a new step on the part of the  
executive was made from the white  
house. Every person who has been in  
consultation has been sworn to se-

crecy, and the president's intention is  
unknown.  
This afternoon Commissioner of Im-  
migration Sargeant was called to the  
white house, and, after consultation  
with the president, he hastened to the  
railway station and took the train for  
Philadelphia. It was learned that he  
went in search of Mitchell. What  
proposition he has to make is a secret,  
but it is believed if Mitchell will agree  
to order the men back the president  
promises a thorough investigation by  
congress. Governor Stone's action in  
calling out more troops will interfere  
calling out more troops may interfere  
strike.

Washington, Oct. 6.—Commissioner  
General of Immigration Sargeant had a  
long conference today with the presi-  
dent regarding the coal strike. Mr. Sar-  
gant, from long connection with labor  
organization, is fully informed on the  
subject and believed he could work  
along the lines of the plan that is  
now being considered for bringing the  
strike to an end. As stated in these  
despatches yesterday the president  
to have the miners return to work with a  
pledge from the president that he will  
appeal to congress to examine into the  
justice of their complaints and remedy  
them so far as lies in the power of the  
legislative branch of the government;  
that he suggest to Governor Stone of  
Pennsylvania that he cause the Penn-  
sylvania legislature to make a similar  
inquiry.

Wilkesbarre, Oct. 6.—The companies  
did not make the expected increase in  
the daily out put of coal today, and 31-  
100 tons is all they claim was mined.  
Before the strike 350,000 tons was the  
average daily output, or 2,000,000 tons  
for six days' work.

Pottsville, Pa., Oct. 6.—Henry Jen-  
kins, station agent for the Williams  
Valley railroad at Tower City, and  
James Lewis, president of the local  
mine workers at that place, were ar-  
rested today, charged with dynamiting  
a bridge on the Flister farm. Surprise  
is expressed that such prominent per-  
sons should be accused. The prisoners  
were held under \$800 bail.

New York, Oct. 6.—Mayor Low today  
sent a telegram to Mayor Maybury of  
Detroit declining to appoint delegates  
to the coal strike conference at Detroit.  
Early today the mayor received the  
following telegram from Mayor May-  
bury:

"In view of the failure of the presi-  
dent's efforts to settle the coal diffi-  
culty, what do you now say to sending  
delegation from your city to Detroit  
conference October 9?"  
To this Mayor Low replied as fol-  
lows:  
"In view of the failure of the presi-  
dent's efforts at mediation and because  
of the vagueness of your program, I  
have determined not to send delegates  
to the conference at Detroit."

## DOCKERY AND GILES SPEAK AT HENDERSONVILLE

Both Made Excellent Addresses to  
Good Sized Crowd.

### Special to the Gazette.

Hendersonville, N. C., Oct. 6.—Hon.  
H. C. Dockery and Hon. J. A. Giles  
spoke here today to a good sized crowd  
of people. Mr. Dockery, who was the  
first speaker, discussed at length the  
national issues, paying special atten-  
tion to the tariff question. He con-  
trasted in a very forceful manner the  
free trade periods of the history of our  
country with the periods when a pro-  
tective tariff law was in force, proving  
that whenever the free trade pol-  
icy was in force there was wreck and  
ruin, not only to every business inter-  
est in the country, but to the laboring  
man and the farmer as well, and the  
speaker, after briefly discussing state  
issues, closed his speech with an ur-  
gent appeal to the people to stand by  
the principles of the republican party,  
and leave no stone unturned in an ef-  
fort to elect men who would use every  
effort to enact into law the principles  
of the republican party.  
At the close of Mr. Dockery's speech,  
Mr. Giles of Pittsboro was introduced.

and for nearly an hour held the at-  
tention of the audience while he, in  
one of the best speeches heard here in  
this campaign, severely criticized the  
present state administration for their  
management of state affairs, and  
closed his speech with an earnest ap-  
peal to the people to place their names  
upon the registration books and go to  
the polls on the 4th of November and  
cast their ballots for the great cause of  
republicanism and the principles of the  
greatest party this or any other country  
ever had.  
These two gentlemen leave for Bre-  
vard this evening, where they will, on  
tomorrow, address the people of Trans-  
ylvania county upon the issues of the  
campaign.

## HIGH HANDED ACTION AROUSES INDIGNATION

ILLEGAL CONCEALMENT AT-  
TEMPTED BY THE APPOIN-  
TEE AT LOUISBURG.

### Special to the Gazette.

Louisburg, N. C., Oct. 6.—The re-  
publicans at this place are indignant  
today over what they claim to be a  
high-handed action on the part of the  
registrar in Louisburg precinct. Mr.  
P. A. Reavis, chairman of the republic-  
an executive committee, upon being  
asked about the matter, made the fol-  
lowing statement:

"Some days ago Mr. Harris, candi-  
date for clerk of the Superior court,  
asked Mr. C. K. Cooke, the democratic  
registrar here, for permission to in-  
spect the registration books, and Mr.  
Cooke refused. Afterwards he made  
another demand, and then Mr. Cooke  
said he might inspect the books, but  
could make no note of the names there-  
upon. Today I made a written demand  
upon the registrar in these words: 'I  
herely ask that you permit me to in-  
spect the registration book for this  
precinct in your presence and at such  
time and in such manner as will not  
interfere with or inconvenience you in  
the discharge of the duties of your of-  
fice as registrar, and during such in-  
spection to make such notes, memo-  
randa or copies as I may desire. If you  
refuse this, then I ask you to furnish  
me a copy of the names and other en-  
tries upon said registration book for  
which I herely tender you your fees.'  
He refused to allow me to inspect the  
books if I made any notes of the  
names on them or copy of what I saw,  
and refused to furnish me a copy of  
such names. His action I consider il-  
legal and high-handed. The law gives  
any elector the right to challenge any  
names registered at any time and that  
right cannot be executed if he is not  
permitted to make a memorandum of  
the names registered. It looks as if  
we are not going to be fairly dealt  
with."

## LATE "KIM" DAVIS' PROPERTY SOLD

Yesterday W. H. Medd was employed  
by R. S. McCall, an attorney for Mrs.  
Davis, to offer at auction the belong-  
ings of the late Kimsey Davis, who  
was killed on Patton avenue several  
months ago. The articles offered were  
a bicycle, a very fine stereopticon out-  
fit, a gramophone, a large tent and a  
peculiarly made traveling house wagon.  
Only two of these articles were sold,  
the bicycle and the house wagon. The  
latter was an excellent house on  
wheels, with a door at each end, and  
well furnished. The wagon was pur-  
chased by B. C. Brown for \$42.50.

## NEGRO CONSULTATION CALLED AT RALEIGH

Will Put Out a Ticket— Criticisms of  
Senator Pritchard.

Special to the Gazette.  
Raleigh, N. C., Oct. 6.—Six negroes,  
including ex-Congressman Cheatham  
and O'Hara, have signed a call for a  
state convention to be held in Raleigh  
on October 16. It is also recommended  
that nominations be made in all con-  
gressional districts on or before Octo-  
ber 20.

"The action of the Lily Whites at  
Greensboro," say the signers, "is an in-  
sult to the manhood of colored repu-  
blicans." They say Senator Pritchard  
has shown himself an ingrate to use  
the negroes as a stepping stone to  
prominence and then by shameful sur-  
render accepted as final an unjust qual-  
ification of suffrage of the men that  
"made him." "We believe," they say,  
"that we should not cast our strength  
with a set of men who have abandoned  
our cause. Senator Pritchard has told  
the president of the United States that  
there are 40,000 white republicans in  
North Carolina. We believe, with the  
populists added, it will not reach this  
figure; but it can readily be seen that  
he was too shrewd to nominate one  
white republican on the state ticket,  
knowing the negroes would not sup-  
port it, and thereby explode his fallacy  
of 40,000 white republicans in North  
Carolina."

## SENATOR PRITCHARD VISITS THE PRESIDENT

Roosevelt Pleased With Republican  
Progress in the South.

Special to the Gazette.  
Washington, Oct. 6.—Senator Prit-  
chard was among the callers at the  
temporary white house today. He  
talked for some time with the presi-  
dent regarding southern political con-  
ditions. The chief executive expressed  
himself as much pleased with the ad-  
vance republicans are making in the  
south.

## NO DEBATE AT MORGAN HILL

Moody and J. M. Gudger, Jr., booked  
for next Saturday at Morgan Hill will  
not be held on that day because the  
date conflicts with that set for the  
Pritchard-Craig debate in this city,  
which many of the voters from Bliv-  
ivy will wish to hear.

## SECRETARY OF STATE SPEAKS FOR PRESIDENT.

MINISTER CAMP FIRE AT CONVEN-  
TION HALL AND A GRAND DIS-  
PLAY OF FIREWORKS LAST  
NIGHT.

Washington, Oct. 6.—The thirty-sixth  
encampment of the Grand Army of the  
Republic, held its opening ceremonies  
today. The visitors already are count-  
ed by the tens of thousands, and trains  
arriving hourly with their loads  
of human freight to be added to the  
crowd. The city, with its lavish de-  
corations, never looked more attractive  
on any day. There scarcely is a build-  
ing on the principal streets that is not  
adorned with the national colors, and  
many of the stands and vehicles on the  
streets are similarly decorated.

The program for the day included an  
automobile parade, a regatta on the  
Potomac, the dedicating of Camp  
Roosevelt, a monster camp fire at Con-  
vention hall and a grand display of  
fireworks tonight.  
The start in the automobile parade  
was made at 10 o'clock, from Scott Cir-  
cle, and the line extended many blocks.  
It was headed by a large automobile, a band,  
the procession moved slowly down town  
and those in the more attractively de-  
corated machines were applauded by  
the throngs which had gathered along  
the sidewalks. After proceeding  
through the principal streets the parade  
was reviewed by several cabinet offi-  
cers and a number of invited guests  
from the judges' stand erected near the  
white house.

A center of interest during the day  
was the grounds south of the white  
house. There, on the ellipse, under the  
shadow of the Washington monument,  
are located the tents which are to be  
used as the headquarters of the dif-  
ferent corps and other divisions where  
members constitute the Grand Army.  
Secretary Hay in his address to the  
veterans today said in part:

"In the name of the president and in  
his stead, I bid you welcome to Wash-  
ington. I need not say that on every  
inch of American soil, wherever that  
starry banner waves, you are at home,  
and need no formal words of welcome.  
But especially in this capital city of the  
Union.
