Yesterday Dr. Ambler, secretary of the association, received a number of letters from a number of towns stating that they think the association is doing good work and pledging it their heartiest support. Communications have also been received that Bristol will send a large and representative delegation.

The secretary has received very interesting and profusely illustrated reports of the water supply and irrigation papers of the United States Geographical survey on the hydrography of the Southern Appalachian mountains. The association has ordered that 2000 copies of the speech on the proposed park reserve by Congressmen Elliott be distributed.

A joint meeting of the board of trade and park committees will be held at 8 o'clock this afternoon in Dr. Ambler's office.

GAS EXPLOSION KILLS TWO MEN

Shamokin, Pa Oct. 23 .- In reopening the Alaska shaft owned by the Philadelphia & Reading Coal and Iron company, this morning, an explosion of gas occurred. Robert Mowneh and Aaron Reher walked into No. 1 slope. They were blown about twenty feet and were badly burned about the head and face. The gas extended deeper into the mines, and while a rescuink party removed the two victims another body of men began working their way into the breasts where five men are thought to be imprisoned.
