## CAROLINA 12; VIRGINIA 12

A GOOD, CLEAN GAME WAS PLAYED AT RICHMOND—8000

Thousands of Dollars Lost. Heavy Betting that Carolina Would Not Score

### OTHER GRIDIRON CONTESTS YESTERDAY

PENNSYLVANIA BEATS CORNELL, COLUMBIA AND SYRACUSE TIE, CLEMSON BEATS U. OF T., VIRGINIA MILITARY BADLY LICKED BY BLACKSBURG, ETC.

Special to the Gazette. Richmond, Nov. 27.—The University of North Carolina played the University of Virginia here today. The University of North Carolina sent up a special train with 250 U. N. C. men. At least 8000 people saw the game. It was cool and drizzling rain a little, but it was fine football weather for the players. The game was called at 2:45. In the first half neither side scored until near the end of the half, when Carolina made a touchdown and scored five points. Then Carolina kicked goal and scored one point, making six points at the end of the first half. Carolina 6, Virginia, 0. In the second half Virginia made a touchdown and kicked goal, made a touchdown and kicked goal again, scoring 12 points. The game seemed to be going against Carolina. The ball was near Virginia's goal, but the crowd thought the time would be out before Carolina could score, and the excitement was intense, but Carolina made a touchdown and kicked goal again, and scored six points. The score then was Carolina 12, Virginia 12, with three minutes to play. Carolina got the ball and was rapidly

advancing towards Virginia's goal—got the ball to Virginia's 20 yard line, but time was out. In three more minutes Carolina would certainly have made another touchdown. The final score was 12 to 12.

Most of the game was played on Virginia territory. It was a good, clean game on both sides. The star players for Carolina were Graves, Foust and Jones, but all did finely. Council, Virginia's star player, is a North Carolina man, played on the U. N. C. team last season. The cheering and rooting by the crowd were very enthusiastic on both sides. The whole crowd was decorated with beautiful banners and streamers of blue and white, and orange and blue. Thousands of dollars were lost on the game. There was a great deal of money put up to one that Carolina would not score at all. The Richmond Alumni association gave a theater party to visiting U. N. C. men tonight at Bijou Theater. The Carolina men will leave here at 1 a. m. for Chapel Hill.

Philadelphia, Nov. 27.—The University of Pennsylvania and Cornell football eleven met today on Franklin field in their annual gridiron battle. Since 1893 Pennsylvania and Cornell have met annually and during that period the Ithaca boys have won only one game, that of last year. The rain of the last two days had completely soaked the big gridiron and the footing was muddy and treacherous, while the ball was slippery and it was an ideal day for the favorite college game. There was an immense crowd present when the two teams appeared on the field at 2 o'clock.

Edward N. Wrightington, of Harvard, acted as referee and Paul J. Dashiell, of Lehigh, was umpire. Quarterback Pearson, of Princeton, was time-keeper. The teams lined up as follows: Pennsylvania. Position Cornell. Richardson... left end... Larking Horrey... left tackle... Luder Hoffman... left guard... Warner McCabe... center... Davitt Pearsall... right guard... Hunt Hunt... right tackle... Waudh-Smith Metzger... right end... Tisteman Gale... quarterback... Brewster Wrighter... left halfback... Pucell Gardiner... right halfback... Coffin Bennett... full back... Sherard The game resulted in a victory for Pennsylvania, 12 to 11.

Ann Arbor, Mich., Nov. 27.—With both sides determined to use to its utmost every ounce of skill and sinew in its possession the eleven of the University of Michigan and the University of Minnesota lined up against each other on Ferry Field this afternoon to decide the western championship.

Ann Arbor was crowded with an out-of-town contingent large and onisy. Hotels and boarding houses were swamped.

Special trains from Minnesota brought 500 loyal for the gomper. Nearly the whole student body of the Ann Arbor institution was present. Ann Arbor was a seething mass of pent-up, thus let loose. Michigan had to give odds in the betting last night, but with the arrival of the gomper contingent today even money was much in evidence.

Michigan was mourning the absence of Jones, the regular fullback, and Graver, who took his place, admitted that he had a task to keep up the prestige of the rear guard. Another absence much regretted was that of Palmer, whose place at left tackle was taken by Cole. However, both of the substitutes mentioned were regarded as first class men.

## ATTITUDE OF THE PRESIDENT

IN REFERENCE TO CRUM'S APPOINTMENT SET FORTH IN A LETTER.

Writes in Reply to Letter Received from a Correspondent in Charleston.

### BOOKER WASHINGTON ALSO DECLARES HIS POSITION

SAYS HE TOOK NO PART IN ADVOCATING THE APPOINTMENT OF CRUM—WILL NOT MEDITATE WITH POLITICS.

Washington, Nov. 27.—The president has sent a letter to a prominent citizen of Charleston acknowledging the receipt of a letter from him of recent date in reference to Crum's appointment, saying the charges contained therein against Crum were entitled to the utmost consideration.

He excepts, however, to his Charleston correspondent's objection to Crum on the ground of color, and also to the statement in the letter that the president had said he would never force a negro on such a community as that of which the Charleston citizen is a member. The president says it has been his consistent policy in every state where their numbers warranted it to recognize colored men of good repute and standing in making appointments to office and he cannot be asked to make an exception for South Carolina. He points out that he has appointed three white men to most important offices in South Carolina and continued in office a fourth. Three of these were originally gold democrats and two of them are sons of Confederate soldiers.

"But," he adds, "I cannot consent to take the position that the door of hope is to be shut upon any man, no matter how worthy, purely upon grounds of race and color." He declares that such an attitude would be fundamentally wrong, and that the question of "negro domination" does not enter into the matter at all. It seems to him that it is good to let the colored man know that if he shows in a marked degree the qualities of good citizenship, he will not be cut off from all hope of reward.

Charleston, Nov. 27.—Booker Washington has written a letter to a Southern newspaper in which he declares he took no part in advocating the appointment of Crum. He says: "Whatever conferences I had with the president with any public official have grown out of my position not as a politician but as an educator." He points out that the negroes have no member of their race in the national law making body and declares it is only right that those charged with making

and executing the laws of the land should at times seek information directly from members of the negro race when their interests and relations with the whites among whom they live are concerned. He declares that under no circumstances would he seek to promote political candidates.

## STREET CAR WRECK

Des Moines, Nov. 27.—Two persons were fatally injured and six seriously hurt in a street car wreck at the foot of Sixth street hill here this morning. The street car got away at the top of the hill and crashed into another car at the bottom, six blocks away. The runaway car telescoped the second car and darted into the entrance of Lawrence's drug store, where it was checked by an iron post. Although both cars were crowded with passengers, most of them escaped by jumping. The body of Mrs. J. H. Frawley was found under a stove.

Fatally injured: Mrs. J. H. Frawley, crushed internally; hemorrhages. Helen Frawley, aged 10; spin wrenched. Seriously injured: Mrs. J. J. Foy, F. P. West, Motorman Kilne, Unknown boy, James Kirkwood, Julius Shane.

## PLEASED TO HAVE THE COMMISSION SETTLE IT

Scranton, Pa., Nov. 27.—A conference between the miners' leaders and their counsel took place today at Darrow's rooms in the Hotel Jermy. What transpired could not be learned but it is understood that plans as to the manner in which the case will be presented were discussed. Inquiry among the miners developed the fact that they are better pleased to have the commission pass on the matter than to have it compromised "out of court." The miners and independent operators evidently expect to obtain a more thorough settlement by the commission.

The incorporators of the Asheville Savings institution held a meeting and decided to turn over their business to the Wachovia Loan and Trust company. This arrangement will become effective December 1, and notices to that effect will be given the depositors.

The Wachovia company will conduct the savings department as it was carried on by the Savings institution. Deposits of \$1 and upwards will be received and interest paid upon them.

Special to the Gazette. Raleigh, Nov. 27.—At the instance of Hon. Thomas Settle the state board of canvassers today agreed to take up the vote for congress in the Tenth district the first thing tomorrow.

Mr. Settle, who is here representing Hon. James M. Moody, who was the republican candidate for congress in the Tenth district, will ask that a certificate of election be given his client over James M.
