

MAKES STOMACH TROUBLE VANISH

Indigestion, Gas, Heartburn and Dyspepsia go and you will feel fine in five minutes.

Why not get some now—this moment, and forever rid yourself of Stomach trouble and Indigestion? A dieted stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapypsin to start the digestive juices working.

There is nothing else better to take Gas from Stomach and cleanse the stomach and intestines, and, besides, one single dose will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapypsin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

THE PICKERT STOCK CO.

IN "FOR A GIRL'S LOVE"

The Pickert Stock company presented Will E. Culhane's four-act comedy drama, "For a Girl's Love," at the Grand last evening to a small, but highly appreciative audience.

In the hands of the Pickerts the fine points intended were perceptibly brought out and the play was voted a success.

Specialties and two illustrated songs, "Under the Irish Moon" and "Take Me Out for a Joy Ride" were introduced during the evening.

There will be a ladies' and children's matinee Saturday afternoon, at which the company will present "The Child of the Street."

SURVEY OF STATE FROM THE CAPITAL

The Tobacco Growers of a Number of Counties Are After Test Farms and Have Appeared Before Board.

RALEIGH POSTOFFICE RECEIPTS SHOW A HEALTHY INCREASE

State Officials Deny the Statement That There Are Grain Distilleries in North Carolina.

The Gazette-News Bureau, Chamber of Commerce Rooms, Holleman Building, Raleigh, Dec. 3.

Yesterday there appeared before the state board of agriculture delegations from the old tobacco growing counties of Granville, Person and Caswell, each urging the board to establish in its particular county a test farm for tobacco.

There is no break in the drought, and the sheriff of this county says many wells have gone dry.

No Grain Distilleries.

Publication having been made of the fact that there are a number of registered grain distilleries in this state, it is denied by officials here that there are any such.

TRUTH ABOUT CATARRH

Sensible Methods Will Cure It—Smith's Drug Store Guarantees Hyomei to Cure Catarrh.

Catarrh can never be cured by taking medicines into the stomach nor by sprays, atomizers or douches.

Intelligent physicians have long ago discarded such ideas and not one of them would be worth considering were it not for the fact that unscrupulous persons prey upon the ignorance of the people in regard to new discoveries.

Catarrh is caused by germs and just as long as these germs thrive in the folds, crevices, nooks and corners of the mucous membrane that line the nose, throat and chest, just so long will you have catarrh.

There is only one way to cure catarrh, and that is to kill the germs. There is only one remedy that will kill the germs when it gets where the germs are, and that is Hyomei.

Hyomei is made chiefly from Australian Eucalyptus and Eucalyptol combined with other germ killing antiseptics. Just breathe it in through the hard rubber inhaler that comes with each outfit and relief is immediate.

Use regularly for a few weeks Hyomei (pronounced High-oh-mey) will cure chronic catarrh. Complete outfit \$1.00 at Smith's Drug Store and leading druggists everywhere.

CIVIL CASES NOW BEING CONSIDERED

INTEREST BEING TAKEN IN ROAD CONSTRUCTION

This is a Movement Which Has Enlisted the Active Support of Brevard Citizens.

The Gazette-News Bureau, The Franklin, Brevard, N. C., Dec. 2.

Correspondence of The Gazette-News. Court, which convened here last Monday with Judge M. H. Adams presiding, has concluded the criminal docket and taken up the civil cases for the remainder of the week.

On account of the fact that this proposed road must be built by individuals before it can be turned over to the county to be kept in repair a subscription list will have to be presented to the many parties interested, and it is thought that, with the aid of the business men of this town and out-of-town parties who are largely interested in this immediate section, there will be no trouble in opening this new country area to the state line.

The largest portion of the country that this road will penetrate is the Buck Forest section, recently acquired by the Cox estate in Asheville, and will be operated in connection with the famous Battery Park hotel, as a hunting reserve.

Auto Highway. The distance from Asheville to Brevard by road is only 21 miles over comparatively good roads—in fact, during the past summer many motorists made the trip with perfect ease.

Municipal Building. The municipal building commission has awarded the contract for that building and the auditorium, which will be in the rear of it, to the John A. Carter company of Philadelphia, which was the lowest of the 11 bidders. The price as agreed upon is \$95,281.

WRESTLING MATCH ARRANGED FOR NIGHT OF DECEMBER 7. Edwards Is to Meet Albert Medina, the "Italian Champion," at Grand Opera House.

The taking element of Asheville is sporting interest in the wrestling match which has been arranged to take place at the Grand opera house December 7 between Albert Medina, the "Italian champion," and Billy Edwards, who wrestled a draw match with Drake here not long ago.

FRATERNAL ORDER OF EAGLES ELECT OFFICERS LAST NIGHT. At a meeting of the Asheville aerie, Fraternal Order of Eagles, attended by about 150 members last night, the following officers were elected for the ensuing term:

Worthy President—G. S. Reynolds. Worthy vice president—X. B. Lange. Worthy secretary—Vance I. Wells. Worthy physician—Dr. E. B. Morris.

Worthy chaplain—M. Swartzberg. Worthy treasurer—John H. Lange. Inner guard—W. N. Horn. Outer guard—G. W. Davis. Trustees—W. H. Bird, Morris Myers and A. F. Felthaus.

Start Their Campaign. London, Dec. 3.—Freud of their legislative duties, members of the House of Commons and many peers, began their own political campaigns among their constituents today. Few members remained in London for the ceremony of proroguing Parliament.

Took His Own Life. Columbus, Ga., Dec. 3.—J. M. Brown, son of a wealthy real estate dealer of Cleveland, O., committed suicide by swallowing carbolic acid today.

That Double Chin. Every woman who is fat, and especially every woman (or man) who has a hog-like double chin, will welcome this new paragraph. Your night masks and sticking-plaster strips and stockings are at an end. A method of reducing double chins (also fat abdomens and hips, shoulders, angles and neck), that really does reduce them, has been found.

And would you believe it, it is nothing more than a simple, harmless home receipt that any druggist will fill for you, viz: 1/2 oz. Marmola, 1/2 oz. Fluid Extract Cascara Aromatic, and 1/2 oz. Peppermint Water, a teaspoonful of which after each meal and at bedtime will take off up to a pound of fat a day. Try it—it is good for the stomach—strengthens that organ—so it turns the food into energy, bones, muscle, as it should, instead of into fat, as yours is doing now after each meal. Eat what you wish; drop exercising; be lazy even; this mixture will still trim up your figure. And it will do it evenly, too, without causing wrinkles; removing the soggy fat, such as double chins and stout abdomens are made of, first.

promises to be the source of opening up new trade in this section. This road from Brevard will only be about 15 miles long, while the one leading out of Penrose is some 20 miles long, and at places cannot be traveled when the creeks are the least swollen from heavy rains.

Oh, Blessed Wife! Homer S. Taylor, president of the National Archery association, said at an archers' dinner in Chicago: "An archer must be very skillful and calm and cool to succeed. He must handle his bow as Mrs. Poarck of Michigan avenue handles her husband."

"Mr. Poarck came home very late the other night from an important political meeting. In the hall he kicked up rather a row, growling and swearing to himself till his wife called to him from upstairs: "What's the matter, my dear?" "Matter—hic—ls," Mr. Poarck roared, "that there's two hat racks here, and I dunno which one to hang my hat on."

"But you've got two hats, haven't you?" said Mr. Poarck, soothingly. "Hang one on each rack and come to bed. You're tired."
