Davis—King.

Special to The Gazette-News. Hendersonville, Dec. 17.—One of the most important events in Hendersonville society this week was the marriage yesterday afternoon of Miss Roxie Davis and Mr. Henry Mitchell King of Brevard. The ceremony took place at the residence of the bride's parents, Mr. and Mrs. W. J. Davis, in West Hendersonville. Owing to the recent illness of the bride the affair was a rather quiet one, and only a few intimate friends were present.

Elaborate decorations in green and white were carried out in the rooms used for the ceremony. Rev. John Hughes, pastor of the First Baptist church of this city, officiated and the ring ceremony was most impressively performed. Delicious refreshments were served the guests immediately after the ceremony, and it was during this enjoyable period that the bride and groom successfully eluded their friends—who, incidentally, had planned many characteristic pranks to play upon the happy couple—by leaving the house and taking a carriage for Flat Rock. Here they caught the 5:15 train for Spartanburg, where they started for a northern trip of several weeks.

The bride is a daughter of W. J. Davis, president of the First National bank, and is one of Hendersonville's most charming young society members. Her many friends regret very much that she will no longer reside here, but will make her new home in Virginia.

Mr. King is a native of Brevard, but for the past several years has been traveling. His territory embraces a large part of Virginia.

Dental Society's Banquet. The annual banquet of the Asheville Dental society was held last evening in the tea room of the Woman's Exchange. The table was laid, to all appearances, in a country barn. Corn, tier upon tier and ear above ear, concealed the walls and ceiling; lanterns were hung from above and a haystack in a corner of the room completed the verisimilitude of the scene. The bill of fare was of a harvest-home nature, containing the country good cheer that even dental surgeons may enjoy sharpening their teeth upon.

Credit is due Dr. I. Mitchell Mann,

Dr. E. F. Hall and Dr. B. J. Durham, committee on arrangements, for a cleverly and effectively planned banquet.

The engagement is announced of Miss Mary McNeill of Fayetteville and Paul Cameron Collins of Hillsboro. Mr. Collins is a cousin of Mrs. W. L. Cushman of Asheville; the young people both have friends in the city who extend congratulations.

Do You Hear Well?

The Stolz Electrophone—A New, Scientific and Practical Invention for Those Who Are Deaf or Partially Deaf—May Now Be Tested Free at Our Store. Deaf or partially deaf people may now make a Free trial of the Stolz Electrophone. This is unusually important news for the deaf, for by this plan the Stolz Electrophone is made available to all. The Stolz Electrophone is a complete, satisfactory hearing aid to make deaf and hearing-for-everyone. This new invention (U.S. Patent No. 88,253) renders unnecessary such devices, unsightly and frequently harmful devices as trumpets, horns, tubes, ear drums, fans, etc. It is a tiny electric telephone that fits on the ear, and which, the instant it is applied, reproduces the sound waves in such manner as to make an astonishing increase in the clearness of all sounds. It overcomes the deafening and roaring ear noises, and also so constantly and electrically reproduces the vital parts of the ear, usually, the eardrum, ossicles hearing itself to gradually restore.

Prominent Business Man's Opinion. STOLZ ELECTROPHONE CO., Chicago.—I am pleased to say that the Electrophone is very satisfactory. Being small in size and great in hearing qualities makes it PREFERABLE TO ANY I HAVE TRIED, and I believe I have tried all of them. I am recommending it to all persons who have defective hearing. M. W. BOTT, Wholesale Grocer, Michigan Ave. and Silver St., Chicago. A Free Trial of the Stolz Electrophone at our Store will convince you of its great merit. Call today GRANT'S PHARMACY Asheville, N.
